more than 250 years of American history with exciting essays on topics such as the city's origins to the founding of the Presidio of San Francisco and the Mission San Francisco de Asis to its modern role as the progressive and innovative heart of a nation. Along the way you'll meet characters like the city's foremother Juana Briones, Gold Rush entrepreneur Levi Strauss, confectioner Domenico Ghirardelli, gangster Al Capone, the rock legends of Haight Ashbury, activist politician Harvey Milk, the pioneers of today's techno boom, and many others who changed the face of the city, plus lesser-known tales like those of the children of Alcatraz and the story of John McLaren, the architect of Golden Gate Park. In addition, guided walking tours of San Francisco's historic neighborhoods by the bay and beyond, illustrated with color photographs and period maps, take readers to the places where history really happened.

San Francisco Christopher J. Craig, 2006. Travel books and magazines continually rate San Francisco among the ten most desirable destinations in the world, and Elan Penn, along with journalist Christopher J. Craig, successfully captures all its enchantment. Readers will practically hear the cable car bells sound as they examine images of the city's scenic and man-made treasures, culturally diverse and distinctive neighborhoods and landmarks. But San Francisco has a compelling story to tell, and it's all here too: its Mexican origins, the gold rush, the devastating earthquakes, and the stunning rebirth. In addition to such well-known sites as the Golden Gate Bridge and the Presidio, Ghirardelli Square, Chinatown, Fisherman's Wharf, and Haight Ashbury, the pictures include such landmarks as City Lights Bookstore, the hotels and mansions of the Golden Age, memorials, monuments, and religious structures, and oases of education and entertainment.
