Modern West* Nicholas Campion, 2016-04-15 This book explores an area of contemporary religion spirituality and popular  
culture which has not so far been investigated in depth the phenomenon of astrology in the modern west Locating modern  
astrology historically and sociologically in its religious New Age and millenarian contexts Nicholas Campion considers  
astrology's relation to modernity and draws on extensive fieldwork and interviews with leading modern astrologers to  
present an invaluable contribution to our understanding of the origins and nature of New Age ideology This book challenges  
the notion that astrology is either marginal or a feature of postmodernism Concluding that astrology is more popular than the  
usual figures suggest Campion argues that modern astrology is largely shaped by New Age thought influenced by the  
European Millenarian tradition that it can be seen as an heir to classical Gnosticism and is part of the vernacular religion of  
the modern west      *Love Astrology: Gemini* Media Adams, 2011-12-01 Looking for love Gemini Then look to the stars With
