*The Love He Saved* Carol Denise Mitchell, 2009-11 Frankie Mae Tyson was in love She loved Michael Jackson for as long as she could remember and she had always dreamed of meeting him One day while driving down the Santa Monica freeway 20 year old Frankie saw a large flashy limousine There wasn't a doubt in her mind it was Michael Jackson They flirted as they drove down the highway Frankie Mae had never been a popular girl In school the boys had made fun of her but Michael Jackson saw her picture in a vacant store window before he met her and he saw the plain girl in a special light He cared about her She cared about him and they were both successful in keeping their union secret from the world He truly loved her She had self confidence after meeting Jackson and she made it clear to him from the start that she did not want anything but his love For many years Frankie refused to accept Michael's attempts to free her from the ghetto Michael and Frankie were careful to keep their relationship a secret from Oprah and the world as Michael used doubles to cover for him when he was with his secret love Frankie Mae He even surprised her one day when just hours before his famous Moonwalk on Motown 25 he attended her Security Guard of the Month Award ceremony As Michael watched me through a peephole that day I was proud of him for always supporting me and I was stunned to see the determination of opportunists and the media to bring Michael Jackson down When you love a man as much as I love Michael death can be a surreal thing to go through I am not going to take my life I am going to live my life in memory of Michael Jackson I am not worried for he knows that I will be with him one day as I promised

entertainer Michael Jackson Written by a true fan who reveals her love and compassion for Michael through inspirational poetry dialog and lyrics      **Loving Amy** Janis Winehouse,2016-01-12 Amy was one of those rare people who made an impact She was a bundle of emotions at times adorable and at times unbearable Amy s passing did not follow a clear line It was jumbled and her life was unfinished not life s natural order at all She left no answers only questions and in the years since her death I ve found myself trying to make sense of the frayed ends of her extraordinary existence Arguably the most gifted artist of her generation Amy Winehouse died tragically young aged just twenty seven With a worldwide fan base and millions of record sales to her name she should have had the world at her feet Yet in the years prior to her death she battled with addiction and was frequently the subject of lurid tabloid headlines Amy s mother Janis knew her in a way that no one else did In this warm poignant and at times heartbreaking memoir she tells the full story of the daughter she loved so much As the world watched the rise of a superstar then the free fall of an addict to her tragic death Janis simply saw her Amy the daughter she d given birth to the girl she d raised and stood by despite her unruly behavior the girl whose body she was forced to identify two days after her death and the girl she s grieved for every day since Including rare photographs and extracts from Amy s childhood journals **Loving Amy** offers a new and intimate perspective on the life and untimely death of a musical icon      **Mind Control** Geneva L.
