Health & Not Screwing It Up Harken Headers,2019-12-30 Are you wondering about your health and where it went wrong Do you often ask yourself what else could you do to change your health In *Health Not Screwing It Up* Harken Headers takes you through the small and simple steps to enhance your overall well being Harken gives suggestions that have worked from personal experience with humor wit and a dash of awkwardness In this book you will learn to Get a healthy body through diet and exercise Embrace a healthy mind and lower stress levels Learn how to deal with criticism And much more Invest in your health nobody else will If you are someone who wants honest change in their life then take that 1st step read this book and enjoy something intriguingly awkward *Pelvic Pain Explained* Stephanie A. Prendergast,Elizabeth H. Akincilar,2016-01-07 At its heart *Pelvic Pain Explained* is the story of how patients develop pelvic pain the challenges patients and providers face throughout the diagnosis and treatment process the difficult task of sifting through the different available treatment options and the impact that an invisible condition has on a patient s life and relationships and much more Those who develop pelvic pain find the path to proper diagnosis and treatment frustrating and unsuccessful oftentimes because they are trying to work within the model of recovery they are used to one in which they go to the doctor maybe take some tests and then get a very specific diagnosis that dictates a very specific mode of treatment This simply is not the path to healing from pelvic pain Pelvic pain is a health issue that crosses the borders between medical disciplines and requires the patient to be a proactive participant in the healing process Here Stephanie Prendergast and Elizabeth Rummer offer readers guidance on navigating a pelvic pain diagnosis and treatment helping them to better understand their pain from a physiological perspective as well as how to digest the current treatment options available and put them on the path to healing Providers too will gain a better understanding of the effectiveness of an interdisciplinary treatment approach Major topics the book tackles include the anatomy of the pelvic floor with an explanation of the many ways pelvic pain occurs the different diagnoses and contributing

factors associated with pelvic pain a discussion of the current treatment landscape with guidance on how to navigate it the vital role that PT plays in treatment male pelvic pain pregnancy and pelvic pain sex and pelvic pain the role of the patient in healing the role of the brain in pelvic pain and much more Anyone with pelvic pain will find here a starting point on the road to healing and living pelvic pain free
