The Campaigns of the Pacific War United States Strategic Bombing Survey, 1946 *The Pacific War Uncensored* Harold Guard, John Tring, 2011-10-20 A WWII reporter s dangerous adventures in Singapore Malaya Java and more Harold Guard became a war correspondent by chance after he d been invalided out of the navy following a submarine accident Thereafter working for United Press he gained a front row seat to many of the most dramatic battles and events of the century In March 1942 Guard arrived in Australia having narrowly escaped from Japanese forces invading Singapore and Java His dispatches from that disastrous front prompted one observer to comment on the crisis days when everybody except Harold Guard was trying to hush up the real situation At the time he was acclaimed by the Australian press as one of the top four newspapermen covering the war in the Pacific Over the next three years Guard was to have many more adventures reporting on the Pacific War including firsthand experience flying with the US Air Force on twenty two bombing missions camping with Allied forces in the deadly jungles of New Guinea and taking part in attacks from amphibious landing craft on enemy occupied territory He also traveled into the undeveloped areas of Australia s northern territories to report on the construction of air bases being built in preparation for defending the country against the advancing Japanese What made Harold Guard s achievements even more remarkable was that he was disabled and had to walk with a stiff right leg due to his navy injury Despite this he often reported from perilous situations at the front line which gained him considerable notoriety within the newspaper world Guard endeavored to give honest accounts and this often brought him into conflict with the military censors In this book the full story of Guard s experiences and observations during the Pacific War have been reconstructed with the help of his dispatches private correspondence telegrams and audio accounts No longer subject to censorship the starkly honest perceptions of how the Allies nearly failed and at last finally won the war can now be told
