Lucky Stars And Gold Bars:

The War Geoffrey C. Ward, Ken Burns, 2007-09-11 The vivid voices that speak from these pages are not those of historians or scholars They are the voices of ordinary men and women who experienced and helped to win the most devastating war in history in which between 50 and 60 million lives were lost Focusing on the citizens of four towns Luverne Minnesota Sacramento California Waterbury Connecticut Mobile Alabama *The War* follows more than forty people from 1941 to 1945 Woven largely from their memories the compelling unflinching narrative unfolds month by bloody month with the outcome always in doubt All the iconic events are here from Pearl Harbor to the liberation of the concentration camps but we also move among prisoners of war and Japanese American internees defense workers and schoolchildren and families who struggled simply to stay together while their men were shipped off to Europe the Pacific and North Africa Enriched by maps and hundreds of photographs including many never published before this is an intimate profoundly affecting chronicle of the war that shaped our world Dumb but Lucky! Richard Curtis, 2007-12-18 Second lieutenant Dick Curtis arrived in Italy in May 1944 twenty years old and part of a shipment of P 51 Mustang fighter pilots so desperately needed that they were rushed into combat with less than thirty hours of flight time in their new high performance aircraft Six of the twelve pilots assigned to the 52nd Fighter Group were shot down in the first two weeks By his ninth mission Curtis was the only one still flying A maverick he barely escaped court martial with his high flying antics Escorting bombers sent to pound heavily defended oil fields was risky enough but strafing the enemy supply lines ports and airfields was even more dangerous Curtis may chalk up his success to dumb luck but these missions took exceptional skill and courage This hair raising account captures the air war in all its split second terror and adrenaline pumping action Cobra Gold Damien Lewis, 2023-01-10 A rogue band of SAS commandos rob a bank in war torn Beirut and return decades later to find the gold in this military thriller based on a true story Beirut 1976 As war ravages the country an unknown band of armed men blast their way into the Imperial Bank of Beirut Over the next forty eight hours they load three trucks with gold bullion and then disappear without a trace Two weeks earlier a new SAS Major had tasked his men with planning such a Beirut bank robbery strictly as an exercise But when veteran Luke Kilbride has his heist plan rejected as useless he decides to prove the Major wrong by pulling the job off for real The heist goes perfectly until it doesn't Kilbride and his men are forced to hide the loot and make their getaway Thirty years later Kilbride and his team are planning their return The only problem is that a powerful enemy is hell bent on finding the gold before they do Kilbride dreams up an audacious mission and the race is on to reach the gold before the ruthless Black Assassins can catch up with them My Lucky Stars Shirley MacLaine, 2011-05-04 NEW YORK TIMES BESTSELLER In this touching memoir Academy Award winning actress Shirley MacLaine dishes up revelations and insights galore USA Today about her career in Hollywood Robust ribald stories juicy People In the memoir that made headlines Shirley MacLaine dazzles us with the subject she knows most intimately Hollywood especially about the men and
