Manifest Destinies Americanizing Immigrants And Internationalizing Americans:

Manifest Destinies David W. Haines, Carol Mortland, 2000-10-30 At the turn of the century America is both retrenching and expanding becoming more restrictive and more expansive more utilitarian and more value and religion oriented As was true a century ago the flow of these changes is very much a story of immigrants their lives in America and the changing lives of those they join This book examines the interaction of immigrants and the native born in nine widely varying locales including Richmond VA St Louis West Palm Beach FL Tacoma WA Garden City KS Dallas Phoenix San Francisco and New York City The volume considers a broad range of immigrants from well educated and economically successful Chinese and Indians to legally recognized refugees who often have more difficulty accommodating to U S society to illegal immigrants who are being Americanized to a shadow world of limited opportunity and limited protection Through insight into the interactions between immigrants and native born at the local level the authors collectively sketch an America that is changing but also re creating its past

The Peoples Of Las Vegas Jerry L Simich, Thomas C. Wright, 2005-03-07 Beneath the glitzy surface of the resorts and the seemingly cookie cutter suburban sprawl of Las Vegas lies a vibrant and diverse ethnic life People of varied origins make up the population of nearly two million and yet until now little mention of the city has been made in studies and discussion of ethnicity or immigration The Peoples of Las Vegas One City Many Faces fills this void by presenting the work of seventeen scholars of history political science sociology anthropology law urban studies cultural studies literature social work and ethnic studies to provide profiles of thirteen of the city s many ethnic groups The book s introduction and opening chapters explore the historical and demographic context of these groups as well as analyze the economic and social conditions that make Las Vegas so attractive to recent immigrants Each group is the subject of the subsequent chapters outlining migration motivations and processes economic pursuits cultural institutions and means of transmitting culture involvement in the broader community ties to homelands and recent demographic trends

Louis Armstrong, Duke Ellington, and Miles Davis Aaron Lefkowitz, 2018-06-20 This book examines Louis Armstrong Duke Ellington and Miles Davis as distinctively global symbols of threatening and nonthreatening black masculinity It centers them in debates over U S cultural exceptionalism noting how they have been part of the definition of jazz as a jingoistic and exclusively American form of popular culture

The New Americans Mary C. Waters, Reed Ueda, Helen B. Marrow, 2007-01-30 The U S has always been a nation of immigrants shaped by successive waves of new arrivals This comprehensive guide provides an authoritative account of the most recent surge of immigrants Based on the latest U S Census data and scholarly research this book is an essential reference for anyone curious about the changing face of America

The Chinese in Silicon Valley Bernard P. Wong, 2006 Bernard Wong examines the complex role of Chinese American scientists and engineers in their ever increasing role in Silicon Valley where those who settle there must learn how to prosper despite a changing cultural identity changes in family life and new citizenship

More Peoples of Las Vegas Jerry

L Simich, Thomas C. Wright, 2010-03-15 The remarkable economic growth of Las Vegas between 1980 and 2007 created a population boom and a major increase in the ethnic and religious diversity of the city Today over 21 percent of the city's population is foreign born and over 30 percent speak a language other than English at home The local court system offers interpreters in 82 languages and in 2005 2006 for example more than 11 000 people originating from 138 countries were naturalized there as American citizens More Peoples of Las Vegas extends the survey of this city's cosmopolitan population begun in The Peoples of Las Vegas University of Nevada Press 2005 As in the previous book this volume includes well established groups like the Irish and Germans and recently arrived groups like the Ethiopians and Guatemalans Essays describe the history of each group in Las Vegas and the roles they play in the life and economy of the city The essays also explore the influence of modern telecommunications and accessible air travel showing how these factors allow newcomers to create transnational identities and maintain ties with families and culture back home They also examine the role of local institutions including clubs religious organizations shops restaurants and newspapers and other media in helping immigrants maintain their ethnic and religious identities and in disseminating national and even regional cultures of origin More Peoples of Las Vegas adds to our awareness of the rich and varied ethnic and religious character of Las Vegas In a broader context it offers thoughtful perspectives on the impact of globalization on a major American city and on the realities of immigrant life in the twenty first century

South Asian Diaspora, Transnationalism and Identity Ajaya K. Sahoo, Brij Maharaj, 2025-10-20 This book examines how members of the South Asian diaspora one of the world's largest diasporic communities forge complex hybrid identities at the intersection of homeland traditions and host society influences Against the backdrop of significant deterritorialization and cultural diversity it explores the nuanced ways multiple generations navigate between preserving heritage and adapting to new environments Through rich multidisciplinary perspectives the volume investigates The blending of traditional practices with new cultural elements The delicate balance between adaptation and heritage preservation The emergence of unique cultural spaces shaped by transnational connections Organized into two comprehensive sections identity formation and transnational practices this collection offers valuable insights into the lived experiences of South Asian communities worldwide and is essential reading for scholars and students in diaspora studies migration research transnationalism and South Asian cultural studies The chapters in this book were originally published in South Asian Diaspora

Running Out Lucas Bessire, 2022-10-04 Finalist for the National Book Award An intimate reckoning with aquifer depletion in America's heartland The Ogallala aquifer has nourished life on the American Great Plains for millennia But less than a century of unsustainable irrigation farming has taxed much of the aquifer beyond repair The imminent depletion of the Ogallala and other aquifers around the world is a defining planetary crisis of our times Running Out offers a uniquely personal account of aquifer depletion and the deeper layers through which it gains meaning and force Anthropologist Lucas Bessire journeyed back to western Kansas where five generations of his family lived as irrigation

farmers and ranchers to try to make sense of this vital resource and its loss His search for water across the drying High Plains brings the reader face to face with the stark realities of industrial agriculture eroding democratic norms and surreal interpretations of a looming disaster Yet the destination is far from predictable as the book seeks to move beyond the words and genres through which destruction is often known Instead this journey into the morass of eradication offers a series of unexpected discoveries about what it means to inherit the troubled legacies of the past and how we can take responsibility for a more inclusive sustainable future An urgent and unsettling meditation on environmental change *Running Out* is a revelatory account of family complicity loss and what it means to find your way back home Survivors Sucheng

Chan,2004-05-05 In this clear comprehensive and unflinching study Sucheng Chan invites us to follow the saga of Cambodian refugees striving to distance themselves from a series of cataclysmic events in their homeland *Survivors* tracks not only the Cambodians fight for life lives but also their battle for self definition in new American surroundings Unparalleled in scope *Survivors* begins with the Cambodians experiences under the brutal Khmer Rouge regime following them through escape to refugee camps in Thailand and finally to the United States where they try to build new lives in the wake of massive trauma Their struggle becomes primarily economic as they continue to negotiate new cultures and deal with rapidly changing gender and intergenerational relations within their own families Poverty crime and racial discrimination all have an impact on their experiences in America and each is examined in depth Although written as a history this is a thoroughly multidisciplinary study and Chan makes use of research from anthropology sociology psychology medicine social work linguistics and education She also captures the perspective of individual Cambodians Drawing on interviews with more than fifty community leaders a hundred government officials and staff members in volunteer agencies *Survivors* synthesizes the literature on Cambodian refugees many of whom come from varying socioeconomic backgrounds A major scholarly achievement *Survivors* is unique in the Asian American canon for its memorable presentation of cutting edge research and its interpretation of both sides of the immigration process *Citizenship, Political Engagement, and Belonging* Deborah Reed-Danahay,Caroline B.

Brettell,2008-07-16 Immigration is continuously and rapidly changing the face of Western countries While newcomers are harbingers of change host nations also participate in how new populations are incorporated into their social and political fabric Bringing together a transcontinental group of anthropologists this book provides an in depth look at the current processes of immigration political behavior and citizenship in both the United States and Europe Essays draw on issues of race national identity religion and more while addressing questions including How should citizenship be defined In what ways do immigrants use the political process to achieve group aims And how do adults and youth learn to become active participants in the public sphere Among numerous case studies examples include instances of racialized citizenship in Algerian France Ireland s new citizenship laws in response to asylum seeking mothers the role of Evangelical Christianity in creating a space for the construction of an identity that transcends state borders and the Internet as one of the new public

spheres for the expression of citizenship be it local national or global Emerging Domestic Markets Gregory Fairchild, 2021-01-05 The term emerging market refers to a country where incomes are currently low but that is likely to experience rapid growth and increasing economic competitiveness Identifying emerging markets is important for international development and for investors they represent intriguing opportunities to reap uncommon gains Yet many of the characteristics of emerging markets including demographic shifts rising educational attainment and growing urbanization are also found closer to home in communities that have been underserved by the existing financial services system Gregory Fairchild introduces readers to the rising set of entrepreneurs whose efforts to reach marginalized groups are reshaping the emerging markets of the United States He explores how minority owned and community development institutions are achieving innovations in consumer and small business targeted financial services to further economic development and reduce inequality Fairchild illustrates these transformative models through compelling narratives the decision by a Chinese ethnic credit union to open a branch in a new neighborhood investment by a minority led private equity firm in satellite radio for the developing world and efforts by a community development loan fund to bring fresh foods into a food desert in Philadelphia He analyzes the models of these organizations measures their successes and failures and provides suggestions for sustainable growth of similar organizations Bringing together quantitative research powerful stories of real world entrepreneurs and nuanced insights on public policy *Emerging Domestic Markets* offers a vital set of prescriptions for inclusive financial development **From Arrival to Incorporation** Elliott Barkan, Hasia R. Diner, Alan M. Kraut, 2008 The United States is once again in the midst of a peak period of immigration By 2005 more than 35 million legal and illegal migrants were present in the United States At different rates and with differing degrees of difficulty a great many will be incorporated into American society and culture Leading immigration experts in history sociology anthropology economics and political science here offer multiethnic and multidisciplinary perspectives on the challenges confronting immigrants adapting to a new society How will these recent arrivals become Americans Does the journey to the U S demand abandoning the past How is the United States changing even as it requires change from those who come here Broad thematic essays are coupled with case studies and concluding essays analyzing contemporary issues facing Muslim newcomers in the wake of 9 11 Together they offer a vibrant portrait of America s new populations today Contributors Anny Bakalian Elliott Barkan Mehdi Bozorgmehr Caroline Brettell Barry R Chiswick Hasia Diner Roland L Guyotte Gary Gerstle David W Haines Alan M Kraut Xiyuan Li Timothy J Meagher Paul Miller Barbara M Posadas Paul Spickard Roger Waldinger Karen A Woodrow Lafield and Min Zhou *Contemporary Immigration in America* Kathleen R. Arnold, 2015-02-03 State and local immigration issues and policies for all 50 states are thoroughly examined in this unique up to date and accessibly written encyclopedia Immigration continues to be a timely and often controversial subject particularly regarding legislation at the state level While many books cover U S immigration both historical and contemporary few if any reference works examine the role of

contemporary immigration in individual states This two volume encyclopedia fills that gap Chapters address legal social political and cultural issues of immigrant groups on a state by state basis and explore immigration trends and issues faced by individual ethnic populations The encyclopedia will enable students to research the impact contributions and issues of immigration for each state to make comparisons between states and regions of the United States and to understand state versus national policies By combining the history of immigration policy with current information the work shows readers that many of the issues making news today are the same as those the nation dealt with in past decades Studying state and local dynamics provide a unique perspective on this history *Putting the Local in Global Education* Neal W. Sobania, 2023-07-03

The position taken in this volume is that domestic off campus study can be just as powerful a transformative learning experience as study overseas and that domestic programs can equally expand students horizons their knowledge of global issues and processes their familiarity and experience with cultural diversity their intercultural skills and sense of citizenship This book presents both the rationale for and examples of study away an inclusive concept that embraces study abroad while advocating for a wide variety of domestic study programs including community based education programs that employ academic service learning and internships With the growing diversification regionally demographically culturally and socio economically of developed economies such as the US the local is potentially a doorstep to the planet and presents opportunities for global learning Moreover study away programs can address many of the problematic issues associated with study abroad such as access finance participation health and safety and faculty support Between lower costs the potential to increase the participation of student cohorts typically under represented in study abroad the lowering of language barriers and the engagement of faculty whose disciplines focus on domestic issues study at home can greatly expand the reach of global learning The book is organized in five sections the first providing a framework and the rationale for domestic study way programs addressing administrative support for domestic vs study abroad programs exploring program goals organization structure assessment and continuous improvement and considering the distinct pedagogies of experiential and transformative education The second section focuses on Semester Long Faculty Led Programs featuring examples of programs located in a wide variety of locations from investigations into history immigration culture and the environment through localities in the West and the Lowcountry to exploring globalization in L A and New York Section three highlights five Short Term Faculty Led Programs While each includes an intensive immersive study away experience two illustrate how a 7 10 day study away experience can be effectively embedded into a regular course taught on campus The fourth section on Consortium Programs describes programs that are either sponsored by a college that makes its program available to consortium members and non members or is offered by an independent non for profit to which institutions send their students The final section on Community Engagement and Domestic Study Away addresses the place of community based education in global learning and provides examples of academic programs that employ service learning as a tool for

collaborative learning focusing on issues of pedagogy faculty development and the building long term reciprocal relationship with community partners to co create knowledge The book is intended for study abroad professionals multicultural educators student affairs professionals alternative spring break directors and higher education administrators concerned about affordably expanding global education opportunities Multiculturalism in the United States John D. Buenker, Lormen A. Ratner, 2005-03-30 Interest in ethnic studies and multiculturalism has grown considerably in the years since the 1992 publication of the first edition of this work Co editors Ratner and Buenker have revised and updated the first edition of Multiculturalism in the United States to reflect the changes patterns and shifts in immigration showing how American culture affects immigrants and is affected by them Common topics that helped determine the degree and pace of acculturation for each ethnic group are addressed in each of the 17 essays providing the reader with a comparative reference tool Seven new ethnic groups are included Arabs Haitians Vietnamese Koreans Filipinos Asian Indians and Dominicans New essays on the Irish Chinese and Mexicans are provided as are revised and updated essays on the remaining groups from the first edition The contribution to American culture by people of these diverse origins reflects differences in class occupation and religion The authors explain the tensions and conflicts between American culture and the traditions of newly arrived immigrants Changes over time that both of the cultures brought to America and of the culture that received them is also discussed Essays on representative ethnic groups include African Americans American Indians Arabs Asian Indians Chinese Dominicans Filipinos Germans Haitians Irish Italians Jews Koreans Mexicans Poles Scandinavians and the Vietnamese **Encyclopedia of the Great Plains** David J. Wishart, 2004-01-01 Wishart and the staff of the Center for Great Plains Studies have compiled a wide ranging pun intended encyclopedia of this important region Their objective was to give definition to a region that has traditionally been poorly defined and they have **Counseling People of African Ancestry** Elias Mpofu, 2011-06-27 This volume advances a uniquely Afro centric sociocultural understanding of health maintenance and risk reduction in African cultural heritage populations It unites a diverse group of leading African and Africanist scholars in an exploration of common cultural values in African heritage communities and their practical applications in contemporary counseling The chapters highlight the prominent health issues faced in Africanist settings today and use real world experiences to illustrate core lessons for effective community action The approach spans complex cultural milieus from diversity counseling to conflict resolution Each chapter includes field based experiential tasks discussion boxes research boxes and case studies which serve as valuable resources in both coursework and casework Counseling People of African Ancestry is an essential primer for community health workers counselors and educators seeking a better understanding of African cultural heritage settings to promote community health well being and development **War by Other Means** Carlota McAllister, Diane M. Nelson, 2013-10-14 In this collection of essays leading scholars based throughout the Americas examine postwar Guatemalan society from varied perspectives including those of ethnography history geography politics and economics **Immigrant**

Families in Contemporary Society Jennifer E. Lansford, Kirby D. Deater-Deckard, Marc H. Bornstein, 2009-01-16 How do some families successfully negotiate the linguistic cultural and psychological challenges of immigration while others struggle to acculturate This timely volume explores the complexities of immigrant family life in North America and analyzes the individual and contextual factors that influence health and well being Synthesizing cutting edge research from a range of disciplines the book addresses such key topics as child development school achievement and the cultural and religious contexts of parenting It examines the interface between families and broader systems including schools social services and intervention programs and discusses how practices and policies might be improved to produce optimal outcomes for this large and diverse population

Race and Ethnicity Raymond Scupin, 2003 Covering basic concepts and research this book presents state of the art highly readable essays on both the theoretical issues and empirical studies of race and ethnicity in the U S and throughout the world It introduces the concepts of race the fallacies of scientific racism and theoretical perspectives on ethnicity followed by fourteen chapters that share the empirical findings of anthropologists on race and ethnicity in the U S and the world For individuals interested in getting a global perspective on race and ethnic relations and reducing some of the superficial media based characterizations and representations of race and ethnic issues throughout the world
