

THE ORIGINAL SCANDINAVIAN THRILLER
PETER HØEG

A person wearing a bright red coat stands with their back to the camera on a sandy beach, looking out at a calm sea under a hazy sky. The person is positioned in the middle ground, slightly to the left of the center. The beach is wide and flat, with some sparse vegetation visible in the foreground and middle ground. The water is a pale, milky blue, and the horizon is visible in the distance.

this first systematic account of crime fiction across the globe offers a deep and thoroughly nuanced understanding of the genre's transnational history. Offering a lucid account of the major theoretical issues and comparative perspectives that constitute world crime fiction, this book introduces readers to the international crime fiction publishing industry, the translation and circulation of crime fiction, international crime fiction collections, the role of women in world crime fiction, and regional forms of crime fiction. It also illuminates the past and present of crime fiction in various supranational regions across the world, including East and South Asia, the Arab World, Sub-Saharan Africa, Europe, and Scandinavia, as well as three spheres defined by a shared language, namely the Francophone, Lusophone, and Hispanic worlds. Thoroughly researched and broad in scope, this book is as valuable for general readers as for undergraduate and postgraduate students of popular fiction and world literature.

No Trespassing Eva Hemmungs Wirtén, 2004-01-01 In this scholarly yet highly accessible work, Eva Hemmungs Wirtén traces three main themes within the scope of cultural ownership: authorship as one of the basic features of print culture, the use of intellectual property rights as a privileged instrument of control, and finally globalization as a precondition under which both operate. Underwritten by rapid technological change and increased global interdependence, intellectual property rights are designed to protect a production that is no longer industrial but informational. *No Trespassing* tells the story of a century of profound change in cultural ownership. It begins with late nineteenth-century Europe exploring cultural ownership in a number of settings across both spatial and temporal divides and concludes in today's global, knowledge-based society. Wirtén takes an interdisciplinary and international approach, using a wide array of material, from court cases to novels, for her purposes. From Victor Hugo and the 1886 Berne Convention to the translation of Peter Heg's bestseller *Smilla's Sense of Snow*, Wirtén charts a history of intellectual property rights and regulations. She addresses the relationship between author and translator, looks at the challenges to intellectual property by the arrival of the photocopier, takes into account the media conglomerate's search for content as a key asset since the 1960s, and considers how a Western legal framework interacts with attempts to protect traditional knowledge and folklore. *No Trespassing* is essential reading for all who care about culture and the future regulatory structures of access to it.

Locating Nordic Noir Kim Toft Hansen, Anne Marit Waade, 2017-10-14 This book is a comprehensive study of Nordic Noir television drama from the 1990s until today. The authors introduce the history of contemporary Nordic Noir from the perspective of place production and location studies. The chapters include readings of well-known television crime dramas such as *Beck*, *The Killing*, *Trapped*, and *The Bridge*, as well as a range of other important Nordic Noir cases. The authors position the development of Nordic Noir in the global market for popular television drama and place the international attention towards Nordic crime dramas within regional development of drama production in Sweden, Denmark, Norway, and Iceland. Consequently, Nordic Noir is read as both a transnational financial and creative phenomenon and as a local possibility for community building. Offering a comprehensible scholarly and methodologically original approach to the popularity of Nordic television crime dramas, this

volume is aimed at readers with an interest in crime drama as well as scholars and students of television drama
