

The Missionary and the Libertine Love and War in East and West Ian Buruma

Translated by Alexander Ross
Introduction by Ian Buruma
Afterword by Ian Buruma

Missionary And The Libertine Love And War In East And West

Ian Buruma

Missionary And The Libertine Love And War In East And West:

The Missionary and the Libertine Ian Buruma, 2012-10-17 From Naipaul's India to the last days of Hong Kong and from the ghosts of Pearl Harbor to Benazir Bhutto Buruma delivers an engaging and incisive look at the ways East and West understand and misunderstand each other At home in both worlds Buruma traverses the realms of journalism literary criticism and political analysis to examine the dialogue of fact and fantasy that affects our perception of far away lands Whether deconstructing the films of Satyajit Ray or the novels of Yoshimoto Banana Buruma offers a splendid counterbalance to fashionable theories of clashing civilizations and uniquely Asian values In twenty five illuminating often humorous essays The Missionary and the Libertine shows us why Buruma's reputation for writing the most compelling commentary on the faultlines of the East West divide is so secure

Travellers' Visions Akane Kawakami, 2005-01-01 Travellers Visions adds another perspective to ongoing debates over colonialism with an examination of the intercultural relations between France a major colonial empire for nearly three centuries and Japan a country that has remained mostly autonomous throughout its existence In this analytic history of French literary images of Japan from soon after its reopening to the West to the present day Kawakami examines the work of many of France's most revered authors including Marcel Proust Paul Claudel and Roland Barthes along with other lesser known writers and artists such as Loti and Farrer as they embarked on journeys literary and real to this exotic land Authors are discussed according to type journalists diplomats or collectors for example and the close readings are accompanied by Girard Mac's beautiful and rarely seen photographs Travellers Visions offers new clarity to current intellectual debates and will be a valuable resource to students and scholars of French literature and Asian history alike

Before Orientalism Kim M. Phillips, 2014 Drawing on medieval accounts of the earliest European journeys to China India Mongolia and southeast Asia Before Orientalism explores European attitudes toward Asian eating habits sexual practices femininities and civility reconstructing a precolonial vision of the East that was often neutral or admiring

Japanese Influences and Presences in Asia Ian Reader, Marie Soederberg, 2013-11-19 While scholarly works on this topic have to date mainly concentrated on Japan's influences in economic and political terms this volume examines Japanese influences in Asia from a broader perspective The text takes into account human factors such as the presence of Japanese people as workers managers and visitors in Asian societies and the flow of Japanese goods in terms of their impact on popular culture In addition the book examines the feelings within other Asian nations such as India and Malaysia to the Japanese presence looking at Japanese people's aspirations expectations and at times disappointments Written by Asian and Western scholars from a variety of academic perspectives the essays in this volume analyze the topic at both macro and micro levels They examine the variegated and highly differing influences and presences of Japan as seen from a number of viewpoints from street perspectives and the world of popular culture to global political issues to questions of regional investment and the cultural and economic aspirations of Chinese students in Japan

Young Soeharto David Jenkins

,2021-05-06 When a reluctant President Sukarno gave Lt Gen Soeharto full executive authority in March 1966 Indonesia was a deeply divided nation fractured along ideological class religious and ethnic lines Soeharto took a country in chaos the largest in Southeast Asia and transformed it into one of the Asian miracle economies only to leave it back on the brink of ruin when he was forced from office thirty two years later Drawing on his astonishing range of interviews with leading Indonesian generals former Imperial Japanese Army officers and men who served in the Dutch colonial army as well as years of patient research in Dutch Japanese British Indonesian and US archives David Jenkins brings vividly to life the story of how a socially reticent but exceptionally determined young man from rural Java began his rise to power an ascent which would be capped by thirty years 1968 98 as President of Indonesia the fourth most populous nation on earth Soeharto was one of Asia s most brutal most durable most avaricious and most successful dictators In the course of examining those aspects of his character this book provides an accessible highly readable introduction to the complex but dramatic and utterly absorbing social political religious economic and military factors that have shaped and which continue to shape Indonesia **Japan-Bashing**

Narrelle Morris,2013-01-11 The aim of this book is to examine and analyse the phenomenon of Japan bashing from its invention and popularisation in the United States in the late 1970s to the emergence of other national variants including in Australia and Japan to its gradual decline in the late 1990s It is the first major book length study of Japan bashing from a multinational perspective one that attempts to place Japan bashing in its proper historical context and to examine its operation and legacy in the twenty first century Despite its importance in the study of discourses about Japan as well as in understanding broader global changes in the late twentieth century and beyond the phenomenon of Japan bashing remains largely neglected in published writings Moreover it is a far more complex phenomenon than has been assessed thus far While on first glance Japan bashing merely seems to recall other periods in which Japan has been viewed as a dangerous other to the West such as the Western emphasis on the yellow peril from the late nineteenth century as well as Allied anti Japanese propaganda during World War II Japan bashing also had its own distinctive characteristics Moreover while Japan bashing is often described as a quaint historical rather than a pressing contemporary phenomenon it is actually by no means extinct The ongoing influence of Japan bashing also has parallels in other bashing phenomena such as China bashing This book will be of interest to scholars and postgraduate students in Japanese studies and international relations *The Balance of Power in*

Asia-Pacific Security Liselotte Odgaard,2007-01-24 Investigating the dynamics of balancing patterns in the Asia Pacific this book focuses particularly on the contribution of great powers and middle powers to regional stability Taking the US and China as great powers and using ASEAN Russia Australia and South Korea as example of middle powers the author addresses the following questions Do middle powers influence balancing patterns in the Asia Pacific Are the United States and China balancing each other in the Asia Pacific and if so by which means What is the contribution of the English school to understanding balance of power dynamics *The Balance of Power in Asia Pacific Security* makes a persuasive contribution to

the debate on the US China relationship Interviews with policy practitioners and academics in the region offer a systematic analysis of the complexities of Asia Pacific security Providing conceptual insights this book gives a fresh understanding of the mechanisms necessary to maintain regional stability and explains the implications of US China power balancing for global security It will be an important resource for scholars and students of Asia Pacific politics and security **Japan at Play** Joy Hendry, Massimo Raveri, 2005-08-10 This book explores the myth so abused by the mass media that the Japanese are a grey anonymous mass of efficient obedient workers The articles shed light on a Japan outside officialdom a lively Japan of tumultuous and independent thought inefficient and aesthetic pleasure loving aggressive and wasteful creative and anti authoritarian The book's truly international contributors examine the role in modern Japanese society of a range of leisure and play activities from drinking to travel football to karaoke tattoos to rock fandom They explore how things which seem like play in one context are deadly serious in another and how the fun and enjoyment may be achieved in unexpected ways They also draw attention to the importance of such activities in understanding the deeper structure and meaning pervading all areas of the society in which they take place This book will be of great interest to students and scholars of Japanese Studies Sociology Anthropology and Cultural Studies Year Zero Ian Buruma, 2013-09-26 Year Zero is a remarkable book not because it breaks new ground but in its combination of magnificence and modesty Wall Street Journal A marvelous global history of the pivotal year 1945 as a new world emerged from the ruins of World War II Year Zero is a landmark reckoning with the great drama that ensued after war came to an end in 1945 One world had ended and a new uncertain one was beginning Regime change had come on a global scale across Asia including China Korea Indochina and the Philippines and of course Japan and all of continental Europe Out of the often vicious power struggles that ensued emerged the modern world as we know it In human terms the scale of transformation is almost impossible to imagine Great cities around the world lay in ruins their populations decimated displaced starving Harsh revenge was meted out on a wide scale and the ground was laid for much horror to come At the same time in the wake of unspeakable loss the euphoria of the liberated was extraordinary and the revelry unprecedented The postwar years gave rise to the European welfare state the United Nations decolonization Japanese pacifism and the European Union Social cultural and political reeducation was imposed on vanquished by victors on a scale that also had no historical precedent Much that was done was ill advised but in hindsight as Ian Buruma shows us these efforts were in fact relatively enlightened humane and effective A poignant grace note throughout this history is Buruma's own father's story Seized by the Nazis during the occupation of Holland he spent much of the war in Berlin as a laborer and by war's end was literally hiding in the rubble of a flattened city having barely managed to survive starvation rations Allied bombing and Soviet shock troops when the end came His journey home and attempted reentry into normalcy stand in many ways for his generation's experience A work of enormous range and stirring human drama conjuring both the Asian and European theaters with equal fluency Year Zero is a book that Ian Buruma is perhaps uniquely positioned to write

It is surely his masterpiece *Butterfly's Sisters* Yoko Kawaguchi, 2010-11-30 In this fascinating and wide ranging book Yoko Kawaguchi explores the Western portrayal of Japanese women and geishas in particular from the mid nineteenth century to the present day She argues that in the West Japanese women have come to embody certain ideas about feminine sexuality and she analyzes how these ideas have been expressed in diverse art forms ranging from fiction and opera to the visual arts and music videos Among the many works Kawaguchi discusses are the art criticism of Baudelaire and Huysmans the opera *Madama Butterfly* the sculptures of Rodin the Broadway play *Teahouse of the August Moon* and the international best seller *Memoirs of a Geisha* *Butterfly's Sisters* also examines the impact on early twentieth century theatre drama and dance theory of the performance styles of the actresses Madame Hanako and Sadayakko both formerly geishas

Colonialism and Homosexuality Robert Aldrich, 2008-01-28 *Colonialism and Homosexuality* is a thorough investigation of the connections of homosexuality and imperialism from the late 1800s the era of new imperialism until the era of decolonization Robert Aldrich reconstructs the context of a number of liaisons including those of famous men such as Cecil Rhodes E M Forster or Andr Gide and the historical situations which produced both the Europeans and their non Western lovers Colonial lands which in the late nineteenth and early twentieth century included most of Africa South and Southeast Asia and the islands of the Pacific and Indian Oceans and the Caribbean provided a haven for many Europeans whose sexual inclinations did not fit neatly into the constraints of European society Each of the case studies is a micro history of a particular colonial situation a sexual encounter and its wider implications for cultural and political life Students both of colonial history and of gender and queer studies will find this an informative read **My Generation** William Styron, 2015-06-02 A vital illuminating collection of the Pulitzer Prize and National Book Award winner's elegant passionately engaged nonfiction *My Generation* is the definitive gathering of William Styron's nonfiction exposing the core of this greatly gifted highly convivial and profoundly serious artist from his literary emergence in the 1950s to his death in 2006 Here are fifty years of Styron's essays memoirs reviews op eds articles eulogies and speeches reflecting the same brilliant style and informed thinking that he brought to his towering fiction and to a deeply committed public life Including many newly collected and never before published items this compendium ranges from the original mission statement of *The Paris Review* which Styron helped found in 1953 to a 2001 tribute to his friend Philip Roth creating an essential overview of arts and letters during the post World War II years In these pages Styron writes vividly of childhood days in Tidewater Virginia spent going to movies not reading books It does not mean the death of literacy or creativity if one is drenched in popular culture at an early age He recalls being among the group of soldiers who would have been sent to invade Japan and were saved by Truman's decision to drop the atomic bomb which Styron feels was the right choice even though its absolute rightness can never be proved And he writes as few others have about midlife battles with clinical depression a pain that is all but indescribable and therefore to everyone but the sufferer almost meaningless Here too are Styron's personal encounters with

world leaders fellow authors and friends each of whom comes memorably to life Styron recalls sharing contraband Cuban cigars with JFK a naughty memento a conversation piece with a touch of scandal getting lost in the snow with Robert Penn Warren and party hopping with the young James Jones an experience he likens to keeping company with a Roman emperor The beginnings of his masterpieces *The Confessions of Nat Turner* and *Sophie's Choice* are chronicled here along with the controversy that greeted the former upon its 1967 publication Throughout Styron celebrates the men and women of his generation whose lives were forged in the crucible of World War II Whether he's recounting a walk with his dog musing on the Modern Library's list of the hundred best English language novels of the twentieth century or contemplating America's fraught racial legacy from his point of view as the grandson of a woman who owned slaves William Styron writes always in urgent finely calibrated prose These fascinating pieces bring readers closer to this great writer and the world he observed interacted with and changed Praise for *My Generation* William Styron's *My Generation* Collected Nonfiction is both unsurpassably charming and unflinchingly honest whether recounting the fallout from *The Confessions of Nat Turner* or reminiscing about the slave owning grandmother who warned him never to forget he was a Southerner Vogue At its most accomplished Styron's non fiction mixes a conscientious richly traditional prose style with a strong current of fellow feeling a certain awe at the human condition which is what gives power to his best fiction Styron stood tall in his generation and the best of him will stand up over time USA Today A must for every Styron fan's library BBC

Pirates, Ports, and Coasts in Asia John Kleinen, Manon Osseweijer, 2010-08-10 The chapters in this volume were presented in 2005 at an international conference hosted and organised by the Shanghai Academy of Social Sciences Acknowledgements Homintern Gregory Woods, 2017-11-21 A landmark account of gay and lesbian creative networks and the seismic changes they brought to twentieth century culture In a hugely ambitious study which crosses continents languages and almost a century Gregory Woods identifies the ways in which homosexuality has helped shape Western culture Extending from the trials of Oscar Wilde to the gay liberation era this book examines a period in which increased visibility made acceptance of homosexuality one of the measures of modernity Woods shines a revealing light on the diverse informal networks of gay people in the arts and other creative fields Uneasily called the Homintern an echo of Lenin's Comintern by those suspicious of an international homosexual conspiracy such networks connected gay writers actors artists musicians dancers filmmakers politicians and spies While providing some defense against dominant heterosexual exclusion the grouping brought solidarity celebrated talent and in doing so invigorated the majority culture Woods introduces an enormous cast of gifted and extraordinary characters most of them operating with surprising openness but also explores such issues as artistic influence the coping strategies of minorities the hypocrisies of conservatism and the effects of positive and negative discrimination Traveling from Harlem in the 1910s to 1920s Paris 1930s Berlin 1950s New York and beyond this sharply observed warm spirited book presents a surpassing portrait of twentieth century gay culture and the men and women who both redefined themselves and

changed history **Japan on Display** Morris Low, 2006-09-27 Sixty years on from the end of the Pacific War Japan on Display examines representations of the Meiji emperor Mutsuhito 1852 1912 and his grandson the Showa emperor Hirohito who was regarded as a symbol of the nation in both war and peacetime Much of this representation was aided by the phenomenon of photography The introduction and development of photography in the nineteenth century coincided with the need to make Hirohito s grandfather the young Meiji Emperor more visible Photo books and albums became a popular format for presenting seemingly objective images of the monarch reminding the Japanese of their proximity to the Emperor and the imperial family In the twentieth century these national albums provided a visual record of wars fought in the name of the Emperor while also documenting the reconstruction of Tokyo scientific expeditions and imperial tours Drawing on archival documents photographs and sources in both Japanese and English this book throws new light on the history of twentieth century Japan and the central role of Hirohito With Japan s defeat in the Pacific War the Emperor was transformed from wartime leader to peace loving scientist Japan on Display seeks to understand this reinvention of a more human Emperor and the role that photography played in the process **How Asian Women Lead** J. Horan, 2014-02-03 How Asian Women Lead provides a vastly different picture than Western focused leadership literature highlighting obstacles Asian women face reaching the top and looking beneath the corporate surface to show cultural and family perspectives *Lust in Translation* Pamela Druckerman, 2008-03-25 Compared to the citizens of just about every other nation Americans are the least adept at having affairs have the most trouble enjoying them and suffer the most in their aftermath and Pamela Druckerman has the facts to prove it The journalist s surprising findings include Russian spouses don t count beach resort flings as infidelity South Africans consider drunkenness an adequate excuse for extramarital sex Japanese businessmen believe If you pay it s not cheating Voyeuristic and packed with eyebrow raising statistics and interviews Lust in Translation is her funny and fact filled world tour of infidelity that will give new meaning to the phrase practicing monogamy **Bad Elements** Ian Buruma, 2002-11-12 Who speaks for China Is it the old men of the politbureau or an activist like Wei Jingshsheng who spent eighteen years in prison for writing a democratic manifesto Is China s future to be found amid the boisterous sleaze of an electoral campaign in Taiwan or in the maneuvers by which ordinary residents of Beijing quietly resist the authority of the state These are among the questions that Ian Buruma poses in this enlightening and often moving tour of Chinese dissidence Moving from the quarrelsome exile communities of the U S to Singapore and Hong Kong and from persecuted Christians to Internet hacktivists Buruma captures an entire spectrum of opposition to the orthodoxies of the Communist Party He explores its historical antecedents its conflicting notions of freedom and the paradoxical mix of courage and cussedness that inspires its members Panoramic and intimate disturbing and inspiring Bad Elements is a profound meditation on the themes of national identity and political struggle **Chinese Education in Singapore** Zhang Zhixiong, 2015-06-23 **Hiroshima and Here** Monash University, 2020-09-02 This study provides a cultural history of Nuclear Age Australia The author

examines the country's role as a weapons testing site its ambition to join the postwar nuclear club of nations the heated controversies surrounding uranium mining and nuclear power and the rich complexity of Australian cultural response to the fact and possibility of atomic destruction

Missionary And The Libertine Love And War In East And West Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Missionary And The Libertine Love And War In East And West free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Missionary And The Libertine Love And War In East And West free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or

explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Missionary And The Libertine Love And War In East And West free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Missionary And The Libertine Love And War In East And West. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Missionary And The Libertine Love And War In East And West any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Missionary And The Libertine Love And War In East And West Books
