Mixed Blood Intermarriage And Ethnic Identity In Twentieth Century America:

Mixed Blood Paul R. Spickard, 1989 *Mixed Blood* serves an important function in drawing together a far ranging set of experiences all of which bear on the phenomenon of intermarriage from publisher's site [Mixed Blood](#) Paul Spickard, 1989 Paul R Spickard has performed a tremendous service to historians and other students of ethnicity in writing this study of the historic patterns and changing meanings of out group marriage Hasia R Diner *American Historical Review* **Multiracial Identity and Racial Politics in the United States** Natalie Masuoka, 2017 Policy makers academic administrators scholars and members of the public are clamoring for indicators of the value and reach of research The question of how to quantify the impact and importance of research and scholarly output from the publication of books and journal articles to the indexing of citations and tweets is a critical one in predicting innovation and in deciding what sorts of research is supported and whom is hired to carry it out There is a wide set of data and tools available for measuring research but they are often used in crude ways and each have their own limitations and internal logics *Measuring Research What Everyone Needs to Know* R will provide for the first time an accessible account of the methods used to gather and analyze data on research output and impact Following a brief history of scholarly communication and its measurement from traditional peer review to crowdsourced review on the social web the book will look at the classification of knowledge and academic disciplines the differences between citations and references the role of peer review national research evaluation exercises the tools used to measure research the many different types of measurement indicators and how to measure interdisciplinarity The book also addresses emerging issues within scholarly communication including whether or not measurement promotes a publish or perish culture fraud in research or citation cartels It will also look at the stakeholders behind these analytical tools the adverse effects of these quantifications and the future of research measurement **Sex and Race in the Black Atlantic** Daniel McNeil, 2010-01-27 This is the first book to place the self fashioning of mixed race individuals in the context of a Black Atlantic Drawing on a wide range of sources and a diverse cast of characters from the diaries letters novels and plays of femme fatales in Congo and the United States to the advertisements dissertations oral histories and political speeches of Black Power activists in Canada and the United Kingdom it gives particular attention to the construction of mixed race femininity and masculinity during the twentieth century Its broad scope and historical approach provides readers with a timely rejoinder to academics artists journalists and politicians who only use the mixed race label to depict prophets or delinquents as new national icons for the twenty first century *Interracial Intimacy* Rachel F. Moran, 2001 Crossing disciplinary lines Moran looks in depth at interracial intimacy in America from colonial times to the present She traces the evolution of bans on intermarriage and explains why blacks and Asians faced harsh penalties while Native Americans and Latinos did not She provides fresh insight into how these laws served complex purposes why they remained on the books for so long and what led to their eventual demise As Moran demonstrates the United States Supreme Court could not declare

statutes barring intermarriage unconstitutional until the civil rights movement coupled with the sexual revolution had transformed prevailing views about race sex and marriage

Interracialism Werner Sollors, 2000 *Interracialism* has formed torn apart defined and divided the American nation since its earliest history This volume explores the primary texts of interracialism as a means of addressing core issues in American racial identity

Blackness Without Ethnicity L. Sansone, 2003-08-01 *Blackness Without Ethnicity* draws on fifteen years of his research in Bahia Rio Suriname and Amsterdam Sansone uses his findings to explore the very different ways that race and ethnicity are constructed in Brazil and the rest of Latin America He compares these Latin American conceptions of race to dominate notions of race that are defined by a black white polarity and clearly identifiable ethnicities formulations he sees as highly influenced by the US and to a lesser degree Western Europe Sansone argues that understanding more complex and ambiguous notions of culture and identity will expand the international discourse on race and move it away from American dominated notions that are not adequate to describe racial difference in other countries and also in the countries where the notions originated He also explores the effects of globalization on constructions of race

Children, Research And Policy Basil Bernstein, Julia Brannen, 2013-12-02 First Published in 1996 Research on childhood is a growing area of interest in social policy Covering both familial and institutional settings this book explores relevant issues including the female workforce and changing family forms

Beyond Pluralism Wendy Freedman Katkin, Ned C. Landsman, Andrea Tyree, 1998 Contributors here explore the nation s pluralistic framework as a historical creation looking at group relations in the United States and how they have been conceptualized in the past This volume attempts to bridge the gaps that have developed between various pluralist multiculturalists ethnic academics and other groups

Speaking of Jews Lila Corwin Berman, 2009-03-10 Lila Corwin Berman asks why over the course of the twentieth century American Jews became increasingly fascinated even obsessed with explaining themselves to their non Jewish neighbors What she discovers is that language itself became a crucial tool for Jewish group survival and integration into American life Berman investigates a wide range of sources radio and television broadcasts bestselling books sociological studies debates about Jewish marriage and intermarriage Jewish missionary work and more to reveal how rabbis intellectuals and others created a seemingly endless array of explanations about why Jews were indispensable to American life Even as the content of these explanations developed and shifted over time the very project of self explanation would become a core element of Jewishness in the twentieth century

The Age of Independence Michael J. Rosenfeld, 2007-03-31 Rosenfeld argues that the independent life stage that emerged around 1960 experienced by young adults after leaving their parents homes and before settling down to start their own families has reduced parental control over children's mate selection and has resulted in a rise in interracial and same sex unions
The African American Experience Arvarh E. Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed

Cosmopolitanism and Solidarity David A. Hollinger, 2006-03-06 Who are we is the question at the core of these fascinating essays from one of the nation's leading intellectual historians With old identities increasingly destabilized throughout the world the result of demographic migration declining empires and the quickening integration of the global capitalist economy and its attendant communications systems David A Hollinger argues that the problem of group solidarity is emerging as one of the central challenges of the twenty first century Building on many of the topics in his highly acclaimed earlier work these essays treat a number of contentious issues many of them deeply embedded in America's past and present political polarization Essays include Amalgamation and Hypodescent Enough Already Universities Do Not Need More Christianity Cultural Relativism Why Are Jews Preeminent in Science and Scholarship The Veblen Thesis Reconsidered and The One Drop Rule and the One Hate Rule Hollinger is at his best in his judicious approach to America's controversial history

of race ethnicity and religion and he offers his own thoughtful prescriptions as Americans and others throughout the world struggle with the pressing questions of identity and solidarity *Race and Multiraciality in Brazil and the United States* G. Reginald Daniel,2010-11-01 Spurious Issues Rainier Spencer,2019-07-11 This book is an examination of multiracial

identity politics in the United States and of the specific issues surrounding Office of Management and Budget's review the parties concerned the history of federal racial categorization and the significance of the new rules on race in America

Culture, Ethnicity, and Personal Relationship Processes Stanley O. Gaines Jr.,2014-06-03 Culture Ethnicity and Personal Relationship Processes reviews new theory and research on personal relationships among African Latina o and Asian Americans as well as personal relationships among different ethnic groups The collection focuses on the give and take of affection and respect in personal relationships as influenced by specific cultural values Using diverse strands of research from psychology psychiatry sociology and other disciplines the contributors take both a retrospective and a prospective look at ethnicity and the reciprocity of affectionate and respectful behavior Throughout the book the reader will be challenged to take stock of common misperceptions currently blocking the way to a greater understanding of relational dynamics as a function of ethnicity Contributors Raymond Buriel James Liu and Diana Rios **Hybridity and its Discontents** Avtar Brah,Annie Coombes,2005-08-03 Hybridity and its Discontents explores the history and experience of hybridity the mixing of peoples and cultures in North and South America Latin America Britain and Ireland South Africa Asia and the Pacific The contributors trace manifestations of hybridity in debates about miscengenation and racial purity in scientific notions of genetics and race in processes of cultural translation and in ideas of nation community and belonging The contributors begin by examining the persistence of anxieties about racial contamination from nineteenth century fears of miscegenation to more recent debates about mixed race relationships and parenting Examining the lived experiences of children of mixed parentage contributors ask why such fears still thrive in a supposedly tolerant culture The contributors go on to discuss how science while apparently neutral is part of cultural discourses which affect its constructions and classifications of gender and race The contributors examine how new cultural forms emerge from borrowings exchanges and intersections across ethnic and cultural boundaries and conclude by investigating the contemporary experience of multiculturalism in an age of contested national borders and identities SAGE Readings for Introductory Sociology Kimberly McGann,2021-03-25 This brief anthology for introductory sociology is a collection of 24 short readings that illustrate key concepts in sociology relate to the everyday lives of students and spark good classroom discussions The selections represent four theoretical traditions in sociology functionalism symbolic interaction conflict theory feminism and show the range and diversity of sociology and the people who practice it The book is designed for instructors who want to expose students to some original scholarship in their first sociology course but who do not want to adopt a comprehensive reader along with the core text they are using
