any questions about why you feel disconnected from God this book is for you *Dancing Naked Before God* is a roadmap to an abiding relationship with God always reaching out to us with His arms open wide If you have any questions about why the world is now descending into environmental economic political social and religious chaos and ultimately World War III this book is also for you The author seeks to point out clear biblical reasons for what is taking place today and prophetically outlines the future of mankind     Operation Rolling Thunder Tim Taylor, 2008 *Operation Rolling Thunder* details the account of an apostolic strategy to touch a region and change the hearts of men Practical Life     **Mobilizing Heavenly Resources** Adeoye Oluwafemi Abiodun, 2017-11-27 The book is specially vomited by the holy spirit to stir up men who have slept as it is written while men sleep this book will help many who are already living a minus life many that are ignorant of who they are or the privileges and the resources are God has created and kept for them Ignorance is no excuse in spiritual matters and God do not want us to be kept in the dark so that you can do your own part which is to pray and he to do his own part which is to act and bring answers There are plenty of wholesome resources which you and I can use and quite not a few is discussed in this first edition let take a look at Job 38 22 23 hast thou entered into the weapons of the snow Or hast thou seen the treasure of the hail which I have reserved against the day of trouble against the day of battle and war The verse explains that God is ever ready he is always prepared God sees far beyond what we humans see his foresight into future is far greater than philosophers on their tip toe His insight is unimaginable Daniel 2 22 he revealed deep and secret things he knoweth what is in darkness and light dwells with him God is always at his best when we men are at our worst He is the ultimate killing machine and he has in his arsenal strange weapons to fight strange battles God himself his the solution for he has the solution to all trouble and problems of life God is still speaking today only if you tune to his frequency and his modulation and ready to obey The book is simply put as Williams Shakespeare has said there is a tide in the affairs of men to which if taken up leads to fortunes you can through this book change the season around you by saying no it must stop it cannot continue like this let there be a change Read and let your life change     **Mobilizing the Marginalized** Amit Ahuja, 2019-06-26 India s over 200 million Dalits once called untouchables have been mobilized by social movements and political parties but the outcomes of this mobilization are puzzling Dalits ethnic parties have performed poorly in elections in states where movements demanding social equality have been strong while they have succeeded in states where such movements have been entirely absent or weak In *Mobilizing the Marginalized* Amit Ahuja demonstrates that the collective action of marginalized groups those that are historically stigmatized and disproportionately poor ED is distinct Drawing on extensive original research conducted across four of India s largest states he shows for the marginalized social mobilization undermines the bloc voting their ethnic parties rely on for electoral triumph and increases multi ethnic political parties competition for marginalized votes He presents evidence showing that a marginalized group gains more from participating in a social movement and dividing support among parties than from voting as a bloc for an ethnic party     Journey of a

thousand Miles honest ncube,2012-07-02 The journey of a thousand miles explores a christian s walk of faith and identifies some pitfalls and snares that trap and make christians stumble The book puts the very thoughts and intents of men into the spotlight and answers questions like how dreams should be handled ancestral worship and goes on to highlight how a christian can identify false prophets and avoid strange doctrines It touches on issues like food fashion and the media while it provides and includes the author s life and experiences One way or the other it is a book written to move you and mainly to prepare for the Lord a righteous nation

**Killing Me Softly** EBENEZER GYASI,2006-04-19 When we look around us we find so much suffering in the world that we cant help but ask Why Long time ago God in Hosea 4 6 lamented that his people were being destroyed for the lack of knowledge His people are still being destroyed today The question again is Why In John 10 10 Jesus said the devil comes into our lives not to do anything but to steal kill and destroy As believers Jesus has given us the authority over all the powers of the thief murderer destroyer and our real enemy Satan also known as the devil Somehow we seem to have forgotten our spiritual heritage our spiritual rights and responsibilities and therefore the devil has taken undue advantage of our ignorance This book along with the companion end time spiritual warfare prayer book Target or Weapon The Prayer Book provide instructions on how to stand on the Word of God to help you vanquish the controlling spirits in your life Let these prayers be part of your daily spiritual exercise Standing on the Word of God causes a shaking in the spiritual realm on your behalf because God backs His Word and watches to perform it
