The Spamalot Diaries Eric Idle, 2024-10-08 A rollicking account of the making of the Broadway musical Spamalot and an irresistible and unfiltered ode to the art of live theater Fans will love this tantalizing glimpse behind the curtain Publishers Weekly starred review From comedy legend Eric Idle the fascinating inside story of bringing Monty Python and the Holy Grail to Broadway as the unlikely theatrical hit Spamalot On March 17 2005 Spamalot debuted on Broadway to rapturous reviews for its star studded creative team including creators Eric Idle and John du Prez director Mike Nichols and stars Hank Azaria David Hyde Pierce Sara Ramirez Tim Curry and more But long before the show was the toast of Broadway and the winner of three Tony Awards it was an idea threatening to fizzle out before it could find its way into existence Now in The Spamalot Diaries Eric Idle shares original journal entries and raw email exchanges all featuring his whip smart wit that reveal the sometimes bumpy always entertaining path to the show s unforgettable run In the months leading up to that opening night financial anxieties were high with a low ceiling budget and expectations that it would take two years to break even Collaborative disputes put decades long friendships to the test And the endless process of rewriting was a task as passionate as it was painstaking Still there s nothing Idle would change about that year Except for the broken ankle He could do without the broken ankle Chronicling every minor mishap and triumph along the way as well as the creative tension that drove the show to new heights The Spamalot Diaries is an unforgettable look behind the curtain of a beloved musical and inside the wickedly entertaining mind of one of our most treasured comic performers **Monty Python's Spamalot**

Monty Python's Spamalot, 2015 **Monty Python's Spamalot** John Du Prez, 2005 Typescript dated Mar 17 2005
Lacks music Heavily marked with colored ink by the videographer Used by The New York Public Library's Theatre on Film and Tape Archive on Dec 14 2005 when videotaping the stage production at the Shubert Theatre New York N Y The production was directed by Mike Nichols It starred David Hyde Pierce Tim Curry and Hank Azaria **Monty Python's Spamalot** John Du Prez, Eric Idle, 2005 A new musical lovingly ripped off from the motion picture Monty Python and the Holy Grail *Monty Python's Spamalot* Judy Samelson, Louis Botto, 2007 *From Camelot to Spamalot* Megan Woller, 2021 For centuries Arthurian legend has captured imaginations throughout Europe and the Americas with its tales of Camelot romance and chivalry The ever shifting age old tale of King Arthur and his world is one which depends on retellings for its endurance in the cultural imagination Using adaptation theory as a framework *From Camelot to Spamalot* foregrounds the role of music in selected Arthurian adaptations examining six stage and film musicals The book considers how musical versions in twentieth and twenty first century popular culture interpret the legend of King Arthur contending that music guides the audience to understand this well known tale and its characters in new and unexpected ways All of the productions considered include an overtly modern perspective on the legend intruding and even commenting on the tale of King Arthur Shifting from an idealistic utopia to a silly place the myriad notions of Camelot offer a look at the importance of myth in American popular culture Author Megan Woller's approach rooted in the literary theory of scholars like Linda Hutcheon highlights the intertextual connections between chosen works and Arthurian legend In so doing *From Camelot to Spamalot* intersects with and provides a timely contribution to several different fields of study from adaptation studies and musical theater studies to film studies and Arthurian studies **Monty Python's Spamalot**, 2015 Python beyond Python Paul N. Reinsch, B. Lynn Whitfield, Robert G. Weiner, 2017-07-14 This collection of original interdisciplinary essays addresses the work of Monty Python members beyond the comedy show films and live performances These men are prolific creators in a variety of artistic realms beyond the confines of the comedy troupe Their work as individuals before and after coming together as Monty Python demonstrates a restless curiosity about culture that embraces absurdity but seldom becomes cynical Python members collectively and individually create unique approaches to theatre film video games comic books business training videos and more Python Beyond Python increases our understanding of this often neglected work and the meanings of Monty Python **Monty Python's Spamalot**, As gleefully silly yet wickedly smart as the beloved British comedy troupe and their 1975 cinematic savaging of the Arthurian legend that inspired it this adaptation of Monty Python and the Holy Grail by MP's Eric Idle and longtime musical co-conspirator John Du Prez has much more on its feverish agenda than merely trashing King Arthur and firmly upending his Round Table The film's plot remains largely intact but its core songs Knights of the Round Table Brave Sir Robin and comic thrust have been both expanded and satirically redirected a

musical comedy shotgun that takes dizzy aim at pop culture in general and Broadway in particular After typically Pythonesque distractions that somehow find us in Finland stars David Hyde Pierce Tim Curry Hank Azaria and company get busy conjuring the Lady of the Lake with the unlikely help of Laker Girls while cast members Sara Ramirez and Christopher Sieber deliciously skewer contemporary Broadway cliches via the loopy showstopper The Song That Goes Like This a tune whose reprise also deliciously sends up every overwrought stage diva from Merman to Minelli Idle has shrewdly ripped off well interpolated Life of Brian s Always Look On the Bright Side for the new show and even a snatch of The Lumberjack Song in He Is Not Dead Yet You Won t Succeed on Broadway reveals the frankly Semitic secret to stage success and the French get can canned on Run Away Meanwhile our bravest knight is de closeted on the Manilow mauling His Name is Lancelot before the familiar sound of clomping coconut shells brings down the curtain on the season s goofiest if satirically dead on comic delight
