First Spring Phyllis Méras, 1972 **Love You Bye** Scott Mills, 2012-08-30 The story of how a painfully shy boy from the suburbs of Southampton made it to the biggest radio station in the UK and just about managed to stay there Scott Mills is a daily companion to millions of listeners as the host of the afternoon show on Radio 1 a station that has been his home for over 14 years Whether regaling us with a typically embarrassing celebrity anecdote or trying to control a particularly chaotic round of Innuendo Bingo his company is always brilliantly entertaining thanks to his infectious enthusiasm and easygoing manner But behind the microphone sits a man whose route to the top has been anything but straightforward In this witty and endearingly honest autobiography Scott

describes his incredible career and the hurdles he's faced along the way. Aside from the sometimes humiliating and frequently hilarious jobs that are part and parcel of a local radio DJ's apprenticeship, he's had to deal with crippling anxiety attacks, alcohol and weight issues, and a great deal more over the years. But his desire to land his dream job has always prevailed, and he's now one of the nation's favourite radio and television broadcasters, travelling the world on both serious assignments and altogether more bizarre adventures. From washing cars on a garage forecourt off the A4 in the name of radio entertainment to encounters with some of the world's biggest celebrities, *Love You Bye* provides Scott's legions of fans with a fascinating look at the man whose voice they know so well. *The Publishers Weekly*, 2004

Pennies From Across the Veil Dennis Higgins, 2015-11-05 *Pennies From Across the Veil* is a love story about death. Karl Himmel tells the story to an unknown presence of how he met, fell in love and married the woman of his dreams, Jenny Engels. But at the time of the telling, Karl and Jenny find themselves on different sides of the veil, the separation we call death. But not even death can stop true love. Powerful signs come to those from loved ones who have passed. They can be found any and everywhere we just need to look for them. The most significant for Karl and Jenny was the finding of numerous wheat back pennies. However, could there have been many others, and did these signs have a deeper meaning?

Not "Just" a Lunch Lady Hope Smith, 2024-12-04 What if I said you don't have to travel to the other side of the world to find or heal yourself like they show you in the movies? You can do it in your own backyard. I have called many places home, including a floating city aboard an aircraft carrier and inside the walls of a Conex box, large metal cargo container, with a roommate in a war zone. I even lived among the orange and lemon orchards and beautiful beaches of Sicily. I have flown on some of the coolest military aircraft in the company of high-ranking Officers, listened to the sounds of mortars and volcano eruptions outside my window on a nightly basis. I have experienced first-hand the challenges and proud accomplishments that can come with being a woman in the military. I am neither rich nor famous, but I have been through the good, the bad, and the ugly. This book is the story of my life, fully lived, in spite of my lifelong struggle with depression and anxiety. It is about somehow always finding a reason to smile. This book will assure you it is okay to be angry, to grieve, to take your time, forgiving others, to make mistakes. Remind yourself that you can't control the actions of others. This book is a guide to smoothly and sometimes not so smoothly navigating this moody ocean called life. Hope anchors your soul to life when nothing else keeps you from the depths of despair.

The Advocate, 2008

Listen to Your Child David Crystal, 1989-01-26 Learning to talk is probably the greatest milestone in a child's development, a deeply moving and often hilarious experience for all parents. In this charming and informative book, Britain's leading expert on the English language talks you through every stage in your child's language development.
