The Routledge Companion to Theatre-Fiction Graham Wolfe, 2023-11-14 Novelists have long been attracted to theatre Some have pursued success on the stage but many have sought to combine these worlds entering theatre through their fiction setting stages on their novels pages and casting actors directors and playwrights as their protagonists The Routledge Companion to Theatre Fiction has convened an international community of scholars to explore the remarkable array of novelists from many eras and parts of the world who have created fiction from the stuff of theatre asking what happens to theatre on the pages of novels and what happens to novels when they collaborate with theatre From J W Goethe to Louisa May Alcott Mikhail Bulgakov Virginia Woolf and Margaret Atwood some of history's most influential novelists have written theatre fiction and this Companion discusses many of these figures from new angles But it also spotlights writers who have received less critical attention such as Dorothy Leighton Agustín de Rojas Villandrando Ronald Firbank Syed Mustafa Siraj Li Yu and Vicente Blasco Ibáñez bringing their work into conversation with a vital field A valuable resource for students scholars and admirers of both theatre and novels The Routledge Companion to Theatre Fiction offers a wealth of new perspectives on topics of increasing critical concern including intermediality theatricality antitheatricality mimesis diegesis and performativity

Beyond Babar Sandra L. Beckett, Maria Nikolajeva, 2006-08-19 All too often attention is paid only to those children's novels that were written in English with non English language works being passed over and neglected Beyond Babar The European Tradition in Children's Literature examines eleven of the most celebrated European children's novels in substantial critical essays written by well known international scholars This approach provides a comprehensive discussion of the selected works from a variety of theoretical perspectives Each essay offers a critical introduction to the text that can serve as a point of departure for literary scholars professors of children's literature primary and secondary school teachers and librarians who are interested in texts that cross languages and cultures Beyond Babar is especially meant to assist instructors of children's literature who would like to use these texts in the classroom in order to begin to redress the English language dominance of many children's literature courses This volume will also be of interest to the general public as its ultimate aim is to bring to the attention of all English speaking readers the literature from other parts of the world in this case from Europe Beyond Babar helps to facilitate the border crossings of these European masterpieces of children's

literature into the English speaking world **Tales from Moominvalley** Tove Jansson,2014-09-02 If you haven't met a Moomin yet you're missing the most magical fun. Perfect for readers of all ages join the beloved world famous characters of Moominvalley on an unforgettable adventure. In *Tales from Moominvalley* includes black and white illustrations throughout. In the 80 years since the first Moomin novel appeared Tove Jansson's timeless stories have continued to captivate audiences across the globe with their adventure, humor and endless wisdom. Whether you're a lifelong fan or a first time visitor to Moominvalley these classic books are a must have for anyone who wishes the world was a bit more magical. The original Moomin novels by Tove Jansson: *Comet in Moominland*, *Finn Family Moomintroll*, *Moominpappa's Memoirs*, *Moominsummer Madness*, *Moominland Midwinter*, *Tales from Moominvalley*, *Moominpappa at Sea*, *Moominvalley in November*. Books for the littlest Moomin fans up to 3 years old: *Moomin's Lift the Flap*, *Hide and Seek with Big Flaps for Little Hands*, *Moomin's Little Book of Numbers*, *Moomin's Little Book of Words*. [The Story Cure](#) Ella Berthoud, Susan Elderkin,2016-10-27 The stories that shape our children's lives are too important to be left to chance. With *The Story Cure* bibliotherapists Ella Berthoud and Susan Elderkin have put together the perfect manual for grown ups who want to initiate young readers into one of life's greatest pleasures. There's a remedy for every hiccup and heartache whether it's between the covers of a picture book, a pop up book or a YA novel. You'll find old favourites like *The Borrowers* and *The Secret Garden* alongside modern soon to be classics by Michael Morpurgo, Malorie Blackman and Frank Cottrell Boyce as well as helpful lists of the right reads to fuel any obsession from dogs or dinosaurs, space or spies. Wise and witty *The Story Cure* will help any small person you know through the trials and tribulations of growing up and help you fill their bookshelves with adventure, insight and a lifetime of fun. *Tove Jansson* Tuula Karjalainen,2014-11-27 The definitive illustrated biography of one of the most unique and beloved children's authors of the 20th century, the creator of the Moomins, Tove Jansson 1914-2001 led a long, colourful and productive life impacting significantly the political, social and cultural history of 20th century Finland. And while millions of children have grown up with *Little My*, *Snufkin*, *Moomintroll* and the many creatures of Moominvalley, the life of Jansson, daughter, friend and companion, is more touching still. This book weaves together the myriad qualities of a painter, author, illustrator, scriptwriter and lyricist from fraught beginnings through fame, war and heartbreak and ultimately to a peaceful end. [Crossing Textual Boundaries in International Children's Literature](#) Lance Weldy,2011-01-18 As the first part of the title indicates, my interest in looking at intertextuality and transformation still maintains a prominent place throughout this book as well. If we believe that no text is an island, then we will understand that the relationships between and within texts across the years become a fascinating place for academic inquiry. I included the word boundaries into the title because we never get tired of voicing our

opinions about texts which traverse relegated boundaries such as genre or medium Not only am I interested in discussing what these changes across boundaries mean socially historically and culturally but also what they mean geographically which accounts for the second part of my title I am very excited that this book will be placing even more emphasis on children's literature in an international scene than my first book did in the sense that I have added more scholars on an international level I hesitate to list the nationalities of all of the contributors here because quite a few have themselves crossed international boundaries in different ways by either studying abroad or finding permanent residency in foreign countries Nevertheless the writers have lived extensively in or identify as being from Australia Canada England Finland Germany Greece Iceland Ireland Israel Norway Spain Sweden Turkey the United States of America and Wales

Introduction On the Subject of Values ... and the Value of Subjects: New thinking to guide schools through the curriculum Bridget Knight, 2022-12-02 Education is a values based experience Consciously or not we are highly attuned to one another's values We see time and again that the best schools are compelled and propelled by strong values which inspire and guide the creation of a meaningful context for learning and an aspirational ethos However values can often be submerged overlooked or ignored By infusing our teaching with values both explicit and implicit learning can serve a greater purpose nourishing us as humans and deepening our experience Drawing on the views and inspired teaching practice of a range of contributors this book offers both the theoretical underpinning and practical examples to bring values to life in the classroom It shows how each subject has a unique and valuable role and how a values based culture generates a powerful climate for successful learning in every subject discipline It is a bedside book that will bring joy and practical support to the many professionals who work from the heart and wish to touch the future It offers validation to those teachers who deeply care about the subject disciplines they teach ultimately making a difference to children their lives and their world In our current educational context this work is unashamedly people orientated futures thinking and forward facing

Arctic Hysteria and Other Strange Northern Emotions Riikka Rossi, Sarianna Kankkunen, Elise Nykänen, 2024-10-24 This volume opens a new perspective on the thriving area of research on the imagined North by studying emotions in the light of case studies in Finnish literature It addresses the cultural history of Arctic hysteria and maps other strange emotions depicted and evoked in literature of the Finnish North The case studies range from the works of internationally renowned authors such as Rosa Liksom Emmi Itäranta and Tove Jansson to the affectively controversial and provocative writings of Timo K. Mukka Marko Tapio and Pentti Linkola By focusing on the imagined North in the literature of modernism and late modernity the authors offer fresh views on experiences of modernisation and the changing Northern environment in the age of the Anthropocene The book is intended for scholars and students in literary studies together with everyone interested in the imagined North and emotion Finnish literature and culture

The Idea of North Peter Davidson,2005-04-15 While a compass might tell us which direction we are going there is really only one direction to which it ever points north North is the ultimate point of orientation but it is also a celebrated destination for the adventurous the curious the solitary and the foolhardy In this fascinating book updated in this accessible pocket edition Peter Davidson explores the concept of north through its many manifestations in painting legend and literature Arctic bound Davidson takes the reader on a journey from the heart of society to the most far flung outposts of human geography packing in our rucksacks a treasure trove of stories and artworks from the Icelandic Sagas to Nabokov s snowy kingdom of Zembla from Hans Christian Andersen s forbidding Snow Queen to the works of artists such as Eric Ravilious Ian Hamilton Finlay and Andy Goldsworthy He celebrates the different ways our artists and writers have illuminated our relationship with the earth s most dangerous and austere terrain Through Davidson s astonishing but inviting erudition we ultimately come to see north as a permanent goal frozen forever on a horizon we never seem to quite reach
