rural South to cities in the North West and Mid West during the first three decades of the twentieth century By the onset of the Depression the Black population had become primarily urban transforming individual lives as well as urban experience and culture Massood probes into the relationship of place and time showing how urban settings became an intrinsic element of African American film as Black people became more firmly rooted in urban spaces and more visible as historical and political subjects Illuminating the intersections of film history politics and urban discourse she considers the chief genres of African American and Hollywood narrative film the black cast musicals of the 1920s and the race films of the early sound era to blaxploitation and hood films as well as the work of Spike Lee toward the end of the century As it examines such a wide range of films over much of the twentieth century this book offers a unique map of Black representations in film The Hudson Stephen P. Stanne,1996 Illustrations maps and text distilled from the best research on the Hudson s habitats and history invite you to explore the river yourself The Fall of America Journals, 1965-1971 Allen Ginsberg,2020-11-10 An autobiographical journey through America in the turbulent 1960s the essential backstory to Ginsberg s National Book Award winning volume of poetry Published in 1974 The Fall of America was Allen Ginsberg s magnum opus a poetic account of his experiences in a nation in turmoil What his National Book Award winning volume documented he had also recorded playing a reel to reel tape machine given to him by Bob Dylan as he traveled the nation s byways and visited its cities finding himself again and again in the midst of history in the making or unmaking Through a wealth of autopoetry transcriptions of these recorded poems published here for the first time in the poet s journals of this period Ginsberg can be overheard collecting the observations events reflections and conversations that would become his most extraordinary work as he witnessed America at a time of historic upheaval and gave voice to the troubled soul at its crossroads The Fall of America Journals 1965 1971 contains some of Ginsberg s finest spontaneous writing accomplished as he pondered the best and worst his country had to offer He speaks of his anger over the war in Vietnam the continuing oppression of dissidents intractable struggles and experiments with drugs and sexuality He mourns the deaths of his friends Neal Cassady and Jack Kerouac parses the intricacies of the presidential politics of 1968 and grapples with personal and professional challenges in his daily life An essential backstory to his monumental work the journals from these years also reveal drafts of some of his most highly regarded poems including Wichita Vortex Sutra Wales Visitation On Neal s Ashes and Memory Gardens as well as poetry published here for the first time and his notes on many of his vivid and detailed dreams Transcribed edited and annotated by Michael Schumacher a writer closely associated with Ginsberg s life and work these journals are nothing less than a first draft of the poet s journey to the heart of twentieth century America *Redreaming America* Debra A. Castillo,2012-02-01 What would American literature look like in languages other than English and what would Latin American literature look like if we understood the United States to be a Latin American country and took seriously the work by U S Latinos as in Spanish Debra A Castillo explores these questions by highlighting the contributions of Latinos as writing in Spanish and Spanglish

Beginning with the anonymously published 1826 novel *Jicotncal* and ending with fiction published at the turn of the twenty first century the book details both the characters and authors struggles with how to define an American self Writers from Cuba Puerto Rico and Mexico are featured prominently alongside a sampling of those writers from other Latin American heritages Peru Colombia Chile Castillo concludes by offering some thoughts on U S curricular practice

Transfiction and Bordering Approaches to Theorizing Translation D. M. Spitzer, Paulo Oliveira, 2022-08-23 This collection seeks to expand the centers from which scholars theorize translation building on themes in Rosemary Arrojo s pioneering work on transfiction and the influence of bordering disciplines in investigating and elucidating questions central to the field of translation studies Chapters by scholars around the world theorize translation from diverse perspectives drawing on a wide range of literatures genres and media including fiction philosophy drama and film Half the chapters explore the influence of Rosemary Arrojo s work on transfiction and the ways in which fictional representations of translators and translation can shed new light on theoretical concerns The other chapters look to fields outside translation studies such as linguistics media studies and philosophy to demonstrate the ways in which the key thinkers and theories that have influenced Arrojo s work can be seen in other disciplines and in turn encourage further cross disciplinary research interrogating key questions in the field The collection makes the case for a multi layered approach to theorizing translation one which accounts for the rich possibilities in revisiting existing work and thinking outside disciplinary boundaries in order to advance the field This book will be of interest to students and scholars in translation studies and comparative literature

Fighting Fascist Spain Montse Feu, 2020-05-25 In the 1930s anarchists and

socialists among Spanish immigrants living in the United States created *Espa a Libre* Free Spain as a response to the Nationalist takeover in their homeland Worker oriented and avowedly antifascist the grassroots periodical raised money for refugees and political prisoners while advancing left wing culture and politics *Espa a Libre* proved both visionary and durable charting an alternate path toward a modern Spain and enduring until democracy's return to the country in 1977 Montse Feu merges *Espa a Libre*'s story with the drama of the Spanish immigrant community's fight against fascism The periodical emerged as part of a transnational effort to link migrants and new exiles living in the United States to antifascist networks abroad In addition to showing how workers culture and politics shaped their antifascism Feu brings to light creative works that ranged from literature to satire to cartoons to theater As *Espa a Libre* opened up radical practices it encouraged allies to reject violence in favor of social revolution's potential for joy and inclusion

Rhubarb in the Catbird Seat Red Barber, 1997-01-01 For more than fifty years Red Barber was the voice of baseball The game was broadcast sporadically until the late 1930s when Barber burst into prominence by bringing it home to radio listeners play by play More than half a century later he could still be heard broadcasting over National Public Radio from his retirement home in Tallahassee Announcing for the Brooklyn Dodgers and later for the New York Yankees he became a legend long before his death in 1992 Red's story reveals the growth and changes in baseball over the years the demands of sportscasting and the difference between radio and television reporting Here is Red giving major play by plays of his own life and career with characteristic wit and integrity
