Moonbase One:

The Telescopic Tourist's Guide to the Moon Andrew May, 2017-06-29 Whether you're interested in visiting Apollo landing sites or the locations of classic sci fi movies this is the tourist guide for you This tourist guide has a twist it is a guide to a whole different world which you can visit from the comfort of your backyard with the aid of nothing more sophisticated than an inexpensive telescope It tells you the best times to view the Moon the most exciting sights to look out for and the best equipment to use allowing you to snap stunning photographs as well as view the sights with your own eyes Have you ever been inspired by stunning images from the Hubble telescope or the magic of sci fi special effects only to look through a small backyard telescope at the disappointing white dot of a planet or faint blur of a galaxy Yet the Moon is different Seen through even a relatively cheap scope it springs into life like a real place with mountains and valleys and rugged craters With a bit of imagination you can even picture yourself as a sightseeing visitor there which in a sense you are *Moonrise* Ben

Bova, 2010-02-16 An epic novel of lunar conquest from the New York Times bestselling and six time Hugo Award winning author of *Mars Orlando Sentinel* In the twenty first century the world is on the brink of a scientific renaissance about to birth a future where space has become privatized and the moon transforms into a fertile commercial ground As former astronaut Paul Stavenger works to turn a handful of abandoned government moon shelters into a full fledged moonbase powerful corporate lobbies align against him Against the neo Luddites is Masterson Aerospace a company funding and creating major scientific breakthroughs But Masterson is nearly crippled when its CEO commits suicide and his wife Joanna backs her lover Paul Stavenger the former astronaut over her mentally unbalanced son Greg in the board election that follows her husband's death So begins a power struggle that leads to murder and the ultimate conflict over Moonbase Ben Bova is trying to make us grow up There's certainly enough techie ornamentation both in theory and in plausible practice to satisfy the pocket protector crowd but there's also more and better developed conflict among characters than many folks would expect *The San Diego Union Tribune*

The Dawning Light Randall Garrett, 2022-05-17 In *The Dawning Light* Randall Garrett weaves a compelling narrative that fuses science fiction with philosophical inquiry The novel explores the existential ramifications of a new energy source that promises to transform human civilization Written in a style that echoes the speculative depth of Isaac Asimov and the narrative pacing of Arthur C Clarke Garrett invites readers into a world where technology serves as both savior and potential doom The prose is marked by clarity and precision allowing deep themes of moral responsibility and human ambition to unfold seamlessly against a backdrop of engaging character dynamics and intricate plot development Randall Garrett a prominent figure in mid 20th century science fiction crafted his work during a time of significant technological advancement and social upheaval His background in law and his keen interest in the implications of scientific progress informed his storytelling allowing him to examine the ethical dilemmas inherent in innovation Garrett's experiences and concerns regarding societal transformation undeniably influenced the philosophical underpinnings of *The Dawning Light*

prompting readers to reflect on their relationship with emerging technologies I highly recommend *The Dawning Light* to readers who appreciate thought provoking science fiction that challenges the limits of human ingenuity This novel not only entertains but also provokes crucial questions about the future of humanity making it a significant read for anyone interested in the interplay of technology ethics and society **British Trash Cinema** Ian Hunter,2019-07-25 **BRITISH TRASH**

CINEMA is the first overview of the wilder shores of British exploitation and cult paracinema from the 1950s onwards From obscure horror science fiction and sexploitation to art house camp Hammer's prehistoric fantasies and the worst British films ever made author I Q Hunter draws on rare archival material and new primary research to take us through the weird and wonderful world of British trash cinema Beginning by outlining the definitions of trash films and their place in British film history Hunter explores topics including Hammer's overlooked fantasy films the emergence of the sexploitation film in the 1950s and 60s the sex industry in the 1970s Ken Russell's high camp Gothic and erotic adaptations since the 1980s gross out comedies revenge films and contemporary straight to DVD horror and erotica **RANDAL GARRETT Ultimate**

Collection: Space Adventures, Supernatural Mysteries & Other SF Tales Randall Garrett,2023-12-16 The **RANDAL GARRETT Ultimate Collection** Space Adventures Supernatural Mysteries Other SF Tales showcases the diverse range of science fiction writings by author Randall Garrett Known for his imaginative storytelling and detailed world building Garrett's works often combine elements of space exploration supernatural occurrences and thought provoking concepts The collection features a variety of short stories and novellas that captivate readers with their unique plots and engaging narratives making it a must read for fans of classic science fiction literature Garrett's literary style is characterized by his vivid descriptions and intricate plot developments that keep readers eagerly turning pages His ability to blend genres and explore complex themes adds depth to each story creating a rich and rewarding reading experience Through his exploration of futuristic technologies and otherworldly phenomena Garrett invites readers to contemplate the possibilities of the universe and the nature of humanity Those interested in thought provoking science fiction tales that push the boundaries of imagination will find the **RANDAL GARRETT Ultimate Collection** a captivating and worthwhile read *People Of The Tiger -*
