

Moral Theory

- **Consequentialist theory**—Asserts that the rightness of actions depends solely on their consequences
- **Deontological theory**—Asserts that the rightness of actions is determined partly or entirely by their intrinsic value

Moral Theory

Nora Hemmelen

Moral Theory:

Moral Theory Mark Timmons, 2002 Mark Timmons introduces students to some of the aims and methods of evaluating a moral theory whilst the remaining chapters of this volume examine some of the most prevalent theories of both a religious and non religious nature

Moral Theory Mark Timmons, 2022-01-17 *Moral Theory An Introduction* explores some of the historically most important and currently debated moral theories about the nature of the right and the good including divine command theory relativism natural law theory consequentialism egoism Kant's ethics ethics of prima facie duties contractualism virtue ethics and care ethics Providing an introduction to moral theory that explains and critically examines the theories of such classical philosophers as Aristotle Aquinas Bentham Kant Mill and Ross this book acquaints students with the work of contemporary moral philosophers Each chapter has been revised and updated The third edition includes a new chapter on moral contractualism and an extensively revised chapter on virtue ethics and care ethics Additionally the book discusses recent work by moral psychologists making an impact on moral theory

Moral Theory Mark Timmons, 2022-01-17 *Moral Theory An Introduction* explores some of the historically most important and currently debated moral theories about the nature of the right and the good including divine command theory relativism natural law theory consequentialism egoism Kant's ethics ethics of prima facie duties contractualism virtue ethics and care ethics Providing an introduction to moral theory that explains and critically examines the theories of such classical philosophers as Aristotle Aquinas Bentham Kant Mill and Ross this book acquaints students with the work of contemporary moral philosophers Each chapter has been revised and updated The third edition includes a new chapter on moral contractualism and an extensively revised chapter on virtue ethics and care ethics Additionally the book discusses recent work by moral psychologists making an impact on moral theory

Applying Moral Theories Charles Edwin Harris, 1997 This concise and practical text explains basic theories and clearly demonstrates to students how to apply the theories Students are shown how to analyze a moral problem into its components factual issues conceptual issues and moral issues

Morality and Moral Theory Robert B. Louden, 1992-05-28 Contemporary philosophers have grown increasingly skeptical toward both morality and moral theory Some argue that moral theory is a radically misguided enterprise that does not illuminate moral practice while others simply deny the value of morality in human life In this important new book Louden responds to the arguments of both anti morality and anti theory skeptics In Part One he develops and defends an alternative conception of morality which he argues captures more of the central features of both Aristotelian and Kantian ethics than do other contemporary models and enables the central importance of morality to be convincingly reaffirmed In Louden's model morality is primarily a matter of what one does to oneself rather than what one does or does not do to others This model eliminates the gulf that many anti morality critics say exists between morality's demands and the personal point of view Louden further argues that morality's primary focus should be on agents and their lives rather than on right actions and that it is always better to be morally better i.e. it is

impossible to be too moral Part Two presents Louden's alternative conception of moral theory Here again he draws on the work of Aristotle and Kant showing that their moral theories have far more in common than is usually thought and that those features that they share can be the basis for a viable moral theory that is immune to the standard anti theory objections Louden reaffirms the necessity and importance of moral theory in human life and shows that moral theories fulfill a variety of genuine and indispensable human needs

Moral Theory G. C. Field, 2020-07-20 Originally published in 1921 updated in 1932 and re issued in 1966 with an introduction by Stephan Körner this book remains a classic introduction to the study of ethics It clearly explains both the Aristotelian and the Kantian approach to ethical problems by combining the advantages of a historical and systematic introduction Much of the book is devoted to Aristotle and Kant whose moral theories are important and who are influential forces in contemporary moral philosophy

Moral Theory Guy Cromwell Field, 1921
After Virtue Alasdair MacIntyre, 2007-03-06 When *After Virtue* first appeared in 1981 it was recognized as a significant and potentially controversial critique of contemporary moral philosophy Newsweek called it a stunning new study of ethics by one of the foremost moral philosophers in the English speaking world Since that time the book has been translated into more than fifteen foreign languages and has sold over one hundred thousand copies Now twenty five years later the University of Notre Dame Press is pleased to release the third edition of *After Virtue* which includes a new prologue *After Virtue* after a Quarter of a Century In this classic work Alasdair MacIntyre examines the historical and conceptual roots of the idea of virtue diagnoses the reasons for its absence in personal and public life and offers a tentative proposal for its recovery While the individual chapters are wide ranging once pieced together they comprise a penetrating and focused argument about the price of modernity In the Third Edition prologue MacIntyre revisits the central theses of the book and concludes that although he has learned a great deal and has supplemented and refined his theses and arguments in other works he has as yet found no reason for abandoning the major contentions of this book While he recognizes that his conception of human beings as virtuous or vicious needed not only a metaphysical but also a biological grounding ultimately he remains committed to the thesis that it is only from the standpoint of a very different tradition one whose beliefs and presuppositions were articulated in their classical form by Aristotle that we can understand both the genesis and the predicament of moral modernity

Literature and Moral Theory Nora Hämäläinen, 2017-05-18 *Literature and Moral Theory* investigates how literature in the past 30 years has been used as a means for transforming the Anglo American moral philosophical landscape which until recently was dominated by certain ways of doing theory It illuminates the unity of the overall agenda of the ethics literature discussion in Anglo American moral philosophy today the affinities and differences between the separate strands discernible in the discussion and the relationship of the ethics literature discussion to other complexly overlapping trends in late 20th century Anglo American moral philosophy neo Aristotelianism post Wittgensteinian ethics particularism and anti theory It shows why contemporary philosophers have felt the need for literature how they have

come to use it for their own philosophically radical purposes of understanding and argument and thus how this turn toward literature can be used for the benefit of a moral philosophy which is alive to the varieties of lived morality **Moral Theory** David S. Oderberg, 2000-05-18 Moral Theory sets out the basic system used to solve moral problems the system that consequentialists deride as traditional morality The central concepts principles and distinctions of traditional morality are explained and defended rights justice the good virtue the intention foresight distinction the acts omissions distinction and centrally the fundamental value of human life **Abortion and Moral Theory** L. W. Sumner, 2014-07-14 At the heart of the current debate over abortion is the question of what is at stake for the liberal feminist group it is the woman's autonomy over her own body for the conservative pro life group it is the life of the fetus itself Rejecting both of these views as extremes L W Sumner opts for a moderate position for which he provides a moral foundation Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **A Moral Theory of Liveliness** Assistant Professor of Philosophy and Research Associate in Philosophy Kirk Lougheed, Kirk Lougheed, 2025 The book is about providing a novel African moral theory this means it provides a theory about what actions are permissible or impermissible It does this by mining descriptive works of an African indigenous concept called life force The book shows that there is a plausible way to secularise life force so the theory does not have to be inherently religious The author argues that the theory does better at explaining various intuitions and hard cases than utilitarianism and other African moral theories like those that focus on personhood or relational harmony It also contains a substantial section on metaethics which is about what grounds morality [The Moral Theory of Poststructuralism](#) Todd May, 2010-11-01 *Ethics: Essential Readings in Moral Theory* George Sher, 2012-11-27 Ethics Essential Readings in Moral Theory is an outstanding anthology of the most important topics theories and debates in ethics compiled by one of the leading experts in the field It includes sixty six extracts covering the central domains of ethics why be moral the meaning of moral language morality and objectivity consequentialism deontology virtue and character value and well being moral psychology applications including abortion famine relief and consent Included are both classical extracts from Plato Aristotle Hume Kant and Mill as well as contemporary classics from philosophers such as Thomas Nagel Thomas Scanlon Martha Nussbaum Derek Parfit and Peter Singer A key feature of the anthology is that it covers the perennial topics in ethics as well as very recent ones such as moral psychology responsibility and experimental philosophy Each section is introduced and placed in context by the editor making this an ideal anthology for anyone studying ethics or ethical theory **Moral Theory at the Movies** Dean Kowalski, 2011-12-08 Moral Theory at the Movies provides students with a wonderfully approachable

introduction to ethics The book incorporates film summaries and study questions to draw students into ethical theory and then pairs them with classical philosophical texts The students see how moral theories dilemmas and questions are represented in the given films and learn to apply these theories to the world they live in There are 36 films and a dozen readings including Thank you for Smoking Plato s Gorgias John Start Mill s Utilitarianism Hotel Rwanda Plato s Republic and Horton Hears a Who Topics cover a wide variety of ethical theories including ethical subjectivism moral relativism ethical theory and virtue ethics Moral Theory at the Movies will appeal to students and help them think about how philosophy is relevant today

Moral Theory Mark Timmons,2012-11-29 *Moral Theory* An Introduction explores some of the most historically important and currently debated moral theories about the nature of the right and good Providing an introduction to moral theory that explains and critically examines the theories of such classical moral philosophers as Aristotle Aquinas Kant Bentham Mill and Ross this book acquaints students with the work of contemporary moral philosophers All of the book s chapters have been revised in light of recent work in moral theory The second edition includes a new chapter on ethical egoism an extensively revised chapter on moral particularism and expanded coverage of divine command theory moral relativism and consequentialism Additionally this edition discusses recent work by moral psychologists that is making an impact on moral theory

Contemporary Debates in Moral Theory James Dreier,2009-02-04 *Contemporary Debates in Moral Theory* features pairs of newly commissioned essays by some of the leading theorists working in the field today Brings together fresh debates on the most controversial issues in moral theory Questions include Are moral requirements derived from reason How demanding is morality Are virtues the proper starting point for moral theorizing Lively debate format sharply defines the issues and paves the way for further discussion Will serve as an accessible introduction to the major topics in contemporary moral theory while also capturing the imagination of professional philosophers

The Radical Choice and Moral Theory Zhenming Zhai,1994-10-31 In a crisp original style the author approaches the crucial question of moral theory the is ought problem via communicative argumentation Moving to the end of Habermas s conception of the communicative action he introduces the concept of radical choice as the key to the transition from the descriptive to the normative Phenomenological subjectivity of the intersubjective life world is being vindicated as the arch value of all derivative values or the first principle for all normative precepts With exceptional acumen and mastery of the philosophical argument the author a young native Chinese lately trained in a Western university delineates a fascinating route along which the philosophical question of justification raised in the analytic tradition can be answered on the basis of phenomenology A noteworthy contribution to the interplay between the Anglo American and Continental schools of philosophy

Moral Philosophy and Moral Life Anne-Marie Søndergaard Christensen,2020-12-03 *Moral Philosophy and Moral Life* addresses the questions of the role of moral philosophy and its relationship to our ordinary moral lives Christensen s argument is motivated by the belief that one of the most important obstacles for doing work in moral philosophy today is the lack of a

coherent answer to the question of the role and status of moral philosophy and the theories it develops The first part untangles various criticisms of the dominant view of moral theories that challenge the explanatory foundational authoritative and action guiding role of these theories It also offers an alternative understanding of moral theories as descriptions of moral grammar The second part investigates the nature of the particularities relevant for an understanding of moral life both particularities tied to the moral subject her character her commitments and her moral position and particularities tied to the context of the subject her moral community and her language The final part marks a return to moral philosophy and addresses the wider question of what the revised conception of moral theories and the affirmation of the value of the particular mean for moral philosophy by developing a descriptive pluralistic and elucidatory conception of moral philosophy While the scope of the argument is wide the aims are more moderate to present an understanding of descriptive moral philosophy aimed at spurring debate about the status and role of moral philosophy in relation to our moral lives

Dimensions of Moral Theory Jonathan Jacobs, 2008-04-15 Dimensions of Moral Theory examines the key presuppositions and philosophical commitments that support and shape moral theories

This is likewise one of the factors by obtaining the soft documents of this **Moral Theory** by online. Moral Theory Introduction

In the digital age, access to information has become easier than ever before. The ability to download Moral Theory has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Moral Theory has opened up a world of possibilities. Downloading Moral Theory provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Moral Theory has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Moral Theory. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Moral Theory. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Moral Theory, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal

personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Moral Theory has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Moral Theory Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
