Transformative Pacifism Andrew Fiala, 2018-08-23 Defending pacifism against the charge that it is na vely utopian *Transformative Pacifism* offers a critical theory of the existing world order and points in the direction of concrete ethical and political action Pacifism is a transformative philosophy with wide ranging implications It aims to transform political social and psychological structures Its focus is deep and wide It is similar to other transformative social theories feminism ecology animal welfare cosmopolitanism human rights theory Indeed behind those theories is often the pacifist idea that violence power and domination are wrong Pacifist theory raises consciousness about unjustifiable violence This in turn leads to transformations in practical life Many other books defend nonviolence and pacifism by focusing on failed justifications of war as well as on the strategic value of nonviolence This book begins by reviewing and accepting those sort of arguments It then focuses on what a commitment to pacifism and nonviolence means in terms of a variety of practical issues Pacifists reject the violent presuppositions of a society based upon power strength nationalism and the system of militarized nation states Pacifism transforms psychological social political and economic life This book will be of interest to those who are disenchanted with ongoing violence violent rhetoric terrorism wars and the war industry It gives anyone with pacifist sympathies reassurance pacifists are not wrong to think that violence and war are

immoral irrational and insane and that there is always an alternative The World After GDP Lorenzo Fioramonti,2017-06-30 GDP is much more than a simple statistic It has become the overarching benchmark of success and a powerful ordering principle at the heart of the global economy But the convergence of major economic social and environmental crises has exposed the flaws of our economic system which values GDP above all else as a measure of prosperity and growth In this provocative and inspiring new book political economist Lorenzo Fioramonti sets out his vision of a world after GDP Focusing on pioneering research on alternative metrics of progress governance innovation and institutional change he makes a compelling case for the profound and positive transformations that could be achieved through a post GDP system of development From a new role for small business households and civil society to a radical evolution of democracy and international relations Fioramonti sets out a combination of top down reforms and bottom up pressures whose impact he argues would be unprecedented making it possible to build a more equitable sustainable and happy society **The Moral Metaphor System** Ning Yu,2022-06-27 This book investigates moral metaphors in English and Chinese applying conceptual metaphor theory to a comparative study of the linguistic manifestation of the moral metaphor system rooted in the domains of bodily and physical experience Ning Yu sheds light on the metaphorical nature of moral cognition and how it is systematically manifested in language and explores the potential commonalities that define moral cognition in general as well as the differences that characterize distinct cultures The work investigates moral cognition at the cultural level as reflected in language based on linguistic evidence from both English and Chinese and to a limited extent multimodal evidence from the corresponding cultures The moral metaphor system is taken to consist of three major subsystems referred to as physical visual and spatial These subsystems are clusters of conceptual metaphors whose source concepts are from domains of embodied experiences in the physical world and which are formulated in contrastive categories with bipolar values for the target concepts of moral and immoral The study is characterized by two keywords system and systematicity The former refers to the fact that metaphors conceptual and linguistic are connected within networks and the latter to the need for those metaphors to be studied in such networks **The Ashgate Research Companion to Religion and Conflict Resolution** Lee Marsden,2016-03-23 A comprehensive overview of the latest research in religion and conflict resolution this collection of twenty three essays brings together leading scholars in the field examining the contribution religious actors have made and are making towards peace and resolving The Ashgate Research Companion to Religion and Conflict Resolution is primarily aimed at readerships with special interest in conflict resolution international security and religion and international relations and will also serve as a valuable resource for policy makers and conflict resolution practitioners The collection comprises five thematic sections each with chapters on vital and mainly contemporary topics in the field of religion and conflict resolution The principal themes include *Ethical Musicality* Gro Trondalen,2023-02-16 *Ethical Musicality* addresses the crossroads between music and ethics combining philosophical knowledge theoretical

reflection and practical understanding When tied together music and ethics link profoundly offering real life perspectives that would otherwise be inaccessible to us The first part elucidates music and ethics through some influential and selected scholars ranging from Antiquity via modern philosophy to contemporary voices In the second part different roles and arenas are illustrated and explored through various music practices in real life encounters for the musician the music educator the music therapist the musicologist the lay musician and the music researcher The third part unfolds an ethical musicality focusing on the body relationship time and space Following these fundamental existentials ethical musicality expands our lifeworld including context involvement power responsibility sustainability and hope Such an ethical musicality meets us with a calling to humanity offering hope of a good life The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a CC BY NC ND Creative Commons Attribution NonCommercial NoDerivatives CC BY NC ND 4.0 International license

Ethical Contexts and Theoretical Issues Santiago Sia, 2009-12-14 Ethics has become a particularly relevant topic for discussion and a subject for serious study It has a very long tradition of course but nowadays one hears frequently of the need because of abuses or concerns to formulate and adopt ethical codes in various areas or professions This book aims to make a philosophical contribution to the discussions and debates on the topic Compared to the traditional approach to the philosophical study of ethics however this book adopts a different strategy It shows that such ethical thinking in the concrete particulars originates in various academic and professional contexts among others But inasmuch as theoretical issues require wider and more intensive attention it argues that ethical thinking needs to be pursued further and that it can be aided by philosophical investigations In its concluding chapters the book presents an alternative foundation for ethical decision making Philosophically grounded it moves away from an individualistic ethical perspective to a relational one that has been shaped through dialogue with the various contexts in which ethical thinking arises

Heirs of Oppression Angelo J. Corlett, 2010-11-16 Packing his case with moral argument and relevant facts Angelo Corlett offers the most comprehensive defense to date in favor of reparations for African Americans and American Indians As Corlett sees it the heirs of oppression are both the descendants of the oppressors and the descendants of their victims Corlett delves deeply into the philosophically related issues of collective responsibility forgiveness and apology and reparations as a human right in ways that no other book or article to date has done He recommends specific policies and tests the basic arguments of this book with a lengthy chapter considering several objections to the line of reasoning grounding the project

Violence and Nonviolence Barry L. Gan, 2013-08-08 Violence and Nonviolence an Introduction critiques five dominant societal views about violence and nonviolence Using evidence from scientific studies as well as anecdotal evidence and news reports esteemed scholar and editor Barry L. Gan shows readers that these widely adopted and violent views are largely mistaken and require a fundamental rethinking and adjustment By synthesizing new research with old philosophies Gan introduces readers to an alternative paradigm of nonviolence through which we can begin to build a more peaceful world Nonviolent strategic action a

kind of selective nonviolence is the first of the two alternative paradigms that provides a concrete approach to addressing social and political problems arising from violence Nonviolence as a way of life is the second of the paradigms that expands upon and in some respects critiques the first preferring a comprehensive and radical response to the scourges of violence that have plagued human history

Nigerian Politics and Corruption Kyrian Chukwuemeka Echekewu, 2017-06-02 Corruption is alive and well in Nigeria and it must be eliminated Moreover the Nigerian church can no longer watch it go unchecked Though conscious of his limitations as a priest and theologian the author takes an in depth look at how corruption has taken hold of Nigeria and its people in this scholarly work He challenges the church as a socio moral actor and the civil authorities that govern Nigeria arguing that the nation will collapse if corruption continues He notes that even though the Nigerian people have lashed out against corruption it has only gotten worse either because morality has been relegated to the background or not enough has been done to inculcate morality into Nigeria's politics The author employs a holistic approach in examining issues such as bishops and their vision of Nigeria vis vis Nigerian politics democracy and the power equation among the various arms of government principal biases that characterize Nigerian politics and class affiliation and its impact in Nigerian politics Find out how corruption is ruining Nigeria and discover how the church and government can work together to fix the problem in Nigerian Politics and Corruption *The British National Bibliography* Arthur James Wells, 2006 **Ethics After Easter** Stephen Holmgren, 2000-01-25 In this volume of The New Church's Teaching Series Stephen Holmgren introduces us to the

world of Anglican ethics and moral theology He focuses on questions all people of faith must ask How will I keep my baptismal promises How am I meant to live after Easter In developing a distinctively Anglican approach to ethics with its emphasis on holiness sanctification and the need for spiritual disciplines Holmgren identifies clear axioms for Anglican moral theology and the ethos required for moral decision making on the part of individuals and church bodies He explains why ethical reflection is not the same as church governance and why the institution cannot make its moral theology Holmgren also discusses the role of conscience and reason the work of moral discernment the difference between moral knowledge and saving knowledge the meaning of natural law and the high value Anglicans place on consensus The final chapter provides a methodology for building a moral case in Christian ethics specifically on Christian involvement with war and violence As with each book in The New Church's Teaching Series recommended resources for further reading and questions for discussion are included
