More Perfect Union A Program For The Con:

" ... to Form a More Perfect Union ..." United States. National Commission on the Observance of International Women's Year,1976 *A More Perfect Union* Adam Russell Taylor,2021 America is at a spiritual and political crossroads A new narrative is needed to counter the discord in her politics and culture a new way forward rooted in Martin Luther King Jr s vision of community A More Perfect Union calls for a shared vision that transcends partisanship to live out America s best ideals and realize a more perfect union Social TV Cory Barker,2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The trumproast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In *Social TV Multi Screen Content and Ephemeral Culture* author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life **A More Perfect Union** International Union, United Automobile, Aircraft, and Agricultural Implement Workers of America.
