Many Things Under a Rock Young Readers Edition: The Mysteries of Octopuses David Scheel, 2025-01-14 This compelling middle grade adaptation dives deep into the mysteries and misunderstandings of one of our planet's most enigmatic animals. Among all the ocean's creatures, few are more captivating or more elusive than the octopus. Marine biologist David Scheel investigates these strange beings to try and answer long-held questions: How can we learn more about an animal whose perfect camouflage and secretive habitats make them invisible to detection? How does an almost boneless package of muscle and protein defeat sharks, eels, and other predators while also preying on the most heavily armored animals in the sea? How do octopus bodies even work? Octopuses are both fierce predators and vulnerable prey; they are antisocial jerks but also neat freak roommates. They are in every ocean habitat and yet being rarely encountered nowhere at all. This fascinating and engaging middle grade adaptation of *Many Things Under a Rock* shows young readers how to embrace the wisdom of the unknown even if it has more arms than expected. **Reading Under Control** Judith

Maunder, 2021-12-02 This book is a study of the best-selling writer for children Enid Blyton 1897-1968 and provides a new account of her career. It draws on Blyton's business correspondence to give a fresh account of a misunderstood figure who for forty years was one of Britain's most successful and powerful authors. It examines Blyton's rise to fame in the 1920s and considers the ways in which she managed her career as a storyteller, journalist, and magazine editor. There is discussion of her most famous series including the Famous Five, the Secret Seven, Malory Towers, and Noddy, but attention is also given to lesser-known works including the family stories she published to acclaim in the 1940s and early 1950s, as well as her attempts to become a dramatist. The book also discusses Blyton's fluctuating critical reputation, how she and her works were received, and how Blyton the person has fared at the hands of biographers and the media. **The Elementary English**
