Karlin, Gerard Wegemer, 2011 This book challenges the recently established consensus that the trial was a carefully prepared and executed judicial process in which the judges were amenable to reasonable arguments Thomas More's treason trial in 1535 is one of history's most famous court cases yet never before have all the major documents been collected translated and analyzed by a team of legal and Tudor scholars This edition serves as an important sourcebook and concludes with a docudrama reconstructing the course of the trial based on these documents Legal experts H A Kelly and R H Helmholtz take different approaches to the legalities of this trial and four experienced judges including Justice of the Queen's Bench Sir Michael Tugendhat discuss the trial with some disagreements notably on the meaning and requirement of malice called for in the Parliamentary Act of Supremacy More's own accounts of his interrogations in prison are analyzed and the trial's procedures are compared to and contrasted with 16th century concepts of natural law and also modern judicial practices and principles The book is a must read not only for students of law and Tudor history but also for all concerned with justice and due process As a whole the book challenges Duncan Derrett's conclusions that the trial was conducted in accord with contemporary legal norms and that More was convicted only on the single charge of denying Parliament the power to declare Henry VIII Supreme Head of the English Church testified to by Richard Rich a position that has been uniformly accepted by historians since 1964 HENRY ANSGAR KELLY is past Director of the Center for Medieval and Renaissance Studies UCLA LOUIS W KARLIN is an attorney with the California Court of Appeal and Fellow of the Center for Thomas More Studies University of Dallas GERARD B WEGEMER is Director of the Center for Thomas More Studies

Socrates is a magisterial narrative introduction to what is generally regarded as the most important period of Greek history. Stressing the unity of Greek history and the centrality of Athens, Victor Ehrenberg covers a rich and diverse range of political, economic, military, and cultural issues in the Greek world from the early history of the Greeks, including early Sparta and the wars with Persia, to the ascendancy of Athens and the Peloponnesian War. Blood Inscriptions Hillel J. Kieval, 2022-02-15

Although the Enlightenment had seemed to bring an end to the widely held belief that Jews murdered Christian children for ritual purposes, charges of the so-called blood libel were surprisingly widespread in central and eastern Europe on either side of the turn to the twentieth century. Well over one hundred accusations were made against Jews in this period, and prosecutors and government officials in Germany, Austria, Hungary, and Russia broke with long-established precedent to bring six of these cases forward in sensational public trials. In Blood Inscriptions, Hillel J. Kieval examines four cases: the prosecutions that took place at Tiszaeszlár in Hungary (1882–83), Xanten in Germany (1891–92), Poln in Austrian Bohemia (1899–1900), and Konitz (then Germany, now in Poland) (1900–1902), to consider the means by which discredited beliefs came to seem once again plausible. Kieval explores how educated elites took up the accusations of Jewish ritual murder and considers the roles played by government bureaucracies, the journalistic establishment, forensic medicine, and advanced legal practices in structuring the investigations and trials. The prosecutors, judges, forensic scientists, criminologists, and academic scholars of Judaism and other expert witnesses all worked hard to establish their epistemological authority as rationalists. Kieval contends that far from being a throwback to the Middle Ages, these ritual murder trials were in all respects a product of post-Enlightenment politics and culture. Harnessed to and disciplined by the rhetoric of modernity, they were able to proceed precisely because they were framed by the idioms of scientific discourse and rationality.
