More Short Sixes:

More "Short Sixes" Henry Cuyler Bunner, 2020-09-28 Mr Brimington when he came into his money at the age of forty five fixed on Pike County Pennsylvania as a mountainous country of good report A postal guide informed him that Mr Skinner was the postmaster of Bethel Corners so Mr Brimington wrote to Mr Skinner The correspondence between Mr Brimington and Mr Skinner was long enough and full enough to have settled a treaty between two nations It ended by a discovery of a house lonely enough and aged enough to fill the bill Several hundred dollars worth of repairs were needed to make it habitable and Mr Skinner was employed to make them Toward the close of a cold November day Mr Brimington saw his purchase for the first time In spite of his disappointment he had to admit as he walked around the place in the early twilight that it was just what he had bargained for The situation the dimensions the exposure were all exactly what had been stipulated About its age there could be no question Internally its irregularity indeed its utter failure to conform to any known rules of domestic architecture surpassed Mr Brimington's wildest expectations It had stairs eighteen inches wide it had rooms of strange shapes and sizes it had strange shallow cupboards in strange places it had no hallways its windows were of odd design and whoso wanted variety in floors could find it there And along the main wall of Mr Brimington's study there ran a structure some three feet and a half high and nearly as deep which Mr Skinner confidently assured him was used in old times as a wall bench or a dresser indifferently You might think said Mr Skinner that all that space inside there was just wasted but it ain't so Them seats is just filled up inside with braces so's that you can set on them good and solid And then Mr Skinner proudly called attention to the two coats of gray paint spread over the entire side of the house walls ceilings and woodwork blending the original portions and the Skinner restorations in one harmonious homogenous whole *More "Short Sixes."* Henry Cuyler Bunner, 1968 [More "ShortSixes"](#) H. C Bunner, 2020-08-04 Reproduction of the original *More ShortSixes* by H C Bunner *More "Short Sixes".* Henry Cuyler Bunner, 1892 [Thirty-Six More Short Essays, Plus Another, on the Probing Mind of Thomas Jefferson](#) M. Andrew Holowchak, 2020-02-03 This book is a companion to the author's previous volume *Thirty Six Short Essays on the Probing Mind of Thomas Jefferson* It provides the reader with new short essays on Jefferson thoughts on political philosophy and religion and morality There are in addition 10 essays on Jeffersonian historiography as Jefferson it is commonly complained is an exceedingly difficult if not impossible task for any historian The book is crafted both to entertain the essays are brisk and lively and to enlighten The essays are provocative and critical and take the reader deep within the recesses of Jefferson's large mind while also highlighting that Jefferson is still quite relevant today *More Short Sixes* H. C. Bunner, 2014-03 This Is A New Release Of The Original 1894 Edition [More "Short Sixes"](#) Henry Cuyler Bunner, 1894 *MORE SHORT SIXES* H. C. quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

Natural Selection H. C. Bunner, 2020-12-08 In *Natural Selection* H C Bunner deftly intertwines the themes of evolution and societal evolution crafting a narrative that reflects both personal and social transformations Through vivid characterizations and a keen observational approach Bunner explores the nuances of human relationships within the framework of Darwinian thought capturing the essence of the late 19th century American literary scene The book employs a blend of realism and humor allowing readers to engage with its provocative themes while appreciating the intricate literary style that marries wit with poignant reflection H C Bunner an influential figure in American literature was born into a world ripe for innovation and transformation His journalism and role in shaping local culture particularly through his work in periodicals provided him with critical insights into the human condition and societal dynamics These experiences undoubtedly inform the philosophical inquiries present in *Natural Selection* where Bunner challenges both the reader's perception of morality and the complexities of human motivations Readers seeking a thought provoking exploration of evolution both biological and metaphorical will find *Natural Selection* a compelling addition to their literary repertoire Its thoughtful analysis and engaging prose encourage deeper contemplation about the forces that shape individual lives and society as a whole making it a must read for fans of literary fiction that grapples with reality
