*The Nude* C. Michelle Lindley, 2025-05-27 Art historian Elizabeth Clarke is sent to a remote island in Southern Greece to acquire a rare female nude sculpture for a Los Angeles collection Disoriented by time zones migraines and suspicious details surrounding the figure's discovery she's dependent on her flirtatious but guileless translator The last thing she expects is to be so pulled to his wife Theo a subversive artist who has amassed a small following for her provocative self portraits which seek to deconstruct the objectification of the female form As Elizabeth immerses herself in the island's cobblestoned mazes and sumptuous cuisine and falls deeper into an infatuation with Theo and Theo's art she starts to question her role in the acquisition of cultural artifacts And when after a hazy night out both Elizabeth and the nude are violated in divergent but damaging ways Elizabeth begins to see a parallel between the sculpture and herself What does it mean for a woman to navigate morally complicated negotiations of property in a male directed world What other kinds of ownership or self ownership might be possible

Steel,2010-03-11 NAKED AT THE MIC The Survival of a Liberal in a Time of Peril is a book based upon 10 years of exhaustive research and personal experiences collected in an autobiographical and historical account of the national and international politics and the national social upheaval during the Conservative Revolution That political movement of Bush Fascism during the first decade of the 21st Century as I witnessed and reported it on my television and radio programs and my website [www.lasteelshow.org](http://www.lasteelshow.org) during the years of 2000 to 2009 Naked at the Mic is also a public compliment to the many people who fought valiantly to print and broadcast truth and liberal commentary while the entire broadcast media was dominated and censored of Liberal Thought by the Conservative right wing media the G W Bush administration and the cabal of Muslim hating warmongers famously known as the NeoCons Naked at the Mic also commemorates the many heroic members of activist and citizen action groups and organizations that fight daily to protect themselves and their country from the insanity of G W Bushs administration and his minions and their nightmare reality of war genocide and slaughter in the Middle East and the cruel corrupt and oppressive government they imposed on the American people during their reign of terror and torture from 2000 to 2008 I speak honestly about the 2008 presidential candidates and the election of Barack Obama and why I voted for him and my great disappointment after his horrific betrayal of all who elected him The research for Naked at the Mic entailed over 5000 news articles that I have personally archived and preserved on paper to verify every quote and reference I make and over 100 books and over 500 recorded interviews with authors activists and politicians on 550 archived radio shows ten televised documentaries and 400 television programs I had produced up to 2009 when I completed this book Naked at the Mic is an honest look back through time at people and events that have been at the forefront of national and world changing events This book is a historical record of one of the most volatile decades in American and world history It reports and comments on many of the most important national and

international issues from 2000 to 2009 I discuss in detail the corrupt 2000 presidential election 911 the Afghanistan and Iraq invasions Katrina and expose the massive corporate financial and political corruption and mass media cover ups until the end of 2009 I honestly expose left and right wing politics and give a unique front line perspective of the massive sea change of American Society that caused G W Bushs 75 percent approval rating in 2001 to his final approval rating of 24% in 2008

**Naked at the Mic** The Survival of a Liberal in a Time of Peril is honest fast moving highly informative and well researched and is an accurate historical account of the characters involved with one of the longest running liberal radio shows in America during one of the most politically conservative and most destructive periods in American history that has led to the current economic military and moral demise of America Ralph Waldo Emerson once stated in his essay The Oversoul Oh Believe that every word that was meant for thine ear to hear will come to thee I believe a lot of people are meant to hear what this book has to say L A Steel

*Sleeping Naked Is Green* Vanessa Farquharson, 2009-08-06 No one likes listening to smug hippies bragging about how they don't use toilet paper or worse yet lecturing about the evils of plastic bags and SUVs But most of us do want to lessen our ecological footprint With this in mind Farquharson takes on the intense personal challenge of making one green change to her lifestyle every single day for a year to ultimately figure out what's doable and what's too hardcore Vanessa goes to the extremes of selling her car unplugging the fridge and washing her hair with vinegar but she also does easy things like switching to an all natural lip balm All the while she is forced to reflect on what it truly means to be green Whether confronting her environmental hypocrisy or figuring out the best place in her living room for a compost bin full of worms and rotting cabbage Vanessa writes about her foray into the green world with self-deprecating humorous and accessible insight This isn't a how to

book of tips it's not about being eco chic it's an honest look at what happens when an average girl throws herself into the murkiest depths of the green movement

**Reviews** A humorous self deprecating tale of the crazy things that happen to normal people when they take the green plunge Vanessa Farquharson will have you wanting to try your own experiments too because she shows how easy some of these planet saving changes can be

Alisa Smith co author of *The 100 Mile Diet* A Year of Local Eating By spending a year putting the planet's needs as a top priority Vanessa Farquharson's search for love and connection leads her to happiness she never thought she could know

An entertaining approach to greenlightenment

*Sleeping Naked Is Green* will surely inspire other skeptics to find their inner environmentalist

Gillian Deacon author of *Green for Life* One step a day doesn't seem like much but over the course of a whole year it adds up to a world of difference This isn't just a well written and fun book about going green it is about watching a personal transformation

**Running Naked Through the Streets** Caramine White, 2008-12-24

Running Naked Through the Streets is an account of the year Dr Caramine White lived in the former Communist country Slovakia from August 2004 May 2005

When Dr White received a Fulbright Scholarship she and an American literature professor from a Slovak university exchanged jobs

Dr White lived in Banska Bystrica a city of about 84 000 in central Slovakia

Although her students spoke English very few of the townspeople did and the living conditions were much different from those enjoyed in America

Running Naked Through the Streets which refers to the utter helplessness and vulnerability she often felt is neither an autobiography nor a travel book

Although Dr White does include some interesting information for tourists the crux of the book is how being so alone and dependent can encourage and even accelerate personal growth

It is told with a great deal of humor and honesty

Interwoven throughout the text are humorous essays recounting some of her bizarre adventures during the year which range from belly dancing to marathon running from inadvertently taking part in a Polish Confirmation ceremony to becoming the object of affection for a mentally challenged homeless man
