Your Days Are Numbered Michael A. Price, 2011-04-13 It is hopeful that this present work should be a blessing to those who read it When the writer of this book started taking notes and studying the various numbers in scripture it was his initial desire to know and to understand the God of the Bible in a deeper way This work has been in the making for twenty plus years Yet there still remains an insurmountable amount of evidence which suggests that God's ways are past finding out by the human mind and intellect God is Spirit and He must be contacted by the spirit of man for a fuller revelation of His awesome glory and majesty The subject of numbers in scripture has proven to be a fascinating endeavor but at the same time never ending because of the continuous revelation of always discovering new meanings and new numbers to contemplate by the spirit Illustrations are continually being discovered It would be irreverent to suppose that this work could be complete for it would assume that the wonders of the Creator as manifested through numbers in scripture could be all discovered May this modest work be to the praise and glory of the One and Only True God

Principles of Biblical Hermeneutics J. Edwin Hartill, J. E. Hartill, 1960-10-05 Biblical hermeneutics is the science of interpreting the Bible. The aim of this book is to explain and illustrate the various principles of Bible interpretation that must be followed if one is to understand the teachings of God's Word correctly. Such a study is pivotal to anyone who studies the Bible. Unless consistent principles of interpreting its passages are followed, the truth of God becomes blurred and confused. Determining what the Bible means must precede all application of its words to the lives of its readers and hearers. Dr. S. Franklin Logsdon, Bible teacher and evangelist, says of this book: "These principles of Bible study by Dr. J. Edwin Hartill have been tested and proved in his own personal teaching for many years. They are succinct, pointed, practical, original, understandable, simple keys to unlock the storehouse of Scripture to things both old and new. This publication makes a distinct contribution to Bible lovers in their search for increased knowledge of divine truth. It is a privilege and an honor to commend it to God's people." Using a graphic combination of text, charts, and outlines, Dr. Hartill states: "I trust that as you study these principles, your understanding of the Word and your love for its truth may deepen so that you may more ably pass it on to others." Included are chapters on: The Dispensational Principle, The Covenantal Principle, The Ethnic Division Principle, The Discrimination Principle, The Predictive Principle, The Application Principle, The Typical Principle, The Principle of Human Willingness in Illumination, The First Mention Principle, The Progressive Mention Principle, The Full Mention Principle, The Context Principle, The Agreement Principle, The Direct Statement Principle, The Gap Principle, The Three-fold Principle, The Election Principle, The Repetition Principle, The Synthetic Principle, The Principle of Illustrative Mention, The Double Reference Principle, The Christo-Centric Principle, The Numerical Principle.

UNDERSTANDING THE END TIMES Dr. Simon Rock Njolomah, 2012-01-07 This book is to furnish information that can make sense to both the student of Eschatology and the layman. Thus, while the book is useful to the scholar, it is also easily understood by the general seeker of truth. Current and unfolding world events are also examined in the light and context of Scripture. The book has both a persuasive and combative approach. There are no ill feelings towards those teachers and authors with whom this author is at variance in certain areas of the subject.
