Nurse As Executive:

The Nurse as Executive Barbara Stevens Barnum, Karlene M. Kerfoot, 1995 This new edition of Aspen's bestselling book *The Nurse as Executive* has been thoroughly revised and updated to reflect the significant changes in nursing management. The nurse executive's role as a member of the executive team is examined as well as the nurse executive's role in health care issues such as quality outcomes, team building, and cost containment. Organizing the book around the new resource-driven management model rather than the goal-driven management model makes this book unique and distinguishes it from other management texts. **The Doctor of Nursing Practice and the Nurse Executive Role** Albert Rundio, 2014-10-07

Tough questions such as How can nursing faculty inspire, educate, and empower nurse executive DNP students? Essential pearls to help you on your journey to successful leadership and management. Why implementing the Magnet model makes sense even if your organization does not intend to pursue Magnet status? Why healthcare organizations must continually focus on improvement? The necessity of organizational transformation to ensure optimal ethical climates? How to become an effective delegator? How personal self-awareness leads to success?
