Nurse Recruitment Strategies For Success:

Nurse Recruitment Tina Filoromo, Dolores Ziff, 1980 **A Practical Guide to Recruitment & Retention** Shelley Cohen, Dennis Sherrod, 2005

The forecast doesn't look good. A shortage of nurses continues to be a major problem. Facilities like yours are shelling out high salaries and signing bonuses just to get RNs in the door. Unfortunately, that hasn't proven to be enough. Once you get quality nursing professionals in the door, you need to know how to keep them from walking out. Staff in, staff out, staff in, staff out. Stop the revolving door from spinning. The revolving door trend is discouraging, but even more than that, it's dangerous. Inadequately staffed facilities run the risk of preventable errors, avoidable complications, and increased length of stay and readmissions. And many states are considering nurse-patient ratio legislation.

A Practical Guide to Recruitment and Retention is a handy book that provides you with practical, field-tested strategies to attract and, more importantly, retain high-quality nursing and healthcare personnel. Filled with timely, user-friendly ideas, concepts, and tools, **A Practical Guide to Recruitment and Retention** helps today's nurse managers and nurse executives make effective decisions related to recruitment and retention. From recruiting student nurses to confronting troublesome nurses who can cause turnover, this book covers it all. Inside this must-have book, you'll find:

- An in-depth look at youth recruitment
- Appropriate methods to recruit and retain every type of nurse
- Techniques for implementing quality workplace improvements
- Ideas for recognition and reward programs
- Ways to embrace diversity in the healthcare workplace
- Numerous tools, templates, and procedures to adapt to your facility
- Case studies that will help drive the messages home and provide evidence of recruitment and retention strategies that work

Table of Contents: Embracing diversity in the workplace, Developing Nurse Managers and leaders, Retaining and supporting the middle manager level nurse, Helping the Nurse Manager make time for staff, Improving interview skills and hiring techniques, Employee and family friendly policies and procedures, Expanding the EAP program, Focus on flexible orientation processes, Surprising staff with the unexpected, Professional models of care, Implementing quality workplace improvement systems, Assuring interdisciplinary collaboration, Building collaborative practices between nursing and medical staff, Methods that help staff feel a true part of the process, Professional development, Encouraging your staff to fulfill their career development, Recognition and reward programs that promote retention, The senior nurse executive's role in recruitment and retention, Establishing an educational pipeline, Working with Junior and Senior High Schools, Working with nursing schools to secure staff, Measuring recruitment and retention metrics, Top ten things to do, not to do in recruitment, What's working in the non-healthcare environment, Learning Objectives, Identify the major disadvantages of high staff turnover, Identify diversity characteristics, Discuss strategies for managing diversity in your organization, Verbalize techniques managers can use to leave a perception with staff that you make time for them, List warning signs that a manager is in need of support, guidance, and direction, Discuss strategies that promote an employee-friendly workplace, Discuss program examples that leave a perception with staff that their employer is family friendly, Identify the components of

professional models of care Discuss the benefits of professional models of care Identify ways to implement quality workplace improvement systems Evaluate the results of implementing quality workplace improvement systems Identify effective methods of promoting collaborative practice between nursing medicine and other professional departments Discuss the benefits when nursing staff actively participate in systems and processes related to patient care List resources the staff nurse can access to enhance professional development Discuss how a commitment to professional development aids recruitment and retention Identify ways to reward staff for exceptional performance List essential aspects of the performance review that enhance retention Identify examples of appropriate goal setting for a staff nurse Identify methods to recruit young people into healthcare careers Discuss the value of establishing relationships with schools of nursing List examples of recruitment and retention data that is useful to manage your workforce Identify the values of using metrics to measure recruitment and retention success Identify ineffective recruitment strategies Identify effective recruitment strategies Identify recruitment and retention methods that have been proven successful outside the healthcare environment Compare basic recruitment and retention principles from the general workplace to those from nursing

Hospital Management Howard S. Rowland, Beatrice L. Rowland, 1984

Public Relations Theory Carl H. Botan, 2017-10-03 Beginning with the basic premise that public relations can best be understood as a specialized type of communication the contributors to this volume establish public relations as a vital and viable realm for communication research and theory development Through the application of communication theories they attempt to explain and predict public relations practices and then use these practices to develop communication theories Their discussions fall into three distinct categories metatheory theory and examples of applications of theories An ideal volume for professionals and students in communication journalism and related fields

Labor Literature United States. Department of Labor. Library, 1981

Labor Literature, 1981

Applied Communication Theory and Research H. Dan O'Hair, Gary L. Kreps, 2013-11-05 This volume provides a comprehensive examination of the applications of communication inquiry to the solution of relevant social issues Nationally recognized experts from a wide range of subject areas discuss ways in which communication research has been used to address social problems and identify direction for future applied communication inquiry

Research Anthology on Strategies for Maintaining Successful Family Firms Management Association, Information Resources, 2021-08-27 Family owned businesses account for many of the small and medium sized enterprises that exist around the world in various industries Due to their unique make up these firms are often heavily influenced by family dynamics that must be reconciled by family and non family workers alike in order to ensure the sustainability of the business As smaller businesses competing against an increasingly globalized economy and more directly impacted by economic instability especially in the wake of the COVID 19 pandemic these businesses must continue to improve their practices and processes in order to not only survive but thrive The Research Anthology on Strategies for Maintaining Successful Family Firms discusses the strategies sustainability and human

aspects of family firms in order to understand what sets them apart from other businesses and how they can survive and compete in a globalized economy This book discusses the unique dynamic brought by family firms that offers both opportunities and challenges for a growing business Covering topics such as corporate venturing the family unit and business ethics this text is an essential resource for family firms entrepreneurs managers business students business professors researchers and academicians *The Journal of Long Term Care Administration* ,1981 **The Principles and Practice of Recruitment Advertising** Bernard S. Hodes,1982 Learn how to take a cost effective approach to recruiting interviewing and hiring the right person in this handbook that helps locate future employees through the economical use of Help Wanted ads **Managing the Nursing Shortage** Terence F.
