Understanding Children's Spirituality Kevin E. Lawson, 2012-03-22 How important is childhood in the spiritual formation of a person How do children experience God in the context of their lives as they grow What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives In this book over two dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents church leaders and others who care about children can promote their spiritual formation

Nurturing Spiritual Development in Children by Understanding Our Own Spirituality Ester R. A. Leutenberg, Deborah L. Schein, 2017 The purpose of this workbook is to encourage caregivers to be aware of the importance of spirituality and to realize that spiritual development can be nurtured at a very young age In order to successfully do this it is important for caregivers to explore and understand their own spirituality This book introduces the concept of spiritual development vital for all caregivers for it references aspects of spiritual development that are common to all people Each chapter offers insight

into how spiritual development unfolds Readers will find information about various aspects of spiritual development Space is given for reflection and journal writing This will provide opportunities to evoke and strengthen the caregivers spiritual development that will enhance the spiritual development of the children the adults are nurturing Each chapter concludes with a list of ideas activities and spiritual moments that caregivers can share with the children in their lives

Children's Perceptions of the Role of Biblical Narratives in Their Spiritual Formation Annie George,2017-02-28

In the Bible storytelling is an important means to pass on the revelation of God God repeatedly commanded the people of Israel to tell his mighty acts to the next generation Invariably churches follow this mandate and use biblical narratives as a means to transmit God s self revelation to enable transformation

The author Dr Annie George listens to the voices of children in order to understand their perceptions of how storytelling of biblical narratives help them in their spiritual formation

Dr George s research highlights the importance of evaluating the impact of biblical narratives from a child s perspective as well as emphasising the need to give the same priority to the spiritual transformation of children as with other areas of study and ministry
