a disease state is created Illnesses manifest in the body's energy field before they manifest in the physical body And healing occurs in the energy field before it becomes apparent in the physical body So how can we heal ourselves and our life You'll get the answers reading *The Secret Energy of Your Body An Intuitive Guide to Healing Health and Wellness* Dr Irina Webster is a medical doctor who is also an intuitive healer She is the creator of Intuitive Healing Power an educational program for health professionals and caregivers in regards to intuitive healing and medical intuition Her on line classes and seminars How to Become an Intuitive Healer are very popular amongst the health oriented community Dr Irina's teaching helps people to activate their own Intuitive Healing Power Dr Irina dedicates herself to assisting others to heal and empower their body and soul

Nurturing Your Mind With The Art Of Self-Love Breanna Potts ,2024-12-06 You deserve to be the best you that you can be No more hiding behind the cameras or in the back of the room at events You deserve to be seen Its time overcome those challenges enter into your best year yet with how you see yourself Are you ready [You Can Heal Yourself](#)

Julie Silver,2012-01-31 How to heal faster better and stronger during recovery from a serious illness or injury a Harvard doctor's complete recovery plan When people are seriously ill or injured they receive immediate and often life sustaining treatment Then at some point they are usually left to their own devices to finish healing At the time that patients are discharged from treatment or their doctors tell them I don't have anything else I can offer you they are often shifted into a zone where they are better than at their sickest point but not as healthy as they once were This zone between illness and good health is where rehabilitation specialists focus Dr Silver calls this area of medicine where physiatrists work The Healing Zone This is the place where doctors are most concerned with physical and emotional healing after an injury or illness Our bodies are amazing in their capacity to heal however people can be taught how to heal faster better and stronger both physically and emotionally You Can Heal Yourself offers the strategies needed to achieve optimal healing [Be Free Here & Now](#)

Catherine Allon,2020-03-03 Scientists have shown how trends in behavior take hold of a population and spread like wildfire when a certain number of people subscribe to a new behavior Like the popularity of the hula hoop in the 60s and the cell phone in recent years Today increases in yoga and meditation practices in many communities are also showing a trend That is the promise for self realization and living in the present moment The Author discusses how in overcoming challenges embracing higher energy levels and engaging in heightening awareness people become happier and more balanced Individually their lives are more free and fulfilling As a population communities of aware people will raise the Earth's vibrational energies bringing about world healing and world peace An insightful book with excellent suggestions for becoming self aware and creating world peace Readers will most appreciate her conversational narrative style and easy to follow steps

The 10 Principles of the Feminine Roxana Dragusel,2023-10-27 This is so beautifully written I couldn't stop reading I gained so much valuable information to help me grow Christine Colucci author public speaker What is feminine energy and how much of it do you have Or perhaps you believe that you don't have any Addressed to both men and women

who seek their own authenticity and their own definition of what being a man or a woman is The 10 principles of the Feminine is about discovering what feminine energy is beyond any dictionary definition and why it s important to honour and cultivate it Feminine energy is not an attribute of the fairer sex it is a component of all living things and its true meaning seems to have been lost somewhere and with it people s potential of authentic self expression So identifying feminine energy in yourself and others and connecting to it is essential for leading a balanced and fulfilling life If you don t feel fulfilled or seen then perhaps you aren t in tune with your feminine aspect The 10 principles outlined in here are meant to guide the reader towards a better understanding and appreciation of the feminine which beyond everything represents our inner power and capacity to connect to the eternal and the ethereal as well as to seek and find true love This book is therefore a practical guide for integrating the spiritual aspect into our earthly existence reconciling the feminine with the masculine in an approachable and concise way without pertaining to a certain spiritual or religious ideology

When Food Is Comfort Julie M. Simon, 2018-02-10 Learn Inner Nurturing and End Emotional Eating If you regularly eat when you're not truly hungry choose unhealthy comfort foods or eat beyond fullness something is out of balance Recent advances in brain science have uncovered the crucial role that our early social and emotional environment plays in the development of imbalanced eating patterns When we do not receive consistent and sufficient emotional nurturance during our early years we are at greater risk of seeking it from external sources such as food Despite logical arguments we have difficulty modifying our behavior because we are under the influence of an emotionally dominant part of the brain The good news is that the brain can be rewired for optimal emotional health When Food Is Comfort presents a breakthrough mindfulness practice called Inner Nurturing a comprehensive step by step program developed by an author who was herself an emotional eater You'll learn how to nurture yourself with the loving kindness you crave and handle stressors more easily so that you can stop turning to food for comfort Improved health and self esteem more energy and weight loss will naturally follow
