her sisters were surrounded by the elite summering on Nantucket Island speeding down Capitol Hill's rich back roads flying in their father's private plane Their life of luxury was brutally stripped away after the FBI arrested Tom Prousalis on fraud charges When he took a plea deal as he faced the notorious Wolf of Wall Street Jordan Belfort's testifying against him the cars homes jewelry clothes and friends that defined the family disappeared before their eyes including the one thing they could never get back each other Christina writes with candid clarity about the dark years that followed and the devastation her father's crimes wrought upon her family the debt accumulated under her identity her mother's breakdown her own spiral into addiction and promiscuity and the delusion that enveloped them all She shines a remarkable uncomfortable light on a family's disintegration and takes a searing look at a controversial financial time and also at herself a child whose normal belonged only to the one percent A rare insider's perspective on the collateral damage of a fall from grace After Perfect is a poignant reflection on the astounding pace at which a life can change and how blind we can be to the ugly truth
