Frederick A. Patchen, 2009-12-10 What I share in this book is my mission in life That is why I refer to myself as a missionary There is a second reason for this idea I believe that we each have a sage who lives within our spiritual being in life It is as if this sage cannot be found because of the fog of day to day living We must learn how to be quiet and listen to our own heart in understanding that we can identify those things around us that are positive at all times Each of us has a voice that some call a conscience some call a guide and some call an angel It is something intelligent that looks out for us and lets us know if we are getting into trouble along the way I very deeply feel that this inner sage also has a mission This sage is our own inner missionary However this inner missionary is unlike any you may have heard of in the world around us This missionary will never infringe It teaches by the example I want to share with each of you We must learn the power of not infringing on others or allowing them to infringe upon us As this is their mission they will not infringe upon any choice you make in life They allow you to experience the result of that choice on your own in order that you might learn that different choices bring different results into our life I will use the word sage and missionary interchangeably throughout this book **Pathways to Personal Contentment** Frank A. Kostyu, 1960 **Personal Prayer: A Guide for Receiving the Father's Love** Fr. Thomas Acklin, OSB, Fr. Boniface Hicks, OSB, 2020-02-01 Prayer is at the heart of the Christian life Given that we are weak and even sinful human beings how can it be that God has anything to do with us What does it mean to have a personal relationship with God Why is God so silent and hidden How do we grow in prayer Personal Prayer A Guide for Receiving the Father's Love brings the depth of human experience together with the Catholic tradition of prayer to present the path to an intimate and vulnerable relationship with God Experienced spiritual directors Fr Thomas Acklin OSB and Fr Boniface Hicks OSB explore the many forms of Catholic prayer and demonstrate that vulnerability is essential to growing in relationship with God Rich with the wisdom of Scripture Catholic teaching and the writings of the saints Personal Prayer is an exhaustive guide for priests religious and laity desiring to receive the Father's love in a profoundly personal way The Path of Prayer Samuel Chadwick, 2020-06-17 Samuel Chadwick 1860 1932 was a Wesleyan Methodist minister and a nonsense kind of preacher His works have endured long after his death and will doubtless continue to impact readers as his practical approach and straight forwards style make even the most complicated topic easy to grasp **Thomas Merton's Dark Path** William H. Straying from the Straight Path Daan Beekers,David Kloos,2017-10-01 If piety faith and conviction constitute one side of the religious coin then imperfection uncertainty and ambivalence constitute the other Yet scholars tend to separate these two domains and place experiences of inadequacy in everyday religious life such as a wavering commitment religious negligence or weakness in faith outside the domain of religion proper Straying from the Straight Path breaks with this tendency by examining how self perceived failure is in many cases part and parcel of religious practice and experience Responding to the need for comparative approaches in the face of the largely separated fields of the anthropology of Islam and Christianity this volume gives full attention to moral failure as a constitutive and potentially energizing force in the religious lives of both Muslims and Christians in different parts of the world

The Personal Path to Virtue Carolyn Ragodos,2014-08-20 Are You the Ruby Woman The word virtuous means high moral excellence As you look into becoming the Virtuous Woman you must realize she is of great value to God and more importantly she is very rare Rubies are the rarest and most valuable of all gems and rubies are exceedingly fragile The miner that finds them must have great skill in cutting and removing the ruby because it is easily fractured and lost when handled incorrectly However when the ruby is mined cut with precision and placed in a setting its strength rivals that of a diamond You are the precious ruby in this story and your value to God is far above the value of many rubies The Master Miner God has found you loves you and desires for you to be set in a ring to show off how rare and beautiful you really are
