Pathway to Conversational Prayer Okey Onuzo,1990-11-01 **Pathways to Prayer** David Moffett-Moore,2015-07-21
Prayer is the one essential of the Christian life In fact David Moffett Moore maintains it is an essential of life itself as essential to us as spiritual beings as breathing is to us physically Prayer can be found in any of our activities It is not something we need to learn but something we need to remember from childhood Yet our prayers can mature and we can be more aware of the presence of God in every place and every moment The purpose of this book is to help you become more aware *Pathways to the Waters of Grace* David B. Batchelder,2017-05-16 What if the church took with utmost seriousness that baptism is the gift of a new identity taking a lifetime to grow into And what if that identity includes God s call to a way of life made visible in how Jesus lived his This book is a response to these questions in relationship to the church s practice of baptizing children This book s underlying premise is that how the church helps parents prepare for baptism is vital to how the whole family lives its baptismal identity throughout life as well as to the renewal of churches themselves In the last several decades institutionalized Christianity has found itself renegotiating its relationship with a culture that often has churches on the defensive for practices that are little changed from an era now past and insufficient as a witness to life as Christ s disciple This book urges a reconsideration of what churches offer parents seeking baptism for a child offering a transformed vision of such a ministry as well as a practical guide for putting it in place in the life of churches Pastors educators and leaders will find a pathway to follow that promises to be life changing for all involved **Prayer: The Ultimate Conversation** Charles F. not seek to tell their counterpart how to live out the faith. Instead, the spiritual director accompanies others on their spiritual journey and helps them discover how God may be working in their lives. The spiritual director listens, notices, encourages, asks questions, and prays for the person receiving spiritual direction. In *Sacred Conversation*, readers will learn what spiritual direction is and what it isn't. They will explore spiritual practices that have helped people for hundreds of years develop a closer relationship with God through Jesus Christ. Marsha Crockett introduces readers to seven gifts of spiritual direction: awakening, hospitality, story, pilgrimage, silence, meditation, and belonging. Each chapter contains reflection questions for individuals to use in conversation with their spiritual director as prompts for journaling or for sharing with small groups.
