An Introduction to the Baha'i Faith Peter Smith, 2008-04-07 Peter Smith explores the history, beliefs, and practices of the Baha'i faith. Encyclopedia of Women in World Religions Susan de-Gaia, 2018-11-16 This reference offers reliable knowledge about women's diverse faith practices throughout history and prehistory and across cultures. Across the span of human history, women have participated in world building and life sustaining cultural creativity, making enormous contributions to religion and spirituality. In the contemporary period, women have achieved greater equality with more educational opportunities, female role models in public life, and opportunities for religious expression than ever before. Contemporaneously with this increased visibility, women are actively and energetically engaging with religion for themselves and for their communities. Drawing on the expertise of a range of scholars, this reference chronicles the religious experiences of women across time and cultures. The book includes sections on major religions as well as on spirituality, African religions, prehistoric religions, and other broad topics. Each section begins with an introduction followed by reference entries on specialized subjects along with excerpts from primary source documents. The entries provide numerous suggestions for further reading, and the book closes with a detailed bibliography. **Middle East Patterns** Colbert C. Held, 2018-05-04 This book covers the Middle East from a topical or systematic perspective, focusing on the states of the Gulf and southern Arabian Peninsula.
