ABSTRACT

Moral values are the most important thing we learn from our experiences, activities, or even stories. Morality has to do with positive and bad things for a human being to change his/her life. This research is a literary study on intrinsic elements and moral values in the movie "Bad Genius". There are two research problems proposed from this "Bad Genius" analyzing film. They are: (1) To find out the intrinsic elements of movies "Bad Genius", (2) The moral values found on this film. It aims at identifying and describing the types of intrinsic elements and moral values in the movie, by applying a qualitative method. This study employed the framework of intrinsic elements as suggested by Woods, G. (2008) and moral values as suggested by Linda and Eyre (1993). The subject of this research is the "Bad Genius" movie and the intrinsic elements and moral values are the objects. Based on the result of this study the researcher found intrinsic elements and some moral values contained in the movie "Bad Genius". The researcher hopes those values would be useful for the Viewers and the readers of this research has their life guidance to be better persons.

INTRODUCTION

Literary work is a picture of human thought that was poured into a media. They are divided into two kinds; informative literature and imaginative literature. Informative literature tell about facts, history, explanation, and great life figure, while imaginative literature are fantasy using connotative language and qualified aesthetic art. Literature includes the writing experimented result within language form to produce creative images or ideas that involve the readers' imagination deliberately and creatively (Goodman, 2001). Literature an expression of an author's expression in the form of written or oral work, based on the author's thoughts, opinions, experiences, in an imaginative form through language media. Literary works have benefits for human life because they can entertain, add knowledge and enrich readers' insights.

The main generic of literary work is divided into three kinds, namely poetry/poem, prose, and drama/movie. Different from poetry and novel that consist of written text, movie is a more complete mass media because it uses moving pictures and sounds to tell a story. (Hornby, 2005) explains that movie is a series of moving pictures recorded with the sound that tells a story shown on television or at the cinema or theater. According to (Sapp, 1986) movie is a motion picture which is considered as a source of entertainment or as an art form. Movie does not only tell a story or provide entertainment but also give a unique and interesting artwork due to the ideas that are poured in the form of live images.

Movie could be used as a form of entertainment, critics, propaganda, political and advertising tools, and as well as education tools. Educational messages in a movie could be used as means of learning to inculcate moral values. In general, the most important element in a movie is
