Lineage Book of the Charter Members of the Daughters of the American Revolution Daughters of the American Revolution, 1898 **The Button Box** Ruth Ellen Patton Totten, 2005 There was never a moment in our lives that we were not reminded that our father was the finest bravest most gallant and best looking man who ever lived and that he was destined for unimaginable glory This we took for granted Being our father's children was a special influence in all our lives but the greatest most pervasive and most interesting influence in my life was Ma The Button Box is the loving memoir of Beatrice Ayer Patton 1886-1953 the wife of one of the greatest military figures in history General George S Patton Jr Written by the Pattons daughter Ruth Ellen the book covers Beatrice's life from her youth in a wealthy New England family until her death with an emphasis on her years of marriage to George Patton A supportive and loving wife Beatrice was accomplished in her own right as an equestrian musician lecturer sailor and internationally published author Courageous and adventurous Beatrice played a significant role in her husband's life Without her General Patton might never have reached his own level of success Although there have been numerous books written on George S Patton The Button Box provides a unique perspective on the general's complex personality as well as a rare and intimate look inside his famous American family a glimpse of the Old Army that formed the cadre of the army of World War II and a detailed description of life between the wars in a society not to be seen again Most important though it is the story of a truly fascinating woman told with love and a rowdy sense of humor by her daughter **Joseph Patton and Cornelius Gardener: Two Men, Three Wars** Patton Galloway, 2009-03-15 Joseph Patton born in Ohio fought for the Union in the Civil War Cornelius Gardener who married Patton's daughter served forty years in the Army first on the Great Plains in the Indian Wars then in Cuba and the Philippines in the Spanish American war The son of a Dutch minister his protest of the Army's brutality toward Filipino insurgents helped trigger a congressional investigation The book traces these men's careers and families placing them in historical context and drawing on unpublished diaries and memoirs Lineage Book of the Charter Members of the Daughters of the American Revolution (revised) Daughters of the American Revolution, 1917 Includes inclusive Errata for the Lineage book Daughters of the American Revolution Magazine, 1897 **Northern Alabama**, 1888 **John Patton and His Descendants** Joseph Wilson

Court of Appeals,1856 *Patton's Madness* Jim Sudmeier,2019-12-15 Dwight Eisenhower called General George S Patton mentally unbalanced and just like a time bomb and indeed the egotistical mercurial aggressive Patton is perhaps as well known for his questionable behavior and eccentric beliefs as for his daring battlefield exploits In a brief but probing assessment of Patton s life based on strong research in primary sources and knowledge of psychology Jim Sudmeier considers the mind of Patton what made this military genius tick To what extent was Patton s boldness and brilliance as a general his willingness to welcome risk and danger connected to his unstable personality Sudmeier presents a myth shattering reconsideration of one of military history s most famous commanders

Patton Agostino von Hassell,Ed Breslin,2010-08-16 He was a harsh taskmaster who comforted dying soldiers and quietly commended their valor A crusty often foulmouthed commander who wrote tender letters home to the love of his life Gen George S Patton Jr comes to life in these pages as one of the most colorful enigmatic and unfairly maligned leaders in U S military history Often caricatured as in the big screen biopic Patton the general was a complex blend of battle tested strengths and nearly fatal personal flaws Without varnishing over his shortcomings Patton The Pursuit of Destiny shatters myths and builds a compelling case for a deeper appreciation of the man who inspired unsurpassed loyalty and admiration from the soldiers who served under him Destined for an outsized life Patton parlayed his family s deep military roots his World War I experiences his Olympic exploits and his passion for freedom to become one of the linchpins of Allied victory in World War II Dead Wrong Janice Kay Johnson,2010-12-27 A chilling blast from the past Six years ago prosecutor Will Patton s girlfriend stormed out on him That night she was brutally raped and murdered The violent act knocked Will s world out from under him alienating him from his family who Will believed were responsible Wrapped up in his own guilt and anger Will developed a powerful thirst for justice and was determined that no criminal would ever walk free again Now he s returned to his hometown but he is greeted by a gruesome discovery another body and an all too familiar calling card And once again the victim is romantically linked with Will In order to track down this serial killer Will teams up with rookie detective Trina Giallombardo only to realize that if he falls for her she ll be next **Notable Southern Families** Zella Armstrong,1918 Vol 5 by J P C French and Z Armstrong v 6 by J P C French **Patton's Last Gamble** Duane Schultz,2018-05-01 In March 1945 against the advice of his top subordinates Gen George Patton created a special task force to venture more than fifty miles behind enemy lines and liberate a POW camp near Hammelburg Germany The camp held some 1 500 American prisoners including Patton s son in law Hampered by ambushes and a lack of fuel and even maps the raid was a disaster one of the worst mistakes of Patton s legendary career Out of some 300 men only three dozen returned

Based on memoirs diaries combat reports and interviews with survivors Patton's Last Gamble vividly recounts a mission Gen Omar Bradley later said began as a wild goose chase and ended in tragedy *If Streets Could Talk* Lee Wayland,2011
