to the experience because of the uplifting feelings it brought to you Couples who are in love often do this In either case the event is technically over with Have you let those experiences go or are you still living within them as if they were happening now If the experience was negative did you resolve it or did you just bury it within the deep recesses of your mind where it may be awakened from time to time in reaction to life s continuing experiences If it was positive do you keep replaying it over and over as if there will be no more thereby preventing yourself from creating and enjoying even better ones Since the experiences however you would describe them have already happened you can now rewrite the memory or story of any of them in a way that allows you to let them go using the information and understanding you have assimilated since then If negative you can take the bitter foods of those experiences the spinach turnips and liver then add spices and sauces of understanding forgiveness and love and let them pass out of your consciousness leaving you free to create a buffet of even more tasteful and delicious life experiences The metaphorical foods that came my way may not have been ones I would have consciously chosen yet I have now made them palatable adding value to my life and allowing me to let them go and move on So can you This is a portion of my buffet of stories What are yours Ebony to Ivory Love C. Ann Miller,2012-04-23 Can an individual remain true to a decision not to fall in love with a person based solely on pigmentation African American Ambrie Kent believed so until her twenty year marriage to the love of her life faced destruction plunging her into a cocoon of depression Ambrie is now a year divorced and its her best girlfriend Bobbee Right to the rescue Within hours Ambrie meets the love of her life number two She finds herself taken with the kindness and adoration of Paul Daye an arrestingly handsome man Although she mentally battles her desires for this dashing figure of a man she falls for the blond haired blue eyed dream However Ambrie has her work cut out for her as she tries to enhance their relationship by moving it to the next level Ambrie is about to embark on an extraordinary second chapter in her life **The Sowers** Hugh Stowell Scott,1899 **Paris Undercover** Matthew Goodman,2025-02-04 Two women in Nazi occupied Paris created a daring escape line that rescued dozens of Allied servicemen With one still in a German prison camp the other wrote a book about it a memoir built on fabrications Now the bestselling author of Eighty Days shares their incredible never before told full story Goodman s gripping account chronicles the events both courageous and horrifying and illustrates how loyalty and betrayal can coincide in wartime and its aftermath The Washington Post A heart pounding tale that is impossible to put down Lynne Olson author of Madame Fourcade s Secret War Etta Shiber and Kate Bonnefous are the unlikeliest of heroines two seemingly ordinary women an American widow and an English divorc e living quietly together in Paris Yet during the Nazi occupation these two friends find themselves unexpectedly plunged into the whirlwind of history With the help of a French country priest and others they set out to rescue British and French soldiers trapped behind enemy lines some of whom they daringly smuggle through Nazi checkpoints hidden inside the trunk of their car Ultimately the Gestapo captures them both After eighteen months in prison Etta is returned to the United States in a prisoner exchange Back home hoping to bring attention to her

friend Kitty's bravery she publishes a memoir about their work Paris Underground becomes a publishing sensation and Etta a celebrity Meanwhile Kate spends the rest of the war in a Nazi prison entirely unaware of the book that has been written about her and the deeds that have been claimed in her name In researching this story Matthew Goodman uncovered military records and personal testimonies that reveal for the first time the shocking truth behind Etta's memoir and the unexpected far reaching consequences of its publication More than just a story of two women's remarkable courage Paris Undercover is a vivid gripping account of deceit betrayal and personal redemption *Henrietta* Patricia M Jackson, 2015-12-19 Tender romance witty humor spine chilling suspense You'll lose yourself in this book because the characters seem like you could sit down with them over coffee Etta and Tom have kissed passionately but don't remember it They're both starting life over she as a writer in grad school and he as a former hockey player after a career ending injury They start out as friends but soon their relationship blossoms into much more Is it possible to start over fresh with baggage from the past Or will what went before come looking for you when you least expect it Words from another Henrietta who rebuilt her life from tragedy bring answers that allow Etta to move forward It may be too little too late Henrietta is a coming of age romance the first in a three book series set in Marquette Michigan and rural Iowa You'll be amazed at how similar it is to real world events If you like engaging romances steamy enough to raise your heart rate download this gem today **The Bryson Ancestors on the Edge of New Frontiers** Jim Bryson, 2011-05-01 Describes the history of the Bryson families of North Carolina Tennessee and Texas starting with Scotch Irish immigration to the US in the 1700s through to Davis and Gladys Bryson in the 20th century Includes extensive photos of original documents illustrations of life during each generation discussions of what life was like for each family and coverage of many different branches of the family The author writes of the old photographs letters clippings and historic information that he and two of his cousins collected I realized that many of these items resided with a single individual and might soon be gone The idea of a way to make this information available to a wider range of friends and relatives started to form Thus I felt inspired to write this book It was surprising to me to see the large number of our ancestors who in every sense of the word were true pioneers and moved to the very edge of a new frontier Hence the title of this book *The Bryson Ancestors On the Edge of New Frontiers* Holstein-Friesian Herd Book Holstein-Friesian Association of Canada, 1914
