Paul Knows Not Jesus:

The Jesus Paul Knew James W. Reapsome, 2018-04-17 Many of us may have thought more about Paul's foundational theology than about how Paul learned more about Jesus and what it meant to obey him in the everyday tests of his faith. This ten-session LifeGuide Bible Study guide leads us through the growth in the apostle Paul's knowledge of Jesus and how it changed his life when at pivotal points he intersected with Jesus.

Saint Paul, Master of the Spiritual Life "in Christ" Elliott C. Maloney, 2014 In *Saint Paul* Elliott C. Maloney explores what the great saint says about the spiritual life: the how to in the day-to-day activities and concerns of Christians. How should people live in covenant relationship with God, committed to seeking God's will in every aspect of their lives? Spirituality is a popular topic, but it is regarded as merely one part of life, some higher level of living when compared to ordinary living. Even Catholic scholarship, Maloney argues, notable as it is in Pauline exegesis and theology, seems to lack a feel for the overall kind of living that Paul wanted for his communities, not to mention how we might appropriate such wisdom for today. For Paul, all of a believer's life is spiritual life. The alternative is a life according to the flesh, a self-centered life without God, a continual spiritual death. Based on over forty years of teaching and study of the Pauline letters, Maloney's *Saint Paul* offers a rich vision of Christianity and the spiritual life in Christ.

Getting at Jesus Peter S. Jesus: God, Man, Or Myth? Herbert Cutner, 1950

Shadow of the Third Century Alvin Boyd Kuhn, 2019-01-13 Shadow of the Third Century A Revaluation of Christianity first published in 1949 begins with the assertions that a true history of Christianity has never before been written and that the roots of the Christian religion lie in earlier religions and philosophies of the ancient world The author Alvin Boyd Kuhn asserts that Christianity as we know it took the form it did due to a degeneration of knowledge rather than to an energization produced by a new release of light and truth into the world In the ancient world knowledge was commonly passed down by esoteric traditions its inner meaning known only to the initiated The Gospels according to Kuhn should therefore be understood as symbolic narratives rather than as history Sacred scriptures are always written in a language of myth and symbol and the Christian religion threw away and lost their true meaning when it mistranslated this language into alleged history instead of reading it as spiritual allegory This literalism necessarily led to a religion antagonistic toward philosophy Moreover it produced a religion that failed to recognize its continuity with and debt to earlier esoteric schools As evidence of this Kuhn finds that many of the gospel stories and sayings have parallels in earlier works in particular those of Egypt and Greece The transformation of Jesus followers into Pauline Christians drew on these sources Moreover the misunderstanding of true Christianity led to the excesses of misguided asceticism Overall the book seeks to serve as a clarion call to the modern world to return to the primitive Christianity which the founder of Christian theology Augustine proclaimed had been the true religion of all humanity With its many citations from earlier works Shadow of the Third Century also serves as a bibliographic introduction to alternative histories of Christianity
