Paul McCartney:

Paul McCartney Barry Miles,1998-10-15 A definitive authorized portrait of Paul McCartney draws on hundreds of hours of exclusive interviews and access to personal archives to chronicle the private life and successful career of one of the world's most famous musicians the world of the Beatles his partnership with John Lennon and more **Paul McCartney in His Own Words** Paul McCartney,1976 The Unknown Paul McCartney Ian Peel,2013-04-02 Internationally acclaimed knighted and immortalised in music's pantheon Paul McCartney nevertheless remains one of the least fully appreciated of modern icons Throughout his career McCartney has initiated and participated in projects that have taken him very far away from the kind of music associated with his career in The Beatles in Wings and as a solo artist From as far back as the 1960s there have been experimental solo projects both under his own name and incognito These include the legendary Carnival of Light sixties freak out the Percy Thrillington diversion in the 70s techno ambient and chill out releases as The Fireman pure noise performance art as well as less publicised activity much of which Ian Peel now reveals in depth in print for the first time What emerges is a unique critical insight into an apparently over familiar public figure Paul McCartney avant garde musician Undertaking extensive research for this book Ian Peel interviewed many of McCartney's intimate musical associates from this less familiar side of his career including Super Furry Animals on their carrot chewing percussion and electronic sound collage collaborations Youth the three times BRIT nominated producer speaks in depth for the first time ever on his two albums of techno ambient and chill out recorded with McCartney as The Fireman Nitin Sawhney on McCartney's first tentative steps into drum bass holed up in Sawhney's London bedsit Richard Hewson breaks a 20 year silence on the Thrillington project and pseudonym David Vaughan the renowned psychedelic artist and organiser of 60s happenings airs his strong views on Carnival of Light The Beatles most legendary unreleased track Other interviewees include Yoko Ono bassist Herbie Flowers Gong's Daevid Allen Frank Zappa's guitarist Mike Keneally JJ Jeczalik Art of Noise and members of Wings

Paul McCartney Philip Norman,2017-05-04 The first biography written with Paul McCartney's approval and with access to family members and friends closest to him Superbly evoking half a century of popular music and culture Paul McCartney is the definitive life of a long misunderstood genius In this masterly biography history's most successful songwriter a man of seemingly effortless talent beauty and charm is revealed as a complex insecure workaholic who still feels as great a need to prove himself in his seventies as when he was a teenager We learn how his boyhood was blighted by the death of his mother Mary later the inspiration for Let It Be but redeemed by his remarkable father Jim a Liverpool cotton salesman who was his only music teacher and whose influence has permeated his career We understand as never before the creative symbiosis between John Lennon and himself that unlocked the extraordinary treasury of their songs for the Beatles when they were barely into their twenties and the fierce rivalry which lasted beyond the band's break up to the end of John's life and still haunts and inspires Paul to this day Here for the first time is the full story of Paul post Beatles his trauma after being brutally

sidelined by John George and Ringo over the appointment of their last manager Allen Klein his near breakdown on his remote Scottish farm and dogged determination to build a new band Wings into as big a name in the 1970s as the Beatles had been in the 1960s Here too is the first inside story of his marriage to Linda Eastman much criticised at the outset but destined to become the longest and strongest in rock until her death from cancer Here are the traumatic post Linda years when his charmed life seemed temporarily to crack up his whirlwind romance with Heather Mills ending after four years marriage in one of the most expensive and rancorous divorces in British legal history As richly fascinating and dramatic as its subject Paul McCartney The Biography is the last word on a man whose music has lit up the world **Band on the Run** Garry McGee,2003 Based on original interviews and ten years of research the book traces the history and inner dynamics of the super group including the role of Linda McCartney the band s commerical and artistic success and its untimely demise Many rare photographs of Paul Linda and family are included **Legends of Music** Charles River Charles River Editors,2017-12-30 Includes pictures of McCartney and important people places and events in his life Includes descriptions of the origins and recordings of some of McCartney s timeless classics including Penny Lane Yesterday Eleanor Rigby and Michelle Includes a Suggested Playlist of McCartney s greatest songs from his solo career and with the Beatles Includes a Bibliography for further reading In 1964 girls all across the United States filled venues almost literally screamed their heads off and fainted en masse Almost from the second they played the first note The Beatles would be hit with the resounding screams which made it impossible for them to even hear themselves sing When they made their American debut on The Ed Sullivan Show in early 1964 they were greeted by young fans who whipped themselves up into such a frenzy that some of them fainted Beatlemania had struck North America creating a musical and pop culture phenomenon unlike anything the world had ever seen In the middle of it all was Paul McCartney who joined with close friend and bandmate John Lennon to create history s greatest songwriting duo As the Cute Beatle McCartney was instrumental in creating the soundtrack of the 1960s while producing some of the world s most timeless classics together with Lennon George Harrison and Ringo Starr McCartney lacked the controversy of Lennon the spirituality of Harrison and the silliness of Starr but he was unquestionably one of the driving forces behind the Beatles most productive recording periods especially on the Beatles seminal Revolver album It was also McCartney who tried hardest to keep the Beatles together from 1968 1970 even while his perfectionist attention to detail frequently drove his bandmates crazy Ultimately it was McCartney who was the first to publicly announce his departure from the Beatles Sir Paul may have never topped the highs established by the Beatles but he has gone on to have the longest and most productive solo career of the four While that was helped in part by the tragic murder of Lennon in 1980 McCartney has nonetheless remained at the forefront of pop culture since 1970 and the Guinness Book of World Records has recognized him as the most successful recording artist of all time Indeed McCartney wrote or co wrote over 30 1 hits and has sold over 100 million albums and 100 million singles in his music career McCartney has provided an uncountable

number of anthems but his popularity has made his life extremely public and the subject of plenty of tabloid fodder from his causes to his marriages

Legends of Music The Life and Legacy of Paul McCartney covers McCartney's life and career in detail both in and out of the studio while analyzing his lasting legacy Along with a suggested playlist of McCartney's songs and pictures of important people places and events in his life you will learn about Sir Paul like you never have before in no time at all

Paul McCartney Tony Barrow, Robin Bextor, 2004 In this book Paul McCartney the most prolific member of the Beatles founder of Wings and enduring solo artist speaks in his own words of his private life his life as a singer musician composer and businessman of how the greatest band in the world came to be and how and why they broke up

Paul McCartney Now and Then is the inside story from the man himself Includes commentary from Sir George Martin Steve Miller Pete Best Brian Wilson Peter Asher and others Complemented throughout by rare many previously unseen photos shot over a career spanning more than four decades Robin Bextor is a well known documentary film maker and writer who has formed a close relationship with Paul McCartney over the years Tony Barrow who coined the phrase Fab Four was head of the Beatles Press Office from 1962-1968

That Was Me Richard D. Driver, 2023-07-24 Paul McCartney has lived an extraordinary life in popular music and popular culture His careers as a Beatle as a solo musician and band leader in Wings and in areas outside music have varied tremendously and are well documented That Was Me explores the impact of Paul McCartney as a musician outside the Beatles identifying the continued excitement in generations of fans and listeners and his perennial efforts to perform and record music Richard Driver argues that his solo career is multi faceted and extremely diverse ranging from breaking sharply with the style and output of the Beatles to experimenting in orchestral and operatic music and returning to music designed to emulate and reproduce the style success and popularity of the Beatles Through McCartney we can literally and symbolically view and revisit the popular music phenomenon that was the Beatles and popular music from the 1950s to today

Fly Away Paul Lesley-Ann Jones, 2023-10-19 No other book has come close to capturing so well what Paul McCartney is about nor described so vividly his mental breakdown when the Beatles separated nor his need for Linda to nurse him back to good health fascinating an extraordinarily brilliant book

SIMON NAPIER BELL Brava ANDREW LOOG OLDHAM The most brilliant journalism Captivating STEVE HARLEY COCKNEY REBEL Amazing meticulous JOHNNIE WALKER The first definitive account of Paul McCartney's time in Wings No comprehensive biography of the time Paul McCartney spent with Wings has ever been published A period often dismissed as McCartney's missing years in fact the band lasted for a decade two years longer than the Beatles and wielded such impact and influence that they at one point achieved the status as the biggest live band in the world Band on the Run sold over 6 million copies worldwide and became EMI's biggest selling album of the 1970s in the UK Music biographer Lesley Ann Jones has met McCartney many times and knew his late wife Linda Here she shows how crucial Linda was to the evolution of Wings at great cost to herself given the ridicule she was to encounter But Linda saw that McCartney needed the band in the wake of the break up of the Beatles Drawing on

extensive interviews and her trademark meticulous research the author shows how this period in Paul McCartney's career was to become crucial not only to his development as an artist but to his very survival

The Words and Music of Paul McCartney Vincent P. Benitez Jr., 2010-03-23 This examination of the solo music of Paul McCartney from 1970-2007 offers an analysis of his songs, recordings and his impact on popular music. *The Words and Music of Paul McCartney: The Solo Years* examines the large and varied oeuvre of this deeply personal artist showing how McCartney's stint as a Beatle continues to inform his solo music as well as how he has transcended his days as a member of the Fab Four. After a biographical introduction, chronologically arranged chapters explore McCartney's music in the immediate aftermath of the breakup of the Beatles, his work with Wings during the 1970s, his collaborations with other artists during the 1980s and his compositions of the 1990s including his first forays into classical music. The examination also covers McCartney's critically acclaimed work in the first decade of the 21st century including *Memory Almost Full* and *Ecce Cor Meum*, a composition written in the style of sacred English choral music. Throughout the book, supplies analytical insights and historical background to a repertoire that surprisingly has not previously been covered in detail.

The Lyrics Paul McCartney, Paul Muldoon, 2023-11-07 1 NEW YORK TIMES BESTSELLER A Washington Post Notable Book Excerpted in The New Yorker A work of unparalleled candor and splendorous beauty *The Lyrics* celebrates the creative life and the musical genius of Paul McCartney through his most meaningful songs. Finally in paperback and featuring seven new song commentaries, the 1 New York Times bestseller celebrates the creative life and unparalleled musical genius of Paul McCartney. Spanning sixty-four years from his early days in Liverpool through the historic decade of The Beatles to Wings and his solo career, Paul McCartney's *The Lyrics* revolutionized the way artists write about music. An unprecedented triumph. Times UK this handsomely designed volume pairs the definitive texts of over 160 songs with first person commentaries on McCartney's life, revealing the diverse circumstances in which songs were written, how they ultimately came to be, and the remarkable yet often delightfully ordinary people and places that inspired them. *The Lyrics* also includes a personal foreword by McCartney. An unprecedented range of songs from beloved standards like *Band on the Run* to new additions *Day Tripper* and *Magical Mystery Tour*. Over 160 images from McCartney's own archives. Edited and introduced by Pulitzer Prize winning poet Paul Muldoon. *The Lyrics* is the definitive literary and visual record of one of the greatest songwriters of all time.

Fab Howard Sounes, 2010-10-26 He is one of the most famous, most wealthy people on the planet and yet he remains little known and understood as a personality. At long last Paul McCartney is the subject of a major, deeply researched, psychologically acute biography. It tells a story that will illuminate and surprise. The publication finds McCartney, who turns 70 in 2012, revitalized as a performer touring with a set of mostly Beatles songs and a man buffeted by profound changes in recent years: the death of his first wife Linda, the death of George Harrison, a second marriage to Heather Mills, and its

spectacular failure the fall out from which is still crashing around him Paul McCartney Peter Ames Carlin,2009-11-03 From the acclaimed biographer who brought you the rock biography of Bruce Springsteen comes the life of musician Paul McCartney from his groundbreaking years with the Beatles to Wings to his work as a solo artist and activist More than a rock star more than a celebrity Paul McCartney is a cultural touchstone who helped transform popular music as one half of the legendary Lennon McCartney songwriting duo In this definitive biography Peter Ames Carlin examines McCartney s entire life casting new light not just on the Beatles era but also on his years with Wings and his thirty year relationship with his first wife Linda McCartney He takes us on a journey through a tumultuous couple of decades in which Paul struck out on his own as a solo artist reached the top of the charts with a new band and once again drew hundreds of thousands of screaming fans to his concerts Carlin presents McCartney as a musical visionary but also as a layered and conflicted figure as haunted by his own legacy and particularly his relationship with John Lennon as he was inspired by it Built on years of research and fresh revealing interviews with friends bandmates and collaborators spanning McCartney s entire life Carlin s lively biography captures the many faces of the living legend **Paul Mccartney - All the Best** Paul McCartney,2009-12 Easy Guitar 17 McCartney classics arranged for the beginning guitarist including Band on the Run Coming Up Ebony and Ivory Jet Junior s Farm Listen to What the Man Said Live and Let Die My Love No More Lonely Nights Say Say Say Silly Love Songs With a Little Luck and more *The Paul McCartney Catalog* Ted Montgomery,2020-01-31 This complete discography of Paul McCartney s solo and other post Beatles work examines his entire catalog It covers his studio and live albums and compilations including the trance electronic classical and cover albums and selected bootleg recordings all of the singles videos and DVDs and the 15 radio shows he made as Oobu Joobu Each song is reviewed in depth providing a wealth of information for both dedicated McCartney fans and those just discovering his music **Conversations with McCartney** Paul Du Noyer,2016-10-18 One of the most fascinating portraits to date of one of the most important cultural icons of our age Choice In June 1989 Paul Du Noyer was contacted by Paul McCartney s office in London They asked him to interview the star McCartney and Du Noyer had met once before and enjoyed a good rapport In the years that followed Du Noyer continued to meet interview and work for Paul McCartney on a regular basis producing magazine articles tour programs album liner notes press materials and editorial content for McCartney s website Du Noyer has spent more hours in formal recorded conversation with McCartney than any other writer *Conversations with McCartney* is the culmination of Du Noyer s long association with McCartney and his music Drawing from their interview sessions across thirty five years and coupling McCartney s own candid thoughts with Du Noyer s observations and analysis *Conversations with McCartney* is beautifully written a sensitive shrewd portrait of one of the most accomplished musical artists of our time Readers get to hear the seemingly ageless former Beatle discuss a variety of topics songwriting religion and spirituality his enduring relationship with Linda Eastman his reflections on the breakup of the Beatles and life after the group Publishers Weekly A welcome

Paul McCartney Introduction

In the digital age, access to information has become easier than ever before. The ability to download Paul McCartney has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Paul McCartney has opened up a world of possibilities. Downloading Paul McCartney provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Paul McCartney has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Paul McCartney. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Paul McCartney. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Paul McCartney, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Paul McCartney has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
