## **Paul And His Converts:**

**Paul and His Converts**, 2019 *Paul & His Converts* Frederick Fyvie Bruce, 1985-01-01 [Paul and His Converts](#)  
Ernest Best, 1988 **Paul the Convert** Alan F. Segal, 1990-01-01 In this revisionist work Segal maintains that Paul's life can be better understood by taking his Jewishness seriously and that Jewish history can be greatly illuminated by examining Paul's writings a blockbuster of a book about Paul that blazes a new trail *New Theology Review* **The Road from Damascus**  
Richard N. Longenecker, 2002-01-10 Conversion is intrinsic to the Christian Religion The most remarkable conversion recorded in the New Testament is that of Paul and most Christians consider Christ's encounter with Paul to be a prototype of Christian conversion generally This collection of eleven essays give Paul's conversion a firmer rootage in the biblical materials while also emphasizing personal application The contributors examine the nature of Paul's Damascus Road experience and the impact of that experience on his thought and ministry and explore how Paul's experience functions as a paradigm for Christian thought and action today **Paul and His Converts** Frederick Fyvie Bruce, 1962 [Spirituality of Saint Paul, The](#) Frank J. Matera, 2017 Recognizing that we can't actually imitate Christ St Paul calls us to use him as a model and imitate him in his conformity to the paschal mystery **Recovering Paul's Mother Tongue** Susan G. Eastman, 2007-08-28 Paul's letter to the Galatians begins with a proclamation of deliverance from the present evil age and comes to a climax with the ringing cry new creation The letter moves from the Galatian believers new identity in Christ to the implications of that identity for their life together Susan Eastman here argues that Galatians 4:12-5:1 plays a key role in this movement it displays the power of God's act in Christ apart from the law not only to generate the Galatians new life in Christ but also to perfect it Paul communicates to his converts the motivation and power necessary to move them from their ambivalence about his gospel to a faith that stands fast in its allegiance to Christ alone Eastman argues that the medium and the message are inseparable Paul's discourse or mother tongue packed with maternal images vulnerable yet authoritative and marked by personal suffering demonstrates the content of the good news **Paul, His Letters, and Acts (Library of Pauline Studies)** Thomas E. Phillips, 2010-01-01 Aside from Jesus the Apostle Paul had the greatest formative influence on the early Christian movement Yet who was this passionate missionary who carried the message of Christ throughout the Mediterranean world The New Testament writings give us not one but two portraits of Paul We read numerous details of Paul's life and relationships in the Book of Acts and we also find an additional set of details about Paul's activities in his letters Yet how consistent are these two portraits And which one gives us the most accurate picture of the historical Paul In this volume Thomas E Phillips examines the portrayals of Paul in recent biblical scholarship in the light of these two major NT portraits Believing the apostolic conference at Jerusalem to be a watershed event Phillips draws conclusions that help contemporary readers get a more accurate picture of Paul **Paul's Letter to the Philippians** Ben Witherington, 2011-10-06 Interprets Paul's letter in light of its rhetorical content and cultural context Skeptical of the trend among many biblical scholars to

analyze Paul's short affectionate letter to the Philippians in light of Greco-Roman letter writing conventions Ben Witherington instead looks at Philippians as a masterful piece of long distance oratory an extension of Paul's oral speech dictated to a scribe and meant to be read aloud to its recipients Witherington examines Philippians in light of Greco-Roman rhetorical conventions identifying Paul's purpose highlighting his main points and his persuasive strategies and considering how his original audience would have heard and received Paul's message

**Conversion in Luke and Paul: An Exegetical and Theological Exploration** David S. Morlan, 2012-12-20 This study explores the conversion theologies of Luke and Paul For Luke and Paul conversion played an important role in the early Christian experience and Morlan offers a fresh look into how they interpreted this phenomenon Morlan traverses representative texts in the Lukan and Pauline corpus equipped with three theological questions What is the change involved in this conversion Why is conversion necessary Who is responsible for conversion Morlan presents theological and exegetical analysis of Luke 15 Acts 2 Acts 17 16 34 Romans 2 and Romans 9 11 and answers these questions and in turn builds theological profiles for both Luke and Paul These profiles provide fresh insight into the theological relationship between Luke and Paul showing significant similarities as well as sharp contrasts between them Similarities surface between Luke and Paul concerning the centrality of Christology in their conversion theologies While showing a complex relationship between human and divine agency in conversion both Luke and Paul understand successful conversion to be impossible without the intervention of an agency outside of the pre-convert

Spirituality According to Paul Rodney Reeves, 2011-09-28 Rodney Reeves contrasts easy spiritualities of serenity and retreat with the apostle Paul's vision a cross-shaped spirituality for fools making their way through life's trials Responding to Paul's invitation follow me as I follow Christ Reeves discovers an ancient spiritual path in the letters of Paul *Paul and the Mission of the Church* James P. Ware, 2011-07-01 Did Paul urge Christians to engage in mission What would that have meant in his setting What should the church be doing now This essential study examines Paul's letter to the Philippians in its ancient Jewish context making a convincing case that Paul expected churches to continue the work of spreading the gospel Published in hardcover by Brill it is now available as an affordable paperback *Watson's Jeffersonian Magazine*, 1913

**Paul's Narrative Thought World** Ben Witherington, 1994-01-01 It is a common belief that Paul's letters are not stories but rather theological ideas and practical advice Ben Witherington III thinks otherwise He is convinced that all of Paul's ideas arguments practical advice and social arrangements are ultimately grounded in stories some found in the Hebrew Scriptures and some found in the oral tradition

**The Problem with Evangelical Theology** Ben Witherington (III), 2005 There is no doubting the legacy of the Protestant Reformers and their successors Luther Calvin and Wesley not only spawned specific denominational traditions but their writings have been instrumental in forging a broadly embraced evangelical theology as well In this volume Ben Witherington wrestles with some of the big ideas of these major traditional theological systems sin God's sovereignty prophecy grace and the Holy Spirit asking tough questions about their biblical foundations

Witherington argues that evangelicalism sometimes wrongly assumes a biblical warrant for some of its more popular beliefs and further he pushes the reader to engage the larger story and plot of the Bible to understand these central elements of belief Donald K McKim Editor Encyclopedia of the Reformed Faith

**The Epistles to the Thessalonians** Charles A. Wanamaker, 1990 The letters of Paul to the newly founded Christian community at Thessalonica hold a special place within the Christian tradition as possibly the earliest extant Christian writings They are also of special interest not only for their theological value but for their sociological context Among the communities established by Paul the church at Thessalonica appears to have been the only one to have suffered serious external oppression These two important epistles then speak uniquely to contemporary Christians living in a society often ideologically if not politically opposed to Christian faith In this innovative commentary Charles A Wanamaker incorporates what may be called a social science approach to the study of 1 and 2 Thessalonians taking into full account the social context that gave rise to Paul's correspondence While Wanamaker in no way ignores traditional historical critical linguistic literary and theological approaches to writing a commentary in fact at several points he makes a significant contribution to the questions raised by traditional exegesis at the same time he goes beyond previous commentaries on the Thessalonian correspondence by taking seriously the social dimensions both of Christianity at Thessalonica and of the texts of 1 and 2 Thessalonians themselves In blending traditional exegetical methods with this newer approach Wanamaker seeks to understand Pauline Christianity at Thessalonica as a socio religious movement in the first century Greco Roman world and attempts to grasp the social character and functions of Paul's letters within this context A significant and original addition to the literature on 1 and 2 Thessalonians this commentary will be valuable to scholars pastors and students alike

**Paul's Understanding of the Church's Mission** Robert Lewis Plummer, 2006 This book engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in missionary activity It helpfully summarizes the discussion on this debated issue judiciously handling contested texts and provides a way forward in addressing this critical question While admitting that Paul rarely explicitly commands the communities he founded to evangelize Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in mission activity Throughout the study Plummer progressively builds a theological basis for the church's mission that is both distinctively Pauline and compelling

Paul and Imperial Divine Honors D. Clint Burnett, 2024-03-19 How did the imperial cult affect Christians in the Roman Empire Jesus is lord not Caesar Many scholars and preachers attribute mistreatment of early Christians by Roman authorities to this fundamental confessional conflict But this mantra relies on a reductive understanding of the imperial cult D Clint Burnett examines copious evidence literary epigraphic numismatic and archaeological to more accurately reconstruct Christian engagement with imperial divine honors Outdated narratives often treat imperial divine honors as uniform and centralized focusing on the city of Rome Instead Burnett examines divine honors in Philippi Thessalonica and Corinth While all three cities incorporated

imperial cultic activity in their social religious economic and political life the purposes and contours of the practice varied based on the city's unique history For instance Thessalonica paid divine honors to living Julio Claudians as tribute for their status as a free city in the empire and Christian resistance to the practice was seen as a threat to that independence Ultimately Burnett argues that early Christianity was not specifically antigovernment but more broadly countercultural and that responses to this stance ranged from conflict to apathy Burnett's compelling argument challenges common assumptions about the first Christians place in the Roman Empire This fresh account will benefit Christians seeking to understand their faith's place in public life today

*Paul, a Jew on the Margins* Calvin J. Roetzel, 2003-01-01 Paul's messianism put him at the margins of Pharisaism his preaching placed him in tension with the Synagogue and his Gospel set him on the outer border of Hellenistic religion This book explores the tensions and creativity that Paul's marginality let loose In six short chapters Roetzel explains Paul's complex relationship to first century Judaism and elements of the early church In so doing he tackles a great many of the most disputed areas of Pauline theology How can we speak of Paul as a convert How far did Paul accept the apocalyptic myth What are we to make of Paul's theology of weakness How far did Paul embrace pluralism And how could Paul preach that Gentiles shared in God's election without excluding Jews
