Paul And Jesus:

Paul and Jesus James D. Tabor, 2013-11-26 Draws on St Paul's letters and other early sources to reveal the apostles sharply competing ideas about the significance of Jesus and his teachings while demonstrating how St Paul independently shaped Christianity as it is known today *Paul and Jesus* David Wenham, 2002 It has been fashionable in New Testament scholarship to view the apostle Paul as a religious freelancer who corrupted Jesus' teachings. David Wenham has written convincingly against this view and in this new book he introduces readers to the true Paul. Rooted in a thorough knowledge of the New Testament, this book fulfills two important purposes. First, it provides a superb introduction to Paul himself. Wenham describes Paul's early life, shows the importance of his conversion, and follows him on his missionary journeys. Second, the book explores Paul's relation to Jesus. Writing in dialogue with those who wish to distance Paul from Jesus, Wenham shows just how important the ministry and teaching of Jesus were to Paul's own thought and evangelism. What emerges from a study of Paul's epistles is a man who drew extensively on the traditions of Jesus and faithfully worked to spread his message to the rest of the world Jesus, Paul, and the Gospels James D.G. Dunn, 2011-05-03 This compact theological primer from a widely respected scholar offers a well-integrated and illuminating approach to a variety of basic issues in the study of the New Testament. Provided by publisher *Paul, the Apostle of Jesus Christ* Ferdinand Christian Baur, 2021-05-28 Baur's *Paul the Apostle of Jesus Christ* was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul. It lays the basis for modern Pauline scholarship. The first part, *The Life and Activity of the Apostle Paul*, consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles. While the author of Acts passed on historical traditions about Paul, he greatly embellished them with stories about the miraculous feats of the apostles and constructed the entire account to show fictitious parallels between the apostles Peter and Paul. The second part, *The Epistles of the Apostle Paul*, is divided into three main sections: the authentic epistles of Paul (Galatians 1 and 2, Corinthians, Romans), the deutero-Pauline epistles (Ephesians, Colossians, Philippians, Thessalonians, Philemon), and the Pastoral Epistles (1 and 2 Timothy, Titus). In the first two parts, Baur's historical critical skills are at their finest. The third part, *The Apostle's Theological Framework*, draws the elements of Pauline theology into a magnificent synthesis where the influence of Hegel and Schleiermacher is evident. The earlier English translation is no longer adequate. Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek. Baur on Paul truly becomes available in English for the first time Jesus Have I Loved, but Paul? J. R. Daniel Kirk, 2012-01-01 Readers of the Bible are often drawn to Jesus's message and ministry, but they are not as positively inclined toward Paul. What should people who love Jesus do with Paul? Here Pauline scholar J. R. Daniel Kirk offers a fresh and timely engagement of the debated relationship between Paul's writings and the portrait of Jesus contained in the Gospels. He integrates the messages of Jesus and Paul both with one another and with the Old Testament, demonstrating the continuity that exists between these two

foundational figures After laying out the narrative contours of the Christian life Kirk provides fresh perspective on challenging issues facing today's world from environmental concerns to social justice to homosexuality **Paul and Jesus** Alexander J. M. Wedderburn, 2015-01-29 The relationship between the messages of Jesus and Paul once dubbed by one scholar the second founder of Christianity must count as one of the most central issues in the study of the New Testament The essays collected in this volume first survey the history of the study of this problem and look at some of the main evidence for supposing that the connection between Jesus and Paul was slight notably the paucity of Paul's references to Jesus teachings and his seeming disinterest in the earthly Jesus Other essays take up the question of the continuity between the teaching and the manner of life of the two men and raise the question how this continuity may have been mediated from one to the other A final essay raises the question how far Paul's statements about Christ were related to the earthly life of Jesus This volume brings together a number of substantial contributions to this question by Professor V P Furnish of Dallas by two scholars from the German Democratic Republic Professor N Walter and Dr C Wolff and by the editor **Paul and Jesus** James D. Tabor, 2012-11 Jesus the Lord according to Paul the Apostle Gordon D. Fee, 2018-01-02 Representing the fruit of a lifetime of study this work from a revered evangelical scholar provides a concise summary of Paul's teaching about Jesus Over the years Gordon Fee has written and taught extensively on Paul's understanding of the person of Christ In this handy volume he offers the results of his exegetical work in a form accessible to any interested reader of Scripture The book includes a foreword by Cherith Fee Nordling **When Paul Met Jesus** Stanley E. Porter, 2016-02-24 Did Paul ever meet Jesus and hear him teach A century ago a curious assortment of scholars William Ramsay Johannes Weiss and James Hope Moulton thought that he had Since then their idea has virtually disappeared from New Testament scholarship to be revived in this monograph When Paul Met Jesus is an exercise in both biblical exegesis and intellectual history After examining the positive arguments raised it considers the negative influence of Ferdinand Christian Baur William Wrede and Rudolf Bultmann on such an idea as they drove a growing wedge between Jesus and Paul In response Stanley E Porter analyzes three passages in the New Testament Acts 9:1-9 and its parallels 1 Corinthians 9:1 and 2 Corinthians 5:16 to confirm that there is New Testament evidence that Paul encountered Jesus The implications of this discovery are then explored in important Pauline passages that draw Jesus and Paul back together again **The Gospel** P. Barnes, 1994 *Jesus Or Paul?* Arnold Meyer, 1909 *Jesus and Paul Reconnected* Todd D. Still, 2007-10-15 The six essays in this volume consider the relationship between Jesus and Paul from diverse angles bringing fresh insights into an area of study that has long lain dormant Written by established scholars Jesus and Paul Reconnected explores historical congruity between Christ and his apostle and examines potential connections in their thought relationships and practices Topics considered include the grace of God treatment of the poor law and gospel Peter's connection between the two the Last Supper and the death of Christ Todd Still brings these superb scholars together in hopes of encouraging further conversation and contributing to this

growing area of New Testament research The result is a new and stimulating exploration of these two extraordinary figures of the faith Contributors John M G Barclay Markus Bockmuehl Beverly Roberts Gaventa Bruce W Longenecker Francis Watson Stephen Westerholm *The "Man Christ Jesus"* Stephen Oliver Stout,2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul s intriguing description of the Man Christ Jesus 1 Tim 2 5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul s Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul s gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus **Understanding Paul** Stephen Westerholm,2004-08-01 Two thousand years later Paul attracts more attention than any other figure from antiquity besides one writes Stephen Westerholm Why the fascination with the apostle Paul Westerholm explains that Paul remains such a compelling figure because he was a man completely captivated by a particular way of looking at life Using the themes of the Epistle to the Romans Westerholm helps readers understand the major components of Paul s vision of life He delves into the writings of the Old Testament explores their influence on Paul and engages contemporary readers in a thought provoking reconsideration of their own assumptions about faith theology and ethics This insightful introduction gives postmodern readers especially those with little or no biblical background a necessary big picture look at Paul s view of reality Paul and the Gospels Michael F. Bird,Joel Willits,2013-05-01 This volume which collects together the work of several established scholars attempts to situate the Apostle Paul the Pauline writings and the earliest Christian Gospels together in the context of early Christianity It addresses the issue of how the Christianity depicted in and represented by the individual Gospels relates to the vision of Christianity represented by Paul and the Pauline writings This raises such questions as to what extent did Paul influence the canonical and non canonical Gospels In what way are the Gospels reactions to Paul and his legacy A comparison of the Gospels and Paul on topics such as Old Testament Law Gentile mission Christology and early church leadership structures represents a fruitful area of study While a number of volumes have appeared that attempt to assess the relationship between the historical Jesus and the Apostle Paul relatively few studies on Paul and the Gospels have been published This volume excellently fills this gap in New Testament Studies and makes a valuable contribution to studies on Christian Origins Pauline research and

the Gospels **Did St Paul Get Jesus Right?** David Wenham, 2011-10-19 Was St Paul a distorter of Jesus original message or a faithful follower Over recent years some critics of Christianity have claimed that while Jesus was a gifted teacher and a man of unparalleled kindness St Paul was the true founder of Christianity which he based on a delusional mistake the idea that Jesus was God This theory has found its way into academia churches newspapers and most recently novels In *Did St Paul Get Jesus Right* respected New Testament scholar David Wenham looks at the historical evidence for such claims Comparing the life and message of Jesus with the writings of St Paul he offers a thoughtful exploration of their relationship concluding that far from imagining Christianity Paul was the messenger of an inherited faith Paul and Jesus Johannes Weiss, 2023-07-18 A groundbreaking work of biblical scholarship this book reexamines the relationship between the apostle Paul and the historical Jesus With fresh insights and bold perspectives it offers a compelling new vision of these two pivotal figures and their roles in the development of Christianity This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Two Gospels - Paul & Jesus* Donald Werner, 2017-08-22 While the modern day Christian Church follows the Gospel of Paul it wasn't always so The early church followed the Gospel of Jesus There are two Gospels I doubt that many people realize that there are two Gospels and they are polar opposites The church jumps through hoops and does all it can to synchronize Paul's teachings with Jesus teachings but it failed When you read in this book the comparison of the two Gospels you will see why they are incompatible They are so incompatible that they can't both exist in the church so the church has rejected Jesus Gospel in favor of the Paul's Gospel of lawlessness The second half of the book deals with Paul Many love Paul and his teachings and embrace them in place of Jesus teachings Other see Paul as an anti-christ figure teaching a Gospel that is the opposite of the Gospel Jesus taught I lay out the facts and you will have to decide for yourself Paul and Jesus F. F. Bruce, 2020-01-24 No contemporary evangelical scholar is better equipped than F. F. Bruce to refute the proposition advanced by liberal higher critics that the theology of Paul represented a departure from that of Jesus The Rylands Professor of Biblical Criticism and Exegesis at the University of Manchester admits differences in form between the messages of Jesus and Paul crediting the dissimilarities to different perspectives But after Bruce delineates Paul's gospel distinguishing between those elements Paul received from God directly and those received from Christian tradition he demonstrates that the ways of salvation to which Paul and Jesus pointed were identical in essence Especially when discussing ethical matters Paul was frequently dependent on Christ's very words Bruce concludes by tying Paul's concept of the Lordship of Jesus to

both Old Testament wisdom and the earliest Christian confessions **Pillars of Paul's Gospel** John F.
