Gary Pulsifer

Paul Bowles In Morocco:

Paul Bowles Allen Hibbard, 2004 Paul Bowles 1910 1999 was one of the most paradoxical literary talents of his century a sophisticated New York writer and composer who lived a half century in Morocco a man who fled the western world that acclaimed him Paul Bowles *Magic and Morocco* is an extended homage a memoir of a friendship and an examination of more than a half century's influence of North African magic on Bowles's sensibilities and fictions Allen Hibbard a scholar and close friend situates Bowles with others like Conrad and Lawrence who lived a split existence literally and metaphorically divided between the modern and the primitive With an extensive knowledge of the Middle East and North Africa Hibbard weaves literary analysis and personal insight thereby yielding a unique understanding of the effects of Moroccan culture upon Bowles's sensibility

Paul Bowles in Morocco, *Paul Bowles and Morocco* Aftermath Books, 2007 Paul Bowles's Literary Engagement with Morocco Bouchra Benlemlih, Allen Hibbard, 2017 Many American writers visited Morocco Paul Bowles ended up living there for fifty two years This book looks at how Bowles's preoccupation with Moroccan customs specifically meditations and a state of being in between permeated his work *Let it Come Down* Paul Bowles, 2011-08-09 In *Let It Come Down* Paul Bowles plots the doomed trajectory of Nelson Dyar a New York bank teller who comes to Tangier in search of a different life and ends up giving in to his darkest impulses Rich in descriptions of the corruption and decadence of the International Zone in the last days before Moroccan independence Bowles's second novel is an alternately comic and horrific account of a descent into nihilism *The Stories of Paul Bowles* Paul Bowles, 2010-12-28 Bowles's tales are at once austere witty violent and sensuous They move with the inevitability of myth His language has a purity of line a poise and authority entirely its own Tobias Wolff An American cult figure Paul Bowles has fascinated such disparate talents as Norman Mailer Allen Ginsberg Truman Capote William S Burroughs Gore Vidal and Tobias Wolff From *The Delicate Prey* to *Too Far from Home* this definitive collection celebrates the Bowles's masterful artistry in short fiction *An American in Morocco*, 2012 An Invisible Spectator Christopher Sawyer-Laucanno, 1999 Filled with insights into an enigma USA Today An Invisible Spectator chronicles Paul Bowles's life and work interwoven with vivid depictions of the writer's intimates including Truman Capote Gertrude Stein Allen Ginsberg and William Burroughs

Paul Bowles's Literary Engagement with Morocco Bouchra Benlemlih, 2018-01-05 This study argues that Paul Bowles is more perceptive than many American travelers in Morocco The book provides us with what are perhaps the most sustained meditations to date on Bowles's translation work and his autobiography as well as perceptive analyses of key stories such as *A Distant Episode* and *Here to Learn* and his second novel *Let It Come Down* set primarily in Tangier The chapter on translation dwells on the complex interactions between Moroccan storytellers and Bowles The work considers translation as a site where the oral and written colonial and post colonial scene and English and Maghrebi come face to face it is a place where things are worked out in dynamic interaction The chapter on Bowles's autobiography *Without Stopping* urges us to take this piece of self writing

famously dubbed *Without Telling* by William Burroughs more seriously drawing our attention to baroque architectural features of mind and external landscape worlds distorted by mirrors dreams and fluid transit where forms morph The work also highlights difference between experience and representation of experience through language transformed through the prism of memory In the chapter on *Without Stopping* as well as in my discussions of Bowles's fiction I provide useful elaborations of connections between Bowles's work and that of Edgar Allan Poe My reading of one of Bowles's best known stories *A Distant Episode* brings to the surface a recognition that the tragic fate of the Professor the story's protagonist is an outcome of his inability to admit that cultures are not static The academically trained linguist demonstrates an unwillingness or inability to adapt to change or to read cultural signs accurately The message is that Morocco is not stuck in time and cannot be held in place by Orientalist fantasies or preconceived externally derived intellectual constructs and assumptions The book concludes that against the grain of Samuel Huntington's notion of *Clash of Civilizations* Bowles's poetic and geographical journey forcefully projects cosmopolitanism and transnational attention confirming that civilizations and identities open up rather than shut down war or clash

Without Stopping Paul Bowles, 1972 ***Travels*** Paul Bowles, 2010-06-26 Paul Bowles began travelling the moment he could leaving America as a teenager to visit Gertrude Stein in Paris He settled in Morocco after the war and for thirty years travelled in North Africa Central America Southeast Asia Indian and Sri Lanka where he bought an island He wrote articles essays and journals along the way writing which ranks with his novels in its astute observation dry wit and impeccable prose *Travels* brings together for the first time Paul Bowles's travel writing and journals It includes the full text of his book *Their Heads Are Green* along with thirty other pieces previously unpublished in book form They are accompanied by fifty photos from the Bowles archive

Points in Time Paul Bowles, 2006-10-31 In this intense and brilliant book Bowles focuses on Morocco condensing experience emotion and the whole history of a people into a series of short insightful vignettes He distills for us the very essence of Moroccan culture With extraordinary immediacy he takes the reader on a journey through the Moroccan centuries pausing at points along the way to create resonant images of the country its landscapes and the beliefs and characteristics of its inhabitants

Paul Bowles Virginia Spencer Carr, 2004 An acclaimed biographer with unsurpassed personal access to Paul Bowles 1910-2001 and to his friends and his archive pens this revelatory biography of the writer of the 1949 autobiographical bestselling novel *The Sheltering Sky*

Paul Bowles by His Friends Gary Pulsifer, 1992 This collection of reminiscences of the writer Paul Bowles presents a composite portrait of his complex yet reticent personality Various contributors writers painters composers journalists and publishers have known him for many years Paul Bowles's accomplishments as a composer of music and his work for the theatre are also brought to the fore

Their Heads Are Green And Their Hands Are Blue Paul Bowles, 2016-01-27 In the nineteenth century there flourished a peculiar breed of Englishmen often the second sons of the aristocracy or ambitious men from a lower class who as soldiers consuls and tea planters were largely responsible for making

England a great colonial power Save for the fact that he is a staunch anticolonialist Paul Bowles resembles these men in many respects Like them he appears to be happiest away from civilization as we know it like them he thrives when the traveling is hardest the food ghastly or infrequent water scarce heat intolerable or mosquitoes abundant This engaging collection of eight travel essays by the author of such noted fiction as *The Sheltering Sky* and *The Delicate Prey* deals largely with places in the world that few Westerners have ever heard of much less seen places as yet unencumbered by the trappings luxuries and corruptions of modern civilization Except for one essay on Central America all of these pieces are concerned with remote spots in the Hindu Buddhist or Mohammedan worlds The author is a sympathetic and discerning interpreter of these alien cultures and his eyes and ears are especially alert both to what is bizarre and what is wise in the civilizations in which he settles He is also acutely aware of the transitions occurring on the fringes of many of these regions and he is disturbed and indignant about the corrosive effect of Western culture on the non Christian way of life Above all however Paul Bowles is a superb and observant traveler born wanderer who finds pleasure in the inaccessible and who cheerfully endures the concomitant hardships matter of factly and with humor These essays provide us with Paul Bowles s characteristic insightfulness and bring us closer to a world we frequently hear about but often find difficult to understand **Days** Paul Bowles,2006-06-13 Between 1987 and 1989 Paul Bowles at the suggestion of a friend kept a journal to record the daily events of his life What emerges is not only just a record of the meals conversations and health concerns of the author of *The Sheltering Sky* but also a fascinating look at an artist at work in a new medium Characterized by a refreshing informality clear sightedness and passages of exquisite prose these pages record with equal fascination the behavior of an itinerant spider a brutal episode of violence in a Tangier marketplace and the pageantry and excess of Malcolm Forbes s seventieth birthday party In *Days* a master observer of the foreign and obscure turns his attentions toward his own daily existence giving us a startlingly candid portrait of his life in late twentieth century Tangier **Without Stopping** Paul Bowles,1999-04-01 Paul Bowles the acclaimed author of *The Sheltering Sky* offers moving powerful subtle and fascinating insights into his life his writing and his world **You Are Not I** Millicent Dillon,2000-03-08 *You Are Not I* is a portrait of the elusive writer composer Paul Bowles who left the United States in 1947 to live permanently in Morocco There he created some of the finest American prose of the century including the international bestseller *The Sheltering Sky* In his brilliant and terrifying short stories and novels he explores haunting themes of desire exile and emotional disintegration Millicent Dillon interweaves episodes in Paul Bowles s life distillations of his work reports of their conversations and speculations on the connections between his life and his work [A Distant Episode](#) Paul Bowles,2006-06-13 *A Distant Episode* contains the best of Paul Bowles s short stories as selected by the author An American cult figure Bowles has fascinated such disparate talents as Norman Mailer Allen Ginsberg Truman Capote William S Burroughs Gore Vidal and Jay McInerney **The Sheltering Sky** Paul Bowles,2011-12-06 *The Sheltering Sky* is one of the most original even visionary works of fiction to appear in the

twentieth century Tobias Wolff It stands head and shoulders above most other novels published in English since World War II
New Republic In this classic work of psychological terror Paul Bowles examines the ways in which Americans apprehend
other cultures and the ways in which their incomprehension destroys them The story of three American travelers adrift in the
cities and deserts of North Africa after World War II The Sheltering Sky is at once merciless and heartbreaking in its
compassion It etches the limits of human reason and intelligence perhaps even the limits of human life when they touch the
unfathomable emptiness and impassive cruelty of the desert
