Seitz,2017-12-02 Excerpt from Paul Jones His Exploits in English Seas During 1778 1780 Contemporary Accounts Collected From English Newspapers With a Complete Bibliography John paul jones has received a liberal share of historical attention as the bibliography which forms a large part

of this volume shows since he stepped forth as a free citizen of the world in defence Of the violated rights of mankind Research and romance have alike combined to exalt and immortalize his fame Coming into possession not long ago of the files of the London daily newspapers for 1778 1779 I was struck with the fine English and clear statements of the writers of the day in recording the exploits of the naval adventurer and conceived the notion that if these were aligned they would form a better record of the two campaigns than that furnished by any his torian SO I have ventured to put them together The modern newspaper has little time for the accu rate adjustment of news value Exploration of the files for the establishment of basic facts is one of the sorest trials of the writers of history because there is so much rumor so much spreading so much desire to make the most of passing interest and so great a tendency to prefer anticipation to conclusion Besides few events are complete in themselves and must be judged by their ultimate and Often remote results About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
