With a Portrait. Gretel SCHNEIDER, Edwin Hanton Robertson, Paul SCHNEIDER (Pastor of Hochelheim.), 1956 **Paul Schneider** Jochen

Wagner, 2024-03-22 Mein Gott haltst du mich fest Aus dem Tagebuch von Paul Schneider Zeit seines Lebens setzt sich Paul Schneider mit seinem Glauben auseinander Mal zweifelt er an sich und seinem Glauben dann wieder gewinnt er aus ihm neue Kraft Schneider kam im Ersten Weltkrieg studiert anschließend Evangelische Theologie und wird Pfarrer An seiner Seite ist seine Frau Margarete Dieterich deren Bedeutung für sein Leben und Wirken kaum überschätzt werden kann In der Zeit des Nationalsozialismus wird der Zweifler zu einem mutigen Christen Er ist Teil der Bekennenden Kirche wird wegen seiner kritischen Überzeugungen mehrfach verhaftet und kommt schließlich ins Konzentrationslager Buchenwald Trotz massiver Misshandlungen lässt er sich nicht davon abhalten seinen Mitgefangenen aus dem Fenster seiner Zelle Mut zuzusprechen und das Unrecht der SS Leute anzuklagen Noch vor Ausbruch des Zweiten Weltkriegs wird Paul Schneider der Prediger von Buchenwald am 18 Juli 1939 mittels einer Giftinjektion im Konzentrationslager ermordet Der mutige Christ gilt als Märtyrer der Bekennenden Kirche **Manifesto of the Critical Theory of Society and Religion (3 vols.)** Rudolf

Siebert, 2010-08-16 The Manifesto develops further the Critical Theory of Religion intrinsic to the Critical Theory of Society of the Frankfurt School into a new paradigm of the Psychology Sociology Philosophy and Theology of Religion Its central theme is the theodicy problem The Manifesto approaches this theme in the framework of comparative religion and critical political theology in a narrative and discursive fashion In search of a solution to the theodicy problem the Manifesto explores trends in civil society toward Alternative Future I the Totally Administered Society Alternative Future II the Militarized Society and Alternative Future III the Reconciled Society in the horizon of the longing for the Wholly Other as perfect justice and unconditional love Toward that goal it relies on both the critical theory of society as developed by Max Horkheimer Ernst Bloch Walter Benjamin Theodor W Adorno and others and on the new political theology of Johannes B Metz Helmut Peukert and Edmund Arens

Preaching to Nazi Germany William Skiles, 2023-09-05 Preaching to Nazi Germany explores the history of Confessing Church preachers engagement with the Nazi regime through an analysis of their sermons William Skiles argues that clergy expressed various messages that aimed to limit Nazi interference in church affairs and at times even to undermine the Nazi state and its leaders and policies Skiles demonstrates that pastors had limited freedom to publicly criticize the Nazi regime its leaders and its ideology and that pastors often used Christian symbols to code their criticisms to remain inconspicuous to the Gestapo or Nazi informants This book demonstrates how pastors used a sacred text and applied it to the problems of the churches in Nazi Germany *Preaching in Hitler's Shadow* Dean G. Stroud, 2013-11-01 What did German preachers opposed to Hitler say in their Sunday sermons When the truth of Christ could cost a pastor his

life what words encouraged and challenged him and his congregation This book answers those questions Preaching in Hitler's Shadow begins with a fascinating look at Christian life inside the Third Reich giving readers a real sense of the danger that pastors faced every time they went into the pulpit Dean Stroud pays special attention to the role that language played in the battle over the German soul pointing out the use of Christian language in opposition to Nazi rhetoric The second part of the book presents thirteen well translated sermons by various select preachers including Dietrich Bonhoeffer Karl Barth Rudolf Bultmann and others not as well known but no less courageous A running commentary offers cultural and historical insights and each sermon is preceded by a short biography of the preacher

The Persecution of Christians Concerns Us All Thomas Schirrmacher, 2018-05-10 In this situation I can highly recommend Dr Thomas Schirrmacher's new book It gives a clear and logical insight in many of the questions even people who consider themselves nonreligious people now ask It can best be read with an open Bible and some open daily newspaper It will give a surprisingly new insight into what it means to live in a time like this From the preface by the Very Rev Johan Candelin Director of the Religious Liberty Commission of the World Evangelical Alliance Suffering comes in many forms but the one that Scripture tells all Christians to expect is persecution for one's faith As Thomas Schirrmacher's theological study will demonstrate the Bible has a tremendous amount to teach us about persecution Without a Biblical understanding we are unlikely to fully grasp the nature of the spiritual battle I am delighted therefore that his book puts the Bible's teaching on persecution centre stage Preface by Julia Doxat Purser Socio Political Representative the WEA represents churches with 600 million members altogether He also is a member of the board of the International Society for Human Rights Schirrmacher regularly testifies in the German parliament and other parliaments in Europe as well as in the EU in Brussels the OSCE in Vienna and other international bodies His has written 102 books three of his newest books are Fundamentalism Racism and Human Trafficking He has earned four doctorates in missiology and ecumenical theology in cultural anthropology in ethics and in sociology of religion and received two honorary doctorates from the USA and India

The Paradox of Holiness; Faith in Search of Obedience Donald G.

Bloesch, 2022-05-03 Within these pages are the last two previously unpublished works from notable American evangelical theologian Donald G Bloesch In his spiritual autobiography Faith in Search of Obedience Bloesch describes the foundation upon which own theology is based namely a faith in search of obedience This honest and challenging work reveals and reminds how we are justified by faith alone but that faith drives us to obey and delight in God's law as we strive to perfect love through the Gospel of Jesus Christ The Paradox of Holiness presents the theology of spiritual life as it is shaped and defined by the Word of God Through this theological exposition Bloesch presents and explores the paradox that exists in the pursuit of holiness for those who believe For the theologian pastor or lay person who is seeking to combine Word and Spirit doctrine and life into an active theology this two in one volume by Donald Bloesch provides an honest and sober account of the challenges that may arise throughout the Christian pilgrimage while pointing toward the hope encouragement and new

life that comes through the triumph of Christ on the cross
