**Infinity's Flower** Jack Allis, 2007-08-15 Infinity s Flower The Tale of 2012 the Great Shift of the Ages The year is 2011 David and Kelly are soul mates who share an awareness of the ancient esoteric wisdom confirmed by quantum science that the universe is alive and everything in it including us consists of pulsating luminous energy Like shamans from indigenous cultures around the world David and Kelly have powers far exceeding those of ordinary humans as a function of their awareness that this world of energy is guided by an unseen intelligence or spirit and their ability to merge with these mysterious forces One of their powers is the ability to see through the illusion of everyday life and into another dimension where malevolent extraterrestrial beings masquerading as humans have covertly ruled the world for thousands of years and have imposed a fascist world government or New World Order upon a human race Infinity s Flower is the epic story of the age old intergalactic battle between the forces of good and evil that is coming to a head on the planet Earth at this time and David and Kelly s struggle to join the forces of light both in this world and in higher etheric dimensions to defeat the powers of darkness and reclaim the planet The backdrop of this tale is The Great Shift of the Ages an exceedingly rare geophysical and astrophysical time the Earth has entered It is the completion of a 26 000 year cycle which was prophesized by ancient cultures spanning the globe including the Egyptians the Mayans and the Hopis The Shift involves forces of colossal magnitude such as the reversing of the Earth s electromagnetic field which will change the face of the planet and life on it forever The clock is ticking The year 2012 appears to be the turning point Are these the end times as so many believe was predicted in the Bible or is this an opportunity for the birth of a new era of higher consciousness and spirituality Infinity s Flower weaves the epic scope of Orwell the esoteric wisdom of Castaneda and the riveting storytelling of the film sensation The Matrix into a tale of this rare and blessed opportunity for humanity to evict the forces of evil and make the shift to the

new paradigm It is a world in which doors swing open to unimaginable forces and where humanity reconnects with the one true source of its power the divine spirit of a living universe Infinity's Flower is a vision of the paradise that an empowered and an enlightened humanity can and must create on Earth *Infinity's Child* Charles V. De Vet,2019-12-04 A man survives a terrible plague with a new Force in his mind which gives him courage and enables him to accomplish things He s in Minnesota on a post WW3 earth with no central governments remaining in any countries *Chess Life* ,2002 Canadiana ,1991 *Unfinished* John W. Galler,2024-01-29 What if the majority of society simultaneously withdrew their cash and investments globally and stopped working to collapse imperialist insanity This would actually force the much needed attention and urgency to decide what we could become next At some point we have to evolve as a species Should we still insist on the current chaos that we can t seem to escape we could all return to as it was Financial imperialism and religion can t be the best that self aware humans can possibly filter He asks why be so blatantly mediocre Instead of letting our current limitations go author John W Galler has decided to delve into them with unapologetic force To help us understand what could be beyond he expands to an exploration of our values and the correlation between quantum physics and meditation Nothing but our immediate actions can truly initiate personal and global change So Unfinished is for anyone who knows that their internal world and the world at large needs a hard reset Impure Victoria Stanton,Vincent Tinguely,2001
