Personal Memoirs Of Jonathan Thomas Scharf Of The First Maryland Infantry:

The Personal Memoirs of Jonathan Thomas Scharf of the First Maryland Artillery John Thomas Scharf, 1992

Maryland's Blue and Gray: A Border State's Union and Confederate Junior Officer Corps Kevin Conley

Ruffner, 1997 *A Journal of the American Civil War: V3-3* Theodore P. Savas, David A. Woodbury, 2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes 96th PA Volunteers on the battlefield and in the feud Walker's Texas Division at Fortress Vicksburg 93rd IL Infantry and Putnam **Opening Manassas** Lance J. Herdegen, Bill Backus, 2025-08-25 In the fading light of August 28 1862 an untested Union brigade of Wisconsin and Indiana men fought an unexpected 90 minute stand up clash with the Confederate veterans of Stonewall Jackson on the Virginia farm fields of John Brawner The Rebels recalled a Wisconsin man that day yelling like demons in a roaring hell of fire Despite its fascinating origins and far reaching consequences surprisingly little has been penned about this remarkable engagement Opening Manassas The Iron Brigade Stonewall Jackson and the Battle on Brawner's Farm August 28 1862 rectifies this oversight in the first full length balanced study of the affair ever published In August 1862 Robert E Lee struck north to carry the war away from Richmond His opponent at the head of the recently constructed Army of Virginia Maj Gen John Pope was new to the theater and had just suffered a bloody awakening at Cedar Mountain on August 9 Thomas Stonewall Jackson's wing marched first swinging behind Pope and destroying the massive Union supply depot at Manassas Junction The stunning move shocked the Union high command Pope withdrew from his defensive line along the Rappahannock determined to find and eradicate the Confederates First he had to find them Unbeknownst to Pope Jackson had deployed his men in a strong wooded defensive position along an abandoned railroad cut All Old Jack needed was a reason to sally forth and strike an unsuspecting piece of Pope's scattered army That opportunity presented itself on the afternoon of August 28 when the Western men soon to be known as the Iron Brigade marched along the Warrenton Pike unaware that danger lurked just yards away off their exposed left flank One battle two authors This unique study uses a fog of war approach to unfold the battle as the soldiers of both sides would have experienced it and how the various officers reacted with only the information they had at the time Award winning author Lance J Herdegen handles the Union side of the equation while preservation historian and veteran of the National Park Service Bill Backus chronicles the Confederate perspective Together chapter by chapter they march their respective forces to the point of destiny and discover unexpected insights into the engagement and the leadership decisions of both sides The affair was a rude baptism of blood for Western Union men while the bold thrust by Jackson revealed his location and put his entire command in serious peril Opening Manassas is based on primary source material and a complete understanding of the terrain Its unique dual author and fog of war approach together with its original maps and explanatory notes makes it a must have book for students of the Civil War Fredericksburg! Fredericksburg! George C.

Rable, 2009-11-15 During the battle of Gettysburg as Union troops along Cemetery Ridge rebuffed Pickett's Charge they were heard to shout Give them Fredericksburg Their cries reverberated from a clash that although fought some six months earlier clearly loomed large in the minds of Civil War soldiers Fought on December 13 1862 the battle of Fredericksburg ended in a stunning defeat for the Union Confederate general Robert E Lee suffered roughly 5 000 casualties but inflicted more than twice that many losses nearly 13 000 on his opponent General Ambrose Burnside As news of the Union loss traveled north it spread a wave of public despair that extended all the way to President Lincoln In the beleaguered Confederacy the southern victory bolstered flagging hopes as Lee and his men began to take on an aura of invincibility George Rable offers a gripping account of the battle of Fredericksburg and places the campaign within its broader political social and military context Blending battlefield and home front history he not only addresses questions of strategy and tactics but also explores material conditions in camp the rhythms and disruptions of military life and the enduring effects of the carnage on survivors both civilian and military on both sides

The Maps of Second Bull Run Bradley M. Gottfried, 2024-11-21 A map based analysis of the Second Bull Run Campaign detailing troop movements battles and strategies with full color cartography and insightful commentary *The Maps of Second Bull Run* An Atlas of the Second Bull Run Manassas Campaign from the Formation of the Army of Virginia Through Chantilly June 26 September 1 1862 continues Bradley M Gottfried's efforts to study and illustrate the major campaigns of the Civil War This is the tenth book in the ongoing Savas Beatie Military Atlas Series President Abraham Lincoln's frustration with George B McClellan's inability to defeat Robert E Lee and capture Richmond dramatically increased after the unsuccessful Seven Days Battles In response Lincoln combined three small armies into the new Army of Virginia and placed it under Maj Gen John Pope who had overseen several successes in the Western Theater Pope's aggressiveness and McClellan's passivity on the Peninsula convinced Lee to send Thomas Stonewall Jackson's wing of the Army of Northern Virginia to confront Pope A bloody battle at Cedar Mountain on August 9 halted Pope's move south and Jackson's raid on the vast stores at Manassas Junction triggered another confrontation this time at Kettle Run When McClellan's troops abandoned the Peninsula Lee moved his other wing under James Longstreet rapidly north Pope missed an opportunity to prevent the junction of Lee's wings by not stopping Longstreet at Thoroughfare Gap The battle of Second Bull Run began on the evening of August 28 when Jackson tangled with Union troops at the Brawner Farm Pope spent much of the next day hammering Jackson's front with no idea that Longstreet was arriving on the field The Union assaults continued on August 30 until Longstreet launched a massive assault that rolled up the Union left flank and collapsed Pope's army The retreat was briefly interrupted by some of Jackson's units at Chantilly which ended the campaign *The Maps of Second Bull Run* plows new ground by breaking down the entire campaign into 24 map sets or action sections enriched with 122 detailed full page color maps These cartographic originals bore down to the regimental and battery level They include the march to and from the battlefields and virtually every significant event in between including cavalry actions At least two and as many

as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the cavalry actions come alive This presentation allows readers to easily find a map and text on any portion of the sprawling campaign Serious students will appreciate the extensive endnotes and complete orders of battle and take the book with them to the battlefields A final bonus is that the maps unlock every other book or article written on any aspect of the campaign Perfect for the easy chair or for stomping the hallowed grounds The Maps of Second Bull Run is a seminal work that belongs on the bookshelf of every serious and casual student of the battle

The Second Battle of Winchester Eric J. Wittenberg, Scott L. Mingus, 2016-04-30 A comprehensive deeply researched history of the pivotal 1863 American Civil War battle fought in northern Virginia June 1863 The Gettysburg Campaign is underway Robert E Lee's Army of Northern Virginia pushes west into the Shenandoah Valley and then north toward the Potomac River Only one significant force stands in its way Maj Gen Robert H Milroy's Union division of the Eighth Army Corps in the vicinity of Winchester and Berryville Virginia What happens next is the subject of this provocative new book Milroy a veteran Indiana politician turned soldier was convinced the approaching enemy consisted of nothing more than cavalry or was merely a feint and so defied repeated instructions to withdraw In fact the enemy consisted of General Lee's veteran Second Corps under Lt Gen Richard S Ewell Milroy's controversial decision committed his outnumbered and largely inexperienced men against some of Lee's finest veterans The complex and fascinating maneuvering and fighting on June 13-15 cost Milroy hundreds of killed and wounded and about 4,000 captured roughly one half of his command with the remainder routed from the battlefield The combat cleared the northern end of the Shenandoah Valley of Federal troops demonstrated Lee could obtain supplies on the march justified the elevation of General Ewell to replace the recently deceased Stonewall Jackson and sent shockwaves through the Northern states Today the Second Battle of Winchester is largely forgotten But in June 1863 the politically charged front page news caught President Lincoln and the War Department by surprise and forever tarnished Milroy's career The beleaguered Federal soldiers who fought there spent a lifetime seeking redemption arguing their three day forlorn hope delayed the Rebels long enough to allow the Army of the Potomac to arrive and defeat Lee at Gettysburg For the Confederates the decisive leadership on display outside Winchester masked significant command issues buried within the upper echelons of Jackson's former corps that would become painfully evident during the early days of July on a different battlefield in Pennsylvania Award winning authors Eric J Wittenberg and Scott L Mingus Sr combined their researching and writing talents to produce the most in depth and comprehensive study of Second Winchester ever written and now in paperback Their balanced effort based upon scores of archival and previously unpublished diaries newspaper accounts and letter collections coupled with familiarity with the terrain around Winchester and across the lower Shenandoah Valley explores the battle from every perspective

Civil War Eyewitnesses Garold Cole, 2000 A bibliographical guide to recently

published Civil War diaries journals letters and memoirs *Military Bibliography of the Civil War: Regimental publications and personal narratives. Union and Confederate biographies. General references. Armed forces. Campaigns and battles* ,2003 Volume IV Compiled and revised by Silas Felton 1063 pp revised with books missed in vols I II and III regimental publications personal narratives biographies campaigns and battles Northern and Southern Felton s new compilation is without peer He covers the subject from five different perspectives Regimental Publications and Personal Narratives Union and Confederate Biographies General References Armed Forces and Campaigns and Battles And making the work extremely useful the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new Index of Titles in the Revised Volume IV Furthermore to clear up confusion created by the multiple names often used by Confederate units during the war artillery batteries in particular which carried a state designation but were commonly known by the battery commander s name Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion Civil War Diaries and Personal Narratives, 1960-1994 Library of Congress,1998 *Cedar Mountain to Antietam* M. Chris Bryan,2022-01-04 This history of the Union XII Corps skillfully weaves firsthand accounts into a compelling story about the triumphs and defeats of this venerable unit Bradley M Gottfried author of *The Maps of Antietam* The diminutive Union XII Corps found significant success on the field at Antietam Its soldiers swept through the East Woods and the Miller Cornfield permanently clearing both of Confederates repelled multiple Southern assaults against the Dunker Church plateau and eventually secured a foothold in the West Woods This important piece of high ground had been the Union objective all morning and its occupation threatened the center and rear of Gen Robert E Lee s embattled Army of Northern Virginia Yet federal leadership largely ignored this signal achievement and the opportunity it presented The achievement of the XII Corps is especially notable given its string of disappointments and hardships in the months leading up to Antietam M Chris Bryan s *Cedar Mountain to Antietam* begins with the formation of this often luckless command as the II Corps in Maj Gen John Pope s Army of Virginia on June 26 1862 Bryan explains in meticulous detail how the corps endured a bloody and demoralizing loss after coming within a whisker of defeating Maj Gen Stonewall Jackson at Cedar Mountain on August 9 suffered through the hardships of Pope s campaign before and after the Battle of Second Manassas and triumphed after entering Maryland and joining the reorganized Army of the Potomac The men of this small corps earned a solid reputation in the Army of the Potomac at Antietam that would only grow during the battles of 1863 This unique study which blends unit history with sound leadership and character assessments puts the XII Corps actions in proper context by providing significant and substantive treatment to its Confederate opponents Bryan s extensive archival research newspapers and other important resources together with detailed maps and images offers a compelling story of a little studied yet consequential command that fills a longstanding historiographical gap *From Arlington to Appomattox* Charles R. Knight,2021-06-15 Brilliant really gives one a sense of what it took to both lead and run an army in

the Civil War Superb Chris Kolakowski author of *The Virginia Campaigns March August 1862 In From Arlington to Appomattox* Charles Knight does for Robert E Lee and students of the Civil War what E B Long s *Civil War Day by Day* did for our understanding of the conflict as a whole This is not another Lee biography but it is every bit as valuable as one We know Lee rode out to meet the survivors of Pickett s Charge and accept blame for the defeat that he tried to lead the Texas Brigade in a counterattack to save the day at the Wilderness and took a tearful ride from Wilmer McLean s house at Appomattox But where was Lee and what was he doing when the spotlight of history failed to illuminate him Focusing on what he was doing day by day offers an entirely different appreciation for Lee Readers will come away with a fresh sense of his struggles both personal and professional and discover many things about Lee for the first time through his own correspondence and papers From Arlington to Appomattox is a tremendous contribution to the literature of the Civil War Knight s study will become the standard reference work on Lee s daily wartime experiences R E L Krick author of *Staff Officers in Gray* A staggering work of scholarship Jeffry D Wert author of *A Glorious Army Robert E Lee s Triumph 1862 1863* A pleasure to read Michael C Hardy author of *General Lee s Immortals Keeps the reader engaged Journal of America s Military Past* **Civil War Regiments**,1993 *Allen County Lines* ,1994 **Civil War** ,1994 **Maryland, My Maryland** James A. Davis,2019-01-01 Historians have long treated the patriotic anthems of the American Civil War as colorful if largely insignificant side notes Beneath the surface of these songs however is a complex story Maryland My Maryland was one of the most popular Confederate songs during the American Civil War yet its story is full of ironies that draw attention to the often painful and contradictory actions and beliefs that were both cause and effect of the war Most telling of all it was adopted as one of a handful of Southern anthems even though it celebrated a state that never joined the Confederacy In *Maryland My Maryland Music and Patriotism* during the American Civil War James A Davis illuminates the incongruities underlying this Civil War anthem and what they reveal about patriotism during the war The geographic specificity of the song s lyrics allowed the contest between regional and national loyalties to be fought on bandstands as well as battlefields and enabled Maryland My Maryland to contribute to the shift in patriotic allegiance from a specific localized and material place to an ambiguous inclusive and imagined space Musical patriotism it turns out was easy to perform but hard to define for Civil War era Americans [History of Westchester County](#) John Thomas Scharf,1886 *The Magazine of American History with Notes and Queries* John Austin Stevens,Benjamin Franklin DeCosta,Henry Phelps Johnston,Martha Joanna Lamb,Nathan Gillett Pond,1880 [1812-1880](#) John Thomas Scharf,1879 **Historical Record of the First Regiment Maryland Infantry** ,1871
