## **Perspectives On The New Pentecostalism:**

**Perspectives on the New Pentecostalism** Russell P. Spittler, 1976  
,1972 *Perspectives in Pentecostal Eschatologies* Peter Althouse, Robby Waddell, 2012-03-29 This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements. The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right. Full Gospel, Fractured Minds? Rick M. Nañez, 2010-02-23 Do you sometimes feel you have to check your intellect at the church door leaving reason behind to embrace the Christian faith? Do you hunger for a full gospel that includes the mind as well as heart and Spirit? Full Gospel Fractured Minds challenges charismatic and Pentecostal believers to discover the power of a well maintained mind, a mind on fire to match a heart on fire and to create a life that operates within the full counsel of God. Nañez shows how human reason helps us understand and interpret God's Word as well as defend the gospel. He shows what the Bible teaches about the mind and explores the backgrounds of nineteenth century and modern culture anti intellectualism. Pentecostal history and beliefs and popular misconceptions about human intellect in relation to the Christian faith. Full Gospel Fractured Minds helps men and women practice a Christian faith that reflects the whole person and the full gospel. Rick Nañez calls Pentecostals and charismatics to seek a balance between mind and Spirit. This book will stir you to seek all that God has for you. From the Foreword by Stanley M Horton PhD. **Pentecostal Perspectives** Timothy Laurito, 2023-07-31 Step into the vibrant world of Pentecostal theology with Pentecostal Perspectives. Explore the cornerstones of biblical theology from the view of Pentecostal thought. Crafted with the careful balance of scholarly rigor and engaging accessibility, this book bridges the academia and the pew. Pentecostal Perspectives provides more than just theology; it offers an exploration, an invitation, and a conversation into the heart of Pentecostal faith and practice. A Pentecostal Hermeneutic for the Twenty First Century Kenneth Archer, 2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories, beliefs, and practices. As Pentecostals began entering academic communities of higher learning, their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic. The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community. The Pentecostal hermeneutic is a three way interaction for theological meaning between the Holy Spirit, the Pentecostal community, and sacred Scripture. **African Pentecostalism from African Perspectives** Ezra Chitando, Lovemore Togarasei, Loreen Maseno, 2024-11-05 Although African scholars have made a significant contribution to the study of African Pentecostalism, very few studies have reflected on their output. Most of the

contemporary publications on the widespread phenomenon of African Pentecostalism create the impression that only scholars from the Global North have contributed to the field This volume addresses the lacuna in the available scholarship by undertaking detailed analyses of how African scholars from diverse academic disciplines and African Diasporan context have helped to shape the field The included chapters provide fresh data on new themes and perspectives in the field *Pentecostal Perspectives on Social Justice* Thomas U. Kurt, 2025-06-10 The beginnings of the Pentecostal movement were characterized by charismatic gifts and an extraordinary missionary dynamic At the same time early Pentecostals stood out from their social environment for their liberal practices on race and women's issues and for their pacifism In a world characterized by violence oppression and exploitation the question of justice is crucial for the future of this world At the same time for Pentecostals the question of the future of this world is closely linked to the kingdom of God This book explores whether there is a common denominator in Pentecostal social ethics what that denominator consists of and what its theological categories are To answer these questions it examines four representatives of the global Pentecostal church who have made prominent contributions in the field of social ethics The results are then discussed in a dialogue with Jürgen Moltmann one of the most prominent voices in systematic theology for social justice and the liberation of the oppressed *Pentecostal Theology* Keith Warrington, 2008-08-07 Pentecostals traditionally do not think theologically so much as do it practically This book will present Pentecostal theology as well as the particular style of Pentecostal thinking and praxis that makes it different Pentecostalism is not just distinctive because of its belief base but also because of the worldview it owns The latter is based on a certainty that a religion that does not work is not worth much Consequently they look for expressions of life and vitality in their faith These dominate rather than an expression of the cerebral though this is changing Nevertheless the sense of the immediate the God of the now not the distant past underlie how they do theology Pentecostal theology tends to be seen through the eyes of people not theologians through the community not traditions though they have them through their faith and worship not ancient creeds It is a theology of the dynamic seen through the lens of experience It is a functional theology that exists to operate to incorporate an experiential dimension Pentecostal theology does not operate as other theologies which often only detail a list of beliefs it does this but also and more importantly it explores them in the context of praxis Thus this volume incorporates praxis as part of the enquiry relating to theology **Contemporary Pentecostal Christianity** J. Kwabena Asamoah-Gyadu, 2013-01-11 Pentecostalism is the fastest growing stream of Christianity in the world The real evidence for the significance of Pentecostalism lies in the actual churches they have built and the numbers they attract In Africa Pentecostalism has virtually become the representative face of Christianity with even historic mission denominations pentecostalising their otherwise formal liturgical structures to survive This work interprets key theological and missiological themes in African Pentecostalism by using material from the live experiences of the movement itself An important source of primary material for instance is the popular books written by the leadership of contemporary Pentecostal

churches and their media programs An example of this is that on account of its motivational hermeneutics the Eagle rather than the Dove has become the preferred symbol of the Holy Spirit in this nascent dynamic movement The interpretation of themes from contemporary African Pentecostalism in this book reveals much about how as a contemporary movement it is reshaping African Christian spirituality in the 21st century      Reading St. Luke's Text and Theology: Pentecostal Voices Riku P. Tuppurainen, 2019-10-16 Lukan narrative takes its readers into God's story how his salvation plan in Jesus began on the slopes of Judea and at the Sea of Galilee ending on the hill of Calvary and the Mount of Olives yet moving on and telling how the Spirit descended onto the Temple Mount empowering God's people who then began to fulfill the given mandate in the presence of the Spirit Yet readers of Luke Acts throughout the centuries have had a meandering journey as they have tried to understand the narrative's persuasion and Spirit references This book seeks to bring awareness to these challenges by some of the most respected Pentecostal biblical scholars and systematicians Here their vigorous labor with the questions of hermeneutics and theology in relation to Lukan writings have come to fruition These contributions have been collected as a Festschrift in honor and celebration of the career of Roger Stronstad a Pentecostal biblical scholar whose contribution to Lukan studies have moved Pentecostal scholarship from shadows into daylight The editor of this volume invites the readers of Lukan narrative to journey together on the road to Emmaus as we continue to ponder the events in the past the present and the future      *Norming the Abnormal* Aaron T. Friesen, 2013-02-19 Pentecostalism is one of the largest and fastest growing religious movements around the world Yet the movement's defining doctrine has met with controversy and criticism since its inception Classical Pentecostals have not only affirmed and valued the experience of speaking in other tongues they have argued that such an experience is the first evidence of a Christian having reached a level of spiritual empowerment they call Baptism in the Holy Spirit That speaking in an unknown language should be considered by many Pentecostals to be a normative and uniform right of passage for all Christians is interesting That such a controversial doctrine could rise to take such a prominent role in defining and shaping the Pentecostal movement begs further historical and social study This work charts the development of the doctrine from a small community in the Midwest to become a norm for Pentecostal identity and a hallmark of Pentecostal experience around the world Then through an empirical study of ministers in three Pentecostal denominations the work explores the current beliefs of practices of Pentecostals regarding the doctrine of initial evidence in order to form some conclusions and proposals about the future of the doctrine among classical Pentecostals      **Pentecostal and Postmodern Hermeneutics** Bradley Truman Noel, 2010-01-29 Pentecostal and Postmodern seeks to explore the relationship between Pentecostal hermeneutics and Pentecostalism's ability to connect with and evangelize North American youth As as Postmodern ethos makes its presence increasingly felt in the Western world no Christian movement should be better positioned to bring the message of Christ to youth and young adults eager to experience the God of Miracles and wonders Recent trends in Pentecostal hermeneutics however may actually make the task more difficult No historical

movement has thrived in the long term that has not carefully considered the vision for the forefront of youth ministry in the last several decades we must also connect Pentecostal academia with evangelism efforts among youth and young adults This work calls Pentecostal scholars to thoughtfully consider the implications of their work for future generations The Pentecostal Gender Paradox Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women's equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to rediscovering greater equality for women in the church Is the waning of both eschatology and women's equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women's equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women's inequality begins with fidelity to the future eschaton of gender equality The Bible in History David W. Kling, 2022-12-19 Over 15 years after its original publication The Bible in History remains an essential examination of the symbiotic relationship between Scripture and the social and cultural contexts shaping its interpretation David W. Kling traces the fascinating story of how specific biblical texts sometimes a single verse other times a selection of verses or chapters even books have at various times emerged to be the inspiration of movements that have changed the course of history Episodes range from Anthony's call to the desert and a life of monasticism after hearing Jesus's directive to the rich young ruler to give up his possessions to the Anabaptists' non-violent ethic in following Jesus' teaching in the Sermon on the Mount to the varied applications of the exodus motif in African American history This revised and expanded second edition adds two new chapters The first examines the text in Matthew 28:18-20 and considers the multitudinous interpretations before, during, and after the text emerged as the iconic Great Commission of missionary

motivation in the modern period The second assesses those biblical texts that encompass the divisive and ongoing issue of male homosexuality Both chapters engage the question of how the texts have shaped the times but as Kling argues the times have also exerted an enormous impact on shaping the interpretation of the texts and hence on the continuing disputes over the meaning of those texts *The Liturgy of the Gospel* Wolfgang Vondey, 2025-09-12 Vondey argues that theological hermeneutics in Pentecostal perspective is the interpretation of the world explicitly and specifically informed by the liturgy of the gospel This book identifies the corresponding hermeneutical questions that have dominated the formation of a liturgical Pentecostal horizon of interpretation since the twentieth century Pentecostals are acutely aware that the claim of their interpretive position shows not only a fusion of horizons but also a rejection of the dominant descriptive mechanisms How this tension in the history of Pentecostal theology is resolved and contributes to the emergence of Pentecostalism as a hermeneutical tradition is the subject of three critical inquiries 1 the question of truth in the Pentecostal tradition 2 the extension of the question of truth to hermeneutical experience and 3 the ontological shift of Pentecostal hermeneutics Vondey identifies how Pentecostal hermeneutics emerged not only thematically and historically but experientially and subjectively through the themes of the full gospel This book shows that rather than by the dominance of language the dynamic hermeneutical positioning in the narrative of this gospel originated and continues to be shaped liturgically

*Constructive Pneumatological Hermeneutics in Pentecostal Christianity* Kenneth J. Archer, L. William Oliverio, Jr., 2016-12-21 This book presents the work of leading hermeneutical theorists alongside emerging thinkers examining the current state of hermeneutics within the Pentecostal tradition The volume's contributors present constructive ideas about the future of hermeneutics at the intersection of theology of the Spirit Pentecostal Christianity and other disciplines This collection offers cutting edge scholarship that engages with and pulls from a broad range of fields and points toward the future of Pneumatological hermeneutics The volume's interdisciplinary essays are broken up into four sections philosophical hermeneutics biblical theological hermeneutics social and cultural hermeneutics and hermeneutics in the social and physical sciences *Roman Catholic/Pentecostal Dialogue (1977-1982)* Jerry L. Sandidge, 1987 Vatican II opened the doors of the Roman Catholic Church for official theological dialogue with separated brethren The rise of the neo Pentecostal movement and charismatic renewal caused the doors of the historical Pentecostals to open toward Christians in the mainline churches This book discusses the historical precedents of the Vatican Pentecostal Dialogue and reviews the ten years Dialogue 1972 1982 with special attention given to the second five years The implications of this Dialogue for ecumenism is also discussed Volume Two contains all the documents from the second quinquennium including the 16 theological papers and final report

**Profiles of Pentecostal Theology** Christopher A. Stephenson, 2021-10-25 Pentecostal theology is burgeoning in the academy and a vast body of literature continues to grow With precision and ease Stephenson carefully leads readers through an array of theological topics texts and figures Combining original analysis and constructive contributions he classifies

diverse and complex ideas in pentecostal biblical studies systematic theology and theological ethics Whether they are beginning students seeking an accessible initiation into an area that newly piques their interests or established scholars who need a sophisticated crash course in a yet unexplored field of inquiry readers will find Stephenson's accounts to be a reliable guide through this daunting topic

The Doctrine of the Holy Spirit Yacob Godebo, 2025-07-03

The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit's presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha

Eventually, you will extremely discover a new experience and feat by spending more cash. yet when? reach you undertake that you require to acquire those all needs subsequent to having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to comprehend even more in the region of the globe, experience, some places, behind history, amusement, and a lot more?

It is your enormously own time to take action reviewing habit. in the midst of guides you could enjoy now is **Perspectives On The New Pentecostalism** below.

### **Perspectives On The New Pentecostalism Introduction**

Perspectives On The New Pentecostalism Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Perspectives On The New Pentecostalism Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Perspectives On The New Pentecostalism : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Perspectives On The New Pentecostalism : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Perspectives On The New Pentecostalism Offers a diverse range of free eBooks across various genres. Perspectives On The New Pentecostalism Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Perspectives On The New Pentecostalism Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Perspectives On The New Pentecostalism, especially related to Perspectives On The New Pentecostalism, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Perspectives On The New Pentecostalism, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Perspectives On The New Pentecostalism books or magazines might include. Look for these in online stores or libraries. Remember that while Perspectives On The New Pentecostalism, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Perspectives On The New Pentecostalism eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Perspectives On The New Pentecostalism full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of

Perspectives On The New Pentecostalism eBooks, including some popular titles.

### **FAQs About Perspectives On The New Pentecostalism Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Perspectives On The New Pentecostalism is one of the best book in our library for free trial. We provide copy of Perspectives On The New Pentecostalism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Perspectives On The New Pentecostalism. Where to download Perspectives On The New Pentecostalism online for free? Are you looking for Perspectives On The New Pentecostalism PDF? This is definitely going to save you time and cash in something you should think about.
