Presidential Constitution Of Nigeria:

The Presidential Constitution of Nigeria Benjamin Obi Nwabueze, 1982 **The Legislature in Nigeria's Presidential Democracy of the Fourth Republic** Omololu Fagbadebo, Mojeed Olujinmi A. Alabi, 2023-03-20 This book investigates whether legislative institutions state and national in Nigeria's Fourth Republic have been able to harness constitutional powers to impact public policy Presenting how the Nigerian state has not been able to showcase the expected dividends of presidential democracy since 1999 it analyzes the crisis of governance and its impact on political stability social cohesion and the livelihood of citizens The book further discusses the depreciating infrastructure corruption and mismanagement of public resources and shows how defiant attitudes of public political and bureaucratic officials define the new wave of corruption and profligacy in Nigeria presenting this development as a result of a weakened legislature The book displays the necessity of implementing a culture of accountability and discusses oversight mechanisms to make the executive accountable These mechanisms are designed to ensure effective public service delivery Finally the book situates the legislative institutions in Nigeria within the context of the contributions of the National Assembly and the Assemblies of the State Houses to the development of this emerging democracy in Africa The book will appeal to students and scholars of political science and public administration as well as policy makers and practitioners interested in a better understanding of democracy separation of powers governance and Nigerian politics **Nigeria's Presidential Constitution** Benjamin Obi Nwabueze, 1985 **Constitutional Law in Nigeria** Oyelowo Oyewo, 2019-02-13 Derived from the renowned multi volume International Encyclopaedia of Laws this very useful analysis of constitutional law in Nigeria provides essential information on the country's sources of constitutional law its form of government and its administrative structure Lawyers who handle transnational matters will appreciate the clarifications of particular terminology and its application Throughout the book the treatment emphasizes the specific points at which constitutional law affects the interpretation of legal rules and procedure Thorough coverage by a local expert fully describes the political system the historical background the role of treaties legislation jurisprudence and administrative regulations The discussion of the form and structure of government outlines its legal status the jurisdiction and workings of the central state organs the subdivisions of the state its decentralized authorities and concepts of citizenship Special issues include the legal position of aliens foreign relations taxing and spending powers emergency laws the power of the military and the constitutional relationship between church and state Details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for both practising and academic jurists Lawyers representing parties with interests in Nigeria will welcome this guide and academics and researchers will appreciate its value in the study of comparative constitutional law Impeachment in the Nigerian Presidential System Omololu Fagbadebo, 2020-08-26 This book explores

the politics associated with the exercise of the legislative power of impeachment as intended by the drafters of the Constitution in Nigeria It interrogates the exercise of the power of impeachment with reference to the intended purpose and examines its failures in the cases of impeachment in the country It analyzes the interplay of power in the governing institutions in Nigeria s political system which involved the understanding of a web of interactions among elites within a political structure relating with others outside its sphere of operation It presents an analysis of the politics associated with impeachment within the framework of the activities of different political actors operating in different political structures assigned to perform certain statutory roles in the political system The book shows how the selective use of impeachment provisions as instrument of political vendetta and harassment has weakened the potency of this oversight power of the legislature thereby engendering accountability problem in the Nigerian presidential system

Social and Political Foundations of Constitutions Denis J. Galligan, Mila Versteeg, 2013-10-14 This volume analyses the social and political forces that influence constitutions and the process of constitution making It combines theoretical perspectives on the social and political foundations of constitutions with a range of detailed case studies from nineteen countries In the first part leading scholars analyse and develop a range of theoretical perspectives including constitutions as coordination devices mission statements contracts products of domestic power play transnational documents and as reflection of the will of the people In the second part these theories are examined through in depth case studies of the social and political foundations of constitutions in countries such as Egypt Nigeria Japan Romania Bulgaria New Zealand Israel Argentina and others The result is a multidimensional study of constitutions as social phenomena and their interaction with other social phenomena

The Oxford Handbook of Nigerian Politics A. Carl LeVan, Patrick Ukata, 2018-10-18 The Oxford Handbook of Nigerian Politics offers a comprehensive analysis of Nigeria s very rich history and ever changing politics to its readers It provides a deep understanding of Nigeria s socio political evolution and experience by covering broad range of political issues and historical eras The volume encompasses 44 chapters organized thematically into essays covering history political institutions civil society economic and social policy identity and insecurity and Nigeria in a globalized world By identifying many of the classic debates in Nigerian politics the chapters serve as an authoritative introduction to Africa s most populous country The chapters are interdisciplinary introducing readers to classic debates and key research on Nigeria as well as new methodologies new data and a compelling corpus of research questions for the next generation of researchers and readers interested in Africa

Presidential Elections in Nigeria's Fourth Republic Babayo Sule, Usman Sambo, 2024-03-07 This book provides a uniquely detailed analysis of presidential elections in Nigeria s Fourth Republic The authors explore the changing dynamics of voting patterns religious politics politicians behaviour and the broader political system to offer new insights into presidential systems in Africa and beyond In doing so they address an often neglected area of political science and cast light on the political challenges facing one of the world s largest democracies The book s comprehensive coverage of

Nigerian presidential elections and the lessons they hold for developing countries across the globe is a valuable resource for researchers students international institutions and non governmental organisations

A Constitutional History of Nigeria Benjamin Obi Nwabueze,1982 An Introduction to Political Science in Nigeria Adeoye A. Akinsanya,John A. Ayode,2013-07-19 An Introduction to Political Science in Nigeria attempts to fill the void in the literature for undergraduate and graduate students in the Third World particularly Nigeria that are studying the arts humanities social sciences education and law Primarily intended for introductory courses in political science and specifically Nigerian government the material covers such areas as the foundations of political science key concepts of political thought political systems citizenship world order and politics *Democracy in Nigeria: Thoughts and Selected Commentaries* Anthony A. Akinola,2015 Democracy in Nigeria Thoughts and Selected Commentaries consists of a series of essays which address a variety of issues bordering on good governance and the stability of the Nigerian state While the author is optimistic about the future of his nation and proposes measures that can drive its democracy forward he is unhappy that corruption in particular has impeded progress in an otherwise vibrant nation He believes that proper education and a realistic federal arrangement provide the solution to religious intolerance and all the ills that are associated with it while a more proactive population can actually tame the monster of corruption if they are genuinely worried that corruption has been responsible for their individual and collective plights *Modern Nigerian Constitutional Law* Efemini, Ovo M.,2017-08-09 Modern Nigerian Constitutional Law Practices Principles and Precedents has fifteen chapters covers not only the traditional core topics in constitutional law but also the generally neglected ones In chapter one the author examines some basic issues in Nigerian constitutional law and in chapter two the supremacy of the Constitution is examined Also examined in this book are federalism local government fundamental rights the fundamental rights enforcement procedure the legislature the executive the judiciary elections INEC and political parties Although primarily intended as a textbook for students the practitioner and the judge will find it refreshingly rewarding *The Nigerian Legal System* Charles Mwalimu,2005 Volume 1 on public law provides an introduction to the Nigerian legal system The various chapters deal with introduction and sources of law jurisprudence and Nigerian perspectives African customary law Islamic law comparative constitutionalism and Nigerian perspectives citizenship immigration and administrative law judicial system and legal profession criminal law evidence and civil procedure statutory marriage and divorce laws customary marriage and divorce marriage and divorce under Islamic law matters of children gender and law in Nigeria with emphasis on Islamic law Volume 2 has 25 chapters on private law that includes security of the environment and environmental law land and property administration commercial business and trade laws communication media and press laws transportation and carrier laws law enforcement armed forces and military laws investments and intellectual property **Nigeria's Third Republic** Bamidele A. Ojo,1998 This is a timely book on political transition to civil rule in Nigeria The socio political and economic ramifications of the transfer of power to an elected civilian administration

and the political chaos resulting from the continued uncertainties surrounding the transition program are examined. Some of the topics which are touched upon are the relationship between the state capital accumulation, democratic forces, the characteristic political manipulation by the military and the attempt to hold on to power despite demand for civilian democratic rule, the problem of military intervention to the question of national integration and the core problems of Nigerian economic management and the alternatives for effective management of the Nigerian economy in the Third Republic.

Governance in Nigeria post-1999: Revisiting the democratic 'new dawn' of the Fourth Republic Edited by Romola Adeola & Ademola Oluborode Jegede, 2020-03-06. At the start of Nigeria's Fourth Republic on 29 May 1999, there was great optimism as to the emergence of a new democratic future representing a significant break from the political undulations of the past two decades. Four presidential epochs later, there is a prevalent question as to how well Nigeria has fared in governance and human rights post 1999. This book revisits the democratic new dawn of the Fourth Republic, discussing pertinent matters integral to Nigeria's democratic future post 2019.

Politics And Economic Development In Nigeria Tom Forrest, 2019-07-12. This text provides an account of the dynamic interplay between the political and economic forces that have shaped government priorities and strategies in Africa's most populous country. The author examines efforts to build a stronger federal centre to develop national policies to counter uneven development and to reduce conflicts that have arisen from ethnic, regional, class and religious differences. A final section analyzes the evolution of economic policy and performance, looking specifically at agrarian policy, the programme of economic liberalization and the impact of oil revenues.

Nigeria Martin P. Mathews, 2002. Nigeria seems to be in the news all of the time for something: be it regime changes, co-optation, internal strife or oil policies. The most populous country in Africa and the largest in area in the West African state, Nigeria was an early twentieth century colony that became an independent nation in 1960. A country of great diversity because of the many ethnic, linguistic and religious groups that live within its borders, Nigeria is also a country with a long past. This book brings together current issues and a detailed historical background.

Assessment of Democratic Trends in Nigeria Ilufoye S. Ogundiya, Akinpelu Olanrewaju, Olutayo Jimoh Amzat, 2011. Contributed articles.

Federalism and Political Restructuring in Nigeria Kunle Amuwo, 1998. Twenty essays by four generations of Nigerian scholars are included in this volume, the first to examine the historical, political, economic and comparative dimensions of attempts by the military to restructure the Nigerian federation. Evidence is accumulated in support of the book's central thesis that autocratic rule is antipathetic to the sustenance of genuine federal practice and that federal restructuring initiated under the tight control of repressive governments cannot but lead to a situation in which federalism is assaulted if not dismantled. It is argued that in such a context, the vending of a federal doctrine becomes more or less an exercise in the propagation of false consciousness in the service of power, portraying a picture of divided power to hide the reality of undivided power.

Armies and Democracy in the New Africa Kent Hughes Butts, 1996. In October 1994, the Strategic Studies Institute sponsored a

roundtable on democratization in Sub Saharan Africa Particular attention was paid to the role the U S military and Department of Defense played in democracy support This study developed from a paper presented at the roundtable Dr Butts and Dr Metz reject the notion that the political culture of African states allows or even encourages military intervention in politics Drawing on case studies from Nigeria and South Africa they contend that if the fragile democracies in Sub Saharan Africa are to be sustained African militaries must be extricated from politics and take decisive steps toward the type of military professionalism seen in stable democracies around the world U S national interests in Sub Saharan Africa are so limited that the region will receive only a very small proportion of the human political military and economic resources devoted to American national security strategy This makes efficiency imperative Dr Butts and Dr Metz argue that if U S strategic resources are used wisely in Africa they can have the desired effect In particular the U S military can play an important part in helping African militaries professionalize They close with concrete proposals through which the U S Department of Defense and the Army could more effectively support African democratization

Thank you for downloading **Presidential Constitution Of Nigeria**. Presidential Constitution Of Nigeria Introduction

In the digital age, access to information has become easier than ever before. The ability to download Presidential Constitution Of Nigeria has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Presidential Constitution Of Nigeria has opened up a world of possibilities. Downloading Presidential Constitution Of Nigeria provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Presidential Constitution Of Nigeria has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Presidential Constitution Of Nigeria. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Presidential Constitution Of Nigeria. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Presidential Constitution Of Nigeria, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in

unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Presidential Constitution Of Nigeria has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
