Rape In America:

Rape and Sexual Power in Early America Sharon Block,2006 In a comprehensive examination of rape and its prosecution in British America between 1700 and 1820 Block analyzes the legal social and cultural implications of more than nine hundred documented incidents of sexual coercion and hundreds more extralegal commentaries found in almanacs newspapers broadsides and other print and manuscript sources She demonstrates that public definitions of rape were based less on what actually happened than on who was involved Early Americans treatment of rape she argues both enacted and helped to sustain the social racial gender and political hierarchies of a New World and a new nation **The Blaming and**

Shaming of Defenseless Victims in America's Rape Culture Lisa R. Smith,2022-04-27 Every sixty eight seconds an American is sexually assaulted Lisa Smith writes in light of this startling statistic and against the backdrop of the blaming and shaming of countless victims to ask one important question why does America s rape culture continue to exist *The Blaming and Shaming of Defenseless Victims in America's Rape Culture* explores the ways collective memory religion and sexist beliefs are used to silence survivors and protect the powerful The author delves into how justice is denied in sexual assault cases rape kits untested by law enforcement agencies information suppression through non disclosure agreements and denial and inaction by organizations universities corporations and people all contribute to undetected rapists in our society Despite these discouraging happenings the MeToo movement proved that legions of survivors of sexual violence can use their voice to fight back Oral and historical narratives are included to encourage others to share their stories and promote social accountability Through insightful research and analysis the author offers a much needed viewpoint on a vital and timely issue why and how American society is perpetuating and protecting a dangerous culture of sexual violence and even more importantly how to fight back **The Columbia Documentary History of American Women Since 1941**

Harriet Sigerman,2003 *Liquid Metal* brings together seminal essays that have opened up the study of science fiction to serious critical interrogation Eight distinct sections cover such topics as the cyborg in science fiction the science fiction city time travel and the primal scene science fiction fandom and the 1950s invasion narratives Important writings by Susan Sontag Vivian Sobchack Steve Neale J P Telotte Peter Biskind and Constance Penley are included *Rape in America* ,1992

Women Waging War in the American Revolution Holly A. Mayer,2022-09-07 America s War for Independence dramatically affected the speed and nature of broader social cultural and political changes including those shaping the place and roles of women in society Women fought the American Revolution in many ways in a literal no less than a figurative sense Whether Loyalist or Patriot Indigenous or immigrant enslaved or slave owning going willingly into battle or responding when war came to their doorsteps women participated in the conflict in complex and varied ways that reveal the critical distinctions and intersections of race class and allegiance that defined the era This collection examines the impact of Revolutionary era women on the outcomes of the war and its subsequent narrative tradition from popular perception to

academic treatment The contributors show how women navigated a country at war directly affected the war's result and influenced the foundational historical record left in its wake Engaging directly with that record this volume's authors demonstrate the ways that the Revolution transformed women's place in America as it offered new opportunities but also imposed new limitations in the brave new world they helped create Contributors Jacqueline Beatty York College Carin Bloom Historic Charleston Foundation Todd W Braisted independent scholar Benjamin L Carp Brooklyn College Lauren Duval University of Oklahoma Steven Elliott U S Army Center of Military History Lorri Glover Saint Louis University Don N Hagist Journal of the American Revolution Sean M Heuvel Christopher Newport University Martha J King Papers of Thomas Jefferson Barbara Alice Mann University of Toledo J Patrick Mullins Marquette University Alisa Wade California State University at Chico

Why America's Top Pundits Are Wrong Catherine Besteman, Hugh Gusterson, 2005-01-17 This absorbing collection of essays subjects such popular commentators as Thomas Friedman Samuel Huntington Robert Kaplan and Dinesh D Souza to cold hard scrutiny and finds that their writing is often misleadingly simplistic culturally ill informed and politically dangerous Mixing critical reflection with insights from their own fieldwork twelve distinguished anthropologists respond by offering fresh perspectives on globalization ethnic violence social justice and the biological roots of behavior They take on such topics as the collapse of Yugoslavia the consumer practices of

the American poor American foreign policy in the Balkans and contemporary debates over race welfare and violence against women In the clear vigorous prose of the pundits themselves these contributors reveal the hollowness of what often passes as prevailing wisdom and passionately demonstrate the need for a humanistically complex and democratic understanding of the contemporary world **American Agriculturist** ,1903 Rape Myths in American and Chinese Laws and Legal Systems Marietta Sze-chie Fa,2007 Violence in America's Schools R. Murray Thomas,2006-10-30 The problem of violence in schools has not gone away despite radical reductions in violent crimes throughout the country over the last decade Students continue to harass and harm each other in a variety of ways disrupting classrooms and whole schools In the wake of the Columbine massacre many focused on the worst kind of school violence deadly assaults with dangerous weapons But other forms of violence are more persistent common and just as destructive in many ways fighting sexual abuse carrying weapons to school vandalism and assorted other crimes that happen behind the closed doors of elementary middle and high schools across the country The consequences range from violent victimization and death to the disruption of learning and fear among student bodies and teaching staffs Here Thomas provides a foundation for understanding why the violence occurs preventing it from happening and treating both offenders and victims after it happens Using scores of case descriptions to illustrate the types of school violence and their treatment in recent years the author skillfully shows readers how the problem of violence and crime in schools is an insidious issue that cannot go untreated He offers both tested and proposed methods for dealing with a host of violence issues and a guide to planning treatment of the problem and its associated consequences He answers the questions What are prominent types of violence in American schools What conditions contribute to those types of violence What methods can be applied in an effort to reduce school violence Readers will come away from this book with a greater understanding of the scope of violence in America's schools and the myriad ways of addressing it **The Oxford Handbook of American Women's and Gender History** Ellen Hartigan-O'Connor,Lisa G. Materson,2018-09-04 From the first European encounters with Native American women to today's crisis of sexual assault The Oxford Handbook of American Women's and Gender History boldly interprets the diverse history of women and how ideas about gender shaped their access to political and cultural power in North America Over twenty nine chapters this handbook illustrates how women's and gender history can shape how we view the past looking at how gender influenced people's lives as they participated in migration colonialism trade warfare artistic production and community building Theoretically cutting edge each chapter is alive with colorful historical characters from young Chicanas transforming urban culture to free women of color forging abolitionist doctrines Asian migrant women defending the legitimacy of their marriages and transwomen fleeing incarceration Together their lives constitute the history of a continent Leading scholars across multiple generations demonstrate the power of innovative research to excavate a history hidden in plain sight Scrutinizing silences in the historical record from the inattention to enslaved women's opinions to the suppression of Indian women's involvement in

border diplomacy the authors challenge the nature of historical evidence and remap what counts in our interpretation of the past Together and separately these essays offer readers a deep understanding of the variety and centrality of women s lives to all dimensions of the American past even as they show that the boundaries of women American and history have shifted across the centuries

Forcible Rape United States. Department of Justice,1978 **Forcible Rape** Battelle Law and Justice Study Center,1977 **Confronting Rape and Sexual Assault** Mary E. Odem,Jody Clay-Warner,1998 Examines the issue of sexual violence from various perspectives including sociology criminology anthropology public health and women s studies This collection analyzes social and institutional factors that contribute to their occurrence and provides strategies for prevention and change
