Return From A Far Country:

Better Than New Daniel H. Kiser, 2014-05-29 It would be wonderful if every Christian could maintain the newness and wholesomeness of his or her salvation experience But the unfortunate reality is Christians do sin There may be a number of Josephs and Daniels within the ranks of Christendom who succeed in retaining a sterling character from start to finish Human experience however reveals that the greater part of God s family consists of people like David Samson Jonah Jacob and Simon Peter people who for one reason or another lose the enthusiasm spiritual strength and sensitivity that once characterized their lives Spiritual battles temptations disappointments and failures take their toll Harmful indiscretions cause painful bruising to the soul Prodigal sons and daughters abound But in spite of self inflicted wounds there is good news there is great news God s love and compassion abound even more His desire is not to discard damaged lives God s intention is to restore wayward sons and daughters to their proper place in His family The Father s plan is to make them better than new This book explores the process by which the better than new condition can be realized *Fellowship with God* Henry Miranda, 2006-01-10 I wrote this book in the hopes of helping others find their walk with Christ a little easier The path we choose to follow as Christians may be hard and even seem difficult at times but it brings us closer to God This is a description of the path described by Jesus Christ backed by specific reference to scripture and providing clear answers to questions that many of us have It is easy to understand and proceeds in a logical manner to provide insight on how to walk the narrow path The book gives comfort to those who are in need of God s presence by giving clear descriptions of how the doors to the Kingdom of Heaven are always open It describes the presence of the Holy Spirit and aids in understanding our relationship with God and Jesus Christ This is for those that are interested in Christian faith The book is easy to read gives sound advice on understanding our relationship with Jesus Christ and is based on specific quotations from scripture *The Redeemers Return* A.W Pink, 2017-10-14 This book is designed mainly for those who are beginners in the study of prophetic and dispensational truth though should it fall into the hands of those who are looking for that blessed hope and the glorious appearing of our great God and Saviour Jesus Christ and who have perhaps for years been giving earnest heed to the more sure Word of prophecy we trust that it will afford meat in due season and stimulate praise to God for the marvelous and blessed prospect which His Word sets before us Many books have already appeared before the public presenting in clear and Scriptural language the various aspects of the subject of our Lord s Return and we hesitated long before we decided to add one more to the number The different chapters in this volume have been given by the writer in sermon and lecture form to numerous audiences both in this country and in England and it is only the repeated requests of many of those who have heard these addresses which has caused us to now set them down in writing *Jacob & the Prodigal* Kenneth E. Bailey, 2003-04-24 Drawing on a lifetime of study in both Middle Eastern culture and the Gospels Kenneth E Bailey compares the Old Testament saga of Jacob and the New Testament parable of the prodigal son offering a fresh view of how Jesus

interpreted Israel's past, his present and their future Eight lectures on prophecy, by W. Trotter and T. Smith William Trotter, 1865 **Guiding Gideon** Christopher Basil Brown, 2015-07-30 *Guiding Gideon* chronicles the encounters between Gideon, a young man in his thirties in the midst of crisis and his spiritual guide Julian. With Julian accompanying him to attend prayerfully to the life directly before him, Gideon traverses the troubled landscape of his interior life where he encounters grace. His deepest wounds become sacred and he is invited into fuller participation in the kingdom of God. Julian reflects prayerfully on each session, conscious that he is a privileged witness to the restorative movements of the Spirit within Gideon's life and that the same Spirit is forming him in the way of Jesus. *Guiding Gideon* is for all who desire to become more attentive to their formation in the likeness of Christ. It is also for spiritual guides who want their mentoring, counseling, pastoral care or spiritual directing to reflect and embody the way of Jesus. Written as a narrative, *Guiding Gideon* offers prayerful reflection within the context of guiding a fictional pilgrim and also invites readers to witness the formation of a fictional guide. Reflective of the contemplative vision of New Monasticism, *Guiding Gideon* models a prayer action praxis inspired by Jesus' Sermon on the Mount.

Returning Home David R. Mattson, 2000-10 God's never-ending pursuit of all prodigals, whether far from home or nearby, is the theme of this complete package of preaching and worship resources. The timeless story of the prodigal son is examined through first-person portrayals of its characters and is excellent for a sermon series, small group discussion or personal devotional reading.

The Faith, 1912 **The Coming Kingdom of Christ** John R. Rice, 2000-08 **THE PARABLES OF THE LORD JESUS CHRIST** John Sandbek, 2018-06-12 The parables of Jesus should not be studied as individual homilies or proverbs but instead as a series of prophetic installments wherein each parable reveals an aspect of his coming millennial kingdom. The focus of all his parables was the kingdom and encompassed four areas of revelation. Jesus was sent by his Father to reveal to man eternal truths, to redeem the lost sheep of the house of Israel, to expound on the prophets and the Law, and to preach the gospel of the Kingdom. With these four anointings, Jesus assumed the three offices of Prophet, Priest, and King and used parables to conceal his message from those who would not listen or sought to destroy his ministry. As Prophet, he foretold of events imminent to his time and the destruction of Jerusalem. He became our High Priest to redeem his people and instruct them in righteousness. As King, his parables reveal to us the grandeur of his coming kingdom, heretofore kept secret from man, and set the metrics for ruling and reigning with him. *The Parables of the Lord Jesus Christ: Prophet, Priest, King* examines Jesus's parabolic teaching from these three ordinations and how each relates to Christ's future kingdom. Each parable is placed in context with surrounding events and the customs of the day, and its imagery and symbolism explained using Scripture to deduce and interpret its meaning.

Glad Tidings Henry Dana Ward, 1838 **Homiletic Review**, 1914 **Preaching that Matters** Stephen Farris, 1998-01-01 Preaching is the art of building a bridge in the hearer's mind from the ancient world of the biblical text to the realities of our daily lives. Throughout this book, Stephen Farris offers splendid insights into ways that the Bible can connect with modern life and gives

specific guidance to preachers on how to make these connections happen This is a highly practical book for ministers and for classroom use

The Church in End-Time Prophecy Curtis Schulze, 2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church's obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through

Toward a Pastoral Theology of Holy Saturday Adam D. Tietje, 2018-11-01 Veterans who experience the overwhelming trauma of war are often still stuck in the far country In the aftermath many feel abandoned by God Adam D Tietje suggests that Holy Saturday Christ's descent into hell is the place where God fully identifies with our God abandonment In light of the resurrection it can be seen that the complete hiddenness of God on Holy Saturday is in fact the fullness of revelation God has chosen to be revealed precisely through the cross and the grave The author takes a Chalcedonian approach to the problem of relating a theology of Holy Saturday to the psychology of trauma Through the use of this method he suggests that pastoral caregivers might understand trauma and moral injury as soul wounds Sanctuary lament and confession and forgiveness and reconciliation are found to provide a direction for the care of such wounds

A Verse by Verse Commentary on Revelation Elder G. E. Jones, 2007-09-12 While Revelation is basically a book of prophecy yet it is full of doctrinal teaching Such doctrines as God's foreknowledge the inspiration of the Word the deity of Christ blood redemption the resurrections repentance faith security the perpetuity of the churches Israel's restoration the great tribulation period the judgments the reward of the saints and the earthly reign of Christ and His saints are all found in the book The whole plan of redemption and the fulfillment of all prophecy finds its consummation in Revelation The only light which God's children have to strengthen and encourage them in this day of fear and uncertainty is

the light of prophecy God's faithful saints put their faith in the coming of the Son of God our Redeemer our protector and our sure refuge in the time of life's gravest perils Let us sound out the sure word of prophecy From the author of That Ye May Marvel or The Significance of Bible Numbers and The Pattern The Tabernacle The Christ Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand Revelation 1:3

Bible Basics Duncan Heaster, 2011-01-05 Bible Basics is a detailed study of basic Biblical doctrines and teachings It's a self study guide with questions at the end of each of the 11 sections It's designed to go through the basic message of the Bible from start to finish Bible Basics is a positive presentation of the Gospel but there are digressions to discuss difficult Bible passages and to demonstrate that many confusing doctrines such as the Trinity immortal soul and infant sprinkling are not Biblical nor strictly Christian but instead merely the creation of mainstream church theologians The book presents Biblical Christianity Duncan Heaster is a Christadelphian and the book is also a summary of the doctrines of the Christadelphian faith The Christadelphian church uses the book as a standard reference

The Case for Progressive Dispensationalism Robert Saucy, 2010-12-21 Debate abounds on the future of Israel and Israel s relation to the church not only between dispensationalists and non dispensationalists but among dispensationalists themselves In the past that debate has sometimes been acrimonious and proponents of the differing viewpoints have found little common ground In recent years however views have been modified and developed so that the dialogue is increasingly by cooperation and a mutual exploration of diverse ideas The Case for Progressive Dispensationalism is intended to enlighten the debate in that same irenic spirit The book is solidly dispensational in perspective in affirming that the Old Testament prophecies are completely fulfilled in the future that the nation of Israel has a prophetic future and that Israel is not the church Dr Saucy departs from classic dispensationalism however in showing that 1 the fulfillment of Old Testament prophecy begins in the present church age and 2 the church is not a parenthesis in God s program but represents a continuity with the Old Testament messianic program This modified dispensationalism seeks to satisfy many of the objections of non dispensational approaches to eschatology while retaining the crucial elements of biblical interpretation that characterize dispensational thought

Studies in the Gospel of Luke Adelbert Denaux, 2010 This volume offers a collection of Lukan studies by Adelbert Denaux whose preferred field of studies has been the Gospel of Luke for many years The thirteen papers collected in this volume have been delivered in different languages and on different occasions The papers deal with several aspects of Luke s Gospel structure Old Testament influence theology and christology Luke and Q language and style and individual passages Adelbert Denaux 1938 Professor emeritus New Testament at the K U Leuven is actually Dean of the Tilburg School of Theology the Netherlands 2007

Eight Lectures on the Second Coming of Christ, and Allied Subjects, Etc William Trotter (of York.), 1863

Return From A Far Country Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Return From A Far Country PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing

financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Return From A Far Country PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Return From A Far Country free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Return From A Far Country Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Return From A Far Country is one of the best book in our library for free trial. We provide copy of Return From A Far Country in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Return From A Far Country. Where to download Return From A Far Country online for free? Are you looking for Return From A Far Country PDF? This is definitely going to save you time and cash in something you should think about.
