**The Return of Sherlock Holmes** Arthur Doyle, 2021-03-07 If there's a return there's got to be a departure You might be surprised to learn that Sherlock Holmes made a departure despite the popularity of Sir Arthur Conan Doyle's Holmes based stories the ophthalmologist turned writer grew weary of the detective and his antics In 1891 Doyle told his mother he wanted to kill off Sherlock Holmes and stop writing about him for

good As a doctor his practice was floundering writing gave him a way to pass the time Yet it was also a distraction His mother begged him not to Two years later Doyle did it anyway using his work The Final Problem as Holmes last mystery In the story Holmes meets his end tumbling over Reichenbach Falls Much like a soap opera that keeps resurrecting dead characters Doyle brought Holmes back after a nearly ten year absence and lots of pleading by readers He explained that Holmes hoping to elude his enemies had merely faked his death to protect himself This book is a collection of thirteen Holmes cases published in 1903 and 1904 Let s take a look at the stories featured in The Return of Sherlock Holmes The book was first published in February 1905 by McClure Phillips Co New York then on 7 March 1905 by Georges Newnes Ltd London It was the first Holmes collection since 1893 when Holmes had died in The Final Problem Having published The Hound of the Baskervilles set before Holmes s death in 1901 1902 Doyle had come under intense pressure to revive the character The first story set in 1894 has Holmes returning to London and explaining the period from 1891 1894 Also of note is Watson s statement in the last story in the book that Holmes has retired and has forbidden him to publish any more stories
