## **Return To Sodom And Gomorrah:**

**Return to Sodom and Gomorrah** Charles R. Pellegrino, 1994 Traces the archaeological sites of the Old Testament from the Nile to the Jordan and Tigris Euphrates rivers      **Alien Agenda: The Return of the Nephilim** Aaron Judkins, Michael McDaniel, 2012-04-24 There is a strange phenomenon that has been occurring on our planet throughout history Yes I m talking about UFO s I know what you re thinking We ve heard all there is to hear regarding the UFO phenomenon But have you really You may be surprised to learn what you don t know Today there has been a paradigm shift to the belief in cosmic evolution Is there life out there If so how will that change the world Will we see the return of the Nephilim What is the evolution connection This is not just another book on UFO s It answers a very critical question Why are they here What is their intent After this read you will gain a clear understanding from behind the scenes of the UFO phenomenon and the Alien Agenda      **The Rapture and Return of The Lord Jesus Christ** Joseph Morgan, 2021-12-15 Is Christ going to return to the earth physically Will the Rapture of the church occur The Bible answers these questions in the affirmative So when will these things take place After years of studying this I am convinced that not only will the Lord Jesus be coming to reign on this earth from Jerusalem but He will be doing so very shortly I believe that the Bible in fact tells us the exact date of His return Not only that it also tells us the exact date of the Rapture or at least the time in which it will occur Even more it tells us when the final seven year period will begin and when the Antichrist will reveal himself to the day I know that many might express incredulity at such claims and even shock at the utter audacity to proclaim something so preposterous and I do not blame you if you do feel this way I only ask that you read and consider for yourself The prophetic time line laid out in this book is absolute and can be overlaid onto the Gregorian calendar I encourage you to read and discover for yourself why I am so confident in my declarations and how those prophetic time stamps align on our modern calendar When done and when applied to what Scripture says and the history of the church age it tells us the physical return of Christ to the earth could very well take place on April 9 2033 Get ready to be shocked as the book of Revelation will be unfolded to you in a way you have probably never seen before      *THE RETURN OF THE ROYAL STUARTS 2024 AND HOW DREAMS CAN AFFECT YOUR LIFE* Maria Davis, With this book Maria Davis and His Majesty King Charles the 1st who is alive and is not AI make a claim for the throne of England and the United States as the rightful Monarchs      *Undeniable Biblical Proof Jesus Christ Will Return to Planet Earth Exactly 2,000 Years After the Year of His Death* Gabriel Ansley, 2010 Let me ask you a question you probably never pondered WHY did God create the world in 6 days Do you think God had NO logic motive or purpose behind using that specific number of days Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one Or do you think the cosmos required that number of days to be completed as if God could not have created it in 2 3 5 9 12 23 or however many days Friend you should know better God can DO ANYTHING which brings us back to the original question The answer to this mystery is contained in the Bible and its gradual albeit secret uncovering in story after story

leads to the stunning title of this book Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2 000 Years After The Year Of His Death But FAR more important than merely discovering that fact this book will fully elucidate and crush all confusion concerning what a person soul MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories So sit back and hold on because this book s message is going to be a life changing ride

1,260 Days Before the Return of Christ Pastor Donald Jones,2018-11-21 1 260 Days Before the Return of Christ By Pastor Donald Jones 1 260 Days Before the Return of Christ is about five last day biblical events that will occur within 1 260 days before Jesus Christ returns to reign over the earth It was written to inspire the awareness of these events and their occurrences before Christ returns to the earth It is the author s hope that the reader believes that these events will occur and accept the salvation of God which is by faith in His Son Jesus Christ

**The Returning Backslider** Richard Sibbes,2001-09

**Old Testament History, from Creation to the Return of the Jews from Captivity/ Edited: by William Smith** Sir William Smith,1871

Bible History, from the Foundation of the World to the Return of the Jews from Captivity Cecilia Anne Jones,1872

*The Prophetic Call to Love and Justice* Arnold H. De Graaff,2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives

*Back Toward the Future* Walter C. Kaiser Jr.,2003-12-31 Biblical prophecy comprises one of the most rewarding topics of Bible study Difficulty of subject matter and unfamiliarity with the literary forms however deter many students Back Toward the Future removes these obstacles and invites exploration of this exciting subject The author a respected expert in the field presents an introductory guide to the issues and methods of interpreting prophetic literature The principles he formulates coupled with his mature insights will help students avoid many exegetical pitfalls Part I helps the reader to discern conditional and unconditional prophecies comprehend apocalyptic symbols and understand future events in expressions of the past Part 2 provides specific steps for interpreting prophetic passages And Part 3 discourages Bible students from finding double meanings in prophetic statements and encourages them to embrace the author s single truth intention A Scripture index concludes Back Toward the Future

A Study of the Gospel of Luke Dennis Dinger, 2014-07-14 In this Gospel Luke the physician presented Jesus as the perfect man Luke is thought to be one of the seventy disciples Jesus sent out two by two in Luke 10 and one of the two men Jesus taught on the Emmaus road after His resurrection Luke was also a dear friend and companion to Paul There are many interesting detailed firsthand accounts of Jesus ministry teaching and miracles in this Gospel As a physician Luke was uniquely qualified to emphasize and describe the humanity of the Lord Jesus Christ This is a wonderful Gospel of great value to every man woman and child *Holy Bible*, 2004 Text edition Spine
